

Assessment Update

November 6, 2023

Celebrations

K-12 Curriculum and Assessment

- K-8: Inventorying and validating assessments
 - Do our assessments assess what we want students to learn?
- 9-12: Aligning and unpacking essential standards
 - What should students be able to do upon completing a course?

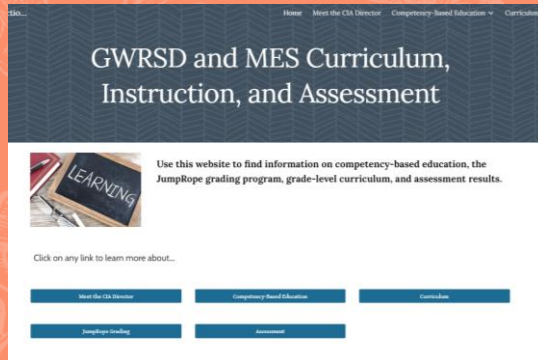

K-12 Instruction

- Early successes with improved reading for K-3 early adopters
- Math Launch Days
- Coaching of student sense-making activities in math

Celebrations!

Training in CBE for KRHS administrators
and teacher leaders

Updates to master schedules to reduce
transitions and disruptions and to
promote wellness and learning
