

Go Away, Tiger!

There is a tiger on my farm.
He never really did much harm.
His appetite is getting big.
Now he seems to like the pig.
He smiled at the goat today.
The tiger needs to go away.

Time to Shop for School

It's time to shop for school.

The jeans and watch are cool.

How about a dolphin book?

Here's one on lions, look.

There's a kangaroo, hooray!

But it's not on our list today.

A Day at the Zoo

Yesterday we went to the zoo
In our van with Val and Lou.
We waved to some yellow yaks.
Then a monkey ate our snacks.
We counted zebras one, two, three,
And heard hyenas laugh hee, hee.

The Snowman

Today we made a snowman
And rolled him very fat.
On his head we put a pan.
It made a dandy hat.

Stan lost his top.
It didn't stop
When he had it last.
Now he is sad
And feeling bad
For losing a top so fast.

The Best Cap

Dad gave me a bag
With a red zigzag.
Inside was a cap
With a button and flap.
When I wear it I'm glad.
It's the best cap I've had!

Ben's Red Hen

Ben has a little red hen.

She can count up to ten.

Five times she kicks each leg.

Then we yell, "Hooray for Meg."

Meg is very smart, you bet.

But she's the only hen I've met.

Over waves we skip.

Hold on, there's a chance

We'll make it to France.

What Do You Think?

Do you think

A whale will sink

When it tries to take a drink?

Do you know why

Those fish are shy

When a shark goes swimming by?

Watch Out, Sheep!

Beep, beep!

Move along, Sheep

When Ming chugs by in his jeep.

Thump, thump!

Bang over a hump—

Look out, Ming, you hit a bump!

Stan Is Sad

Stan lost his top.
It didn't stop
When he had it last.
Now he is sad
And feeling bad
For losing a top so fast.

My Special Skill

Every drink I get I spill.

I'm sure it's because I like to spin.

Turning 'round just makes me grin.

Spinning, grinning all the while,

Watching me will make you smile.

I Fly High

I fly high and strong in my swing.

I'm like a bird on the wing.

I snag clouds that hang in the air.

Any higher gives me a scare.

Hurry to My Place!

Hurry over to my place.

We will plan to have a race.

We can try my new blue boat,

And see if it will sink or float.

We'll go down the slippery slide.

Then take our bikes out for a ride.

The River Frog

Down by the river lives a frog.
His skin gleams green and gray.
He sits and croaks upon his log,
And clamps his jaws
On flies all day.

Let's go to the track.

We can race in a sack.

There are all kinds of prizes

In large and small sizes.

"Bravo," we'll scream

For the best dream team.

Whales Can Do Tricks

A killer whale is black and white.

We hope he doesn't bite.

The whale is big and very quick

As he performs a tricky trick.

When the trainer twirls her wrist,

The whale begins to spin and twist.

The Cat

Up climbed the cat.
On a branch she sat.
The day was hot,
But the cat was not.
It was a good fit,
So the cat stayed to sit.

When we go to the park today,
I plan to have lots of fun.
I'll make my mark and win the game
With a grand slam home run.

Bob is glad
The snow's so bad.
School is out for the day.
Out to the shed
To grab his red sled—
Bob will sleigh ride away.

Look What We Can Do

We can run, leap, skip, hop,
Pat, clap, ride, and stop.

Let's see if you can jump up too.
It's so much fun to play with you.

Peg takes care of pets.
Someday she'll be a vet.

Their fans all yell.

Time Talk

Snack time, play time,
Chore time, too—
Your clock tells you what to do:
“Do this now and make it quick!
Hurry! Hurry! Tick, tock, tick!
Listen to me when I chime.
It’s good luck to be on time.”

Dinnertime

The cook is in a rush.

The kitchen is a crush.

He's making a special dish,

Oops! The pan goes crash.

Toss it into the trash.

I fly high and strong in my swing.

I'm like a bird on the wing.

Five Goats in a Boat

They made a boat and sailed away.
One goat leaped from the shore—
Then another, which made one more.

All five goats had to swim to the bank.

Jogging

An ant who wanted to jog
Quickly ran up a road in the fog.
But she slowed to a trot
When the day became hot.
Then she sat down to nap on a log.

We plan our next trip

To sail a big ship.

We try on a wig

Then dance a jig.

Nighttime

See the setting sun.
The nighttime has begun.

Upon her cozy nest.
The chicks come at a trot
To find their own soft spot.

And a big, gigantic grin besides.

All the stuff he crushes

But has no spot for his brushes.

I get pink milk from my cow.
You might wonder how.

More Popcorn, Please

When I eat popcorn, I can't stop.

I fill my bowl up to the top.

I like to feed it to my dog.

I like to feed it to my frog.

I like popcorn quite a lot.

Don't you think it hits the spot?

Grand Slam

When we go to the park today,
I plan to have lots of fun
I'll make my mark and win the game
With a grand slam home run.

Wet Dog

Who let that dog out?
You can bet it wasn't me.
Who let that dog get wet?
I really didn't see!
Who let that dog outside?
Who could it be?
