## COUNSELORS CORNER

As we approach the upcoming course selection period, we encourage all students to explore the range of classes available at our school. The course catalog on the counseling website is a helpful tool for gaining insights into potential courses. To our seniors, whether you're applying to colleges or finalizing plans for post-high school, we wish you success. For those seeking guidance, counselors will be in the library every Thursday during both lunches throughout November to assist with college applications. Your academic journey is important to us, and we're here to support you at every step! Students will receive course selection forms on December 4th. They will be due on December 11th.
