

2024-25 Family Calendar

November 16, 2023
Julie Nielsen, Superintendent

Overview

- Calendar is required to include 165 days of instruction for a student in grades K-12. We are required to provide a minimum number of annual instructional hours.
- An instructional day is a day during which all students in a particular grade and school are required to attend and participate in school activities for the full day together.
- Days in which school is canceled entirely are not considered instructional or membership days
- The current teacher contract requires 183 duty days.

A large yellow circle is positioned at the top center of the slide.

When drafting the school calendar we:

- Meet the requirements in terms of days/hours students need to be in attendance.
- Are considerate of the impact of our school calendar on families.
- Look at the scheduling of Spring Break with surrounding districts.
- Take into consideration holidays in thinking about days where students and staff will be off.
- Plan for staff professional development and workshop days.
