Examples of unpaid positions as a volunteer responsible for the welfare of a child or having direct contact with children can include:

- Parent/chaperone at school events
- Girl Scouts/Boy Scouts
- Agency volunteers who help with transportation or other services
- Big Brothers/Big Sisters

- School officials/referees

- Employees that supervise minors through an internship, externship, work study, co-operative, or similar program.

What is the definition of child?

For purposes of clearances, a child is an individual under 18 years of age.

How is direct volunteer contact with children defined?

Direct volunteer contact with children is defined in §6303 (relating to definitions) as the care, supervision, guidance or control and routine interaction with children. Routine interaction with children is defined in §6303 as regular and repeated contact that is integral to a person's employment or volunteer responsibilities.

How do I determine which volunteers in my agency or organization needs clearances?

Please review the following four questions to determine if volunteers in your agency/organization will need clearances:

1. Is the volunteer an adult? Only adults (18 years of age or older) require clearances. If the answer to the question is "yes," please move on to the next questions.
2. Is the adult volunteer responsible for the welfare of a child? If the volunteer is acting in lieu of or on behalf of a parent, they will need clearances.
3. Does the adult volunteer have direct contact with children? Consider if the adult volunteer provides care, supervision, guidance or control of children. As the terms above are not defined in statute, we suggest that the common meaning of these terms be used, with child safety serving as the paramount consideration. If it is determined that the adult volunteer provides care, supervision, guidance or control of a child or children, then they will require clearances.
4. Does the adult volunteer have routine interaction with children? With regard to routine interaction,

NOTE: The above list is NOT inclusive of all volunteers.

1. Report of criminal history from the Pennsylvania State Police (PSP); and
2. Child Abuse History Clearance from the Department of Human Services (Child Abuse).

Additionally, a fingerprint based federal criminal history (FBI) submitted through the Pennsylvania State Police or its authorized agent is required if the volunteer has lived outside the Commonwealth of Pennsylvania in the last 10 years.

If the volunteer is not required to obtain an FBI Criminal History clearance, they must swear and affirm in writing that they are not disqualified from service based upon a conviction of an offense under §6344 of the Child Protective Services Law.

Are employees that supervise minors through an internship, externship, co-operative, work study or similar program required to obtain clearances?

Are there exceptions to the clearance requirements for minors?

Yes. A minor (ages 14-17) applying for or holding a paid position in which they would be responsible for a child's welfare or have direct contact with children through a program, activity, or service is required to submit only their child abuse and PSP clearances if both of the following apply:

1. The minor employee has been a resident of the commonwealth during the entirety of the previous 10-year period or, if not a resident of Pennsylvania during the entirety of the previous 10-year period, has received an FBI clearance at any time since establishing residency in the commonwealth.
2. The employee and their parent or legal guardian swear or affirm in writing that the minor child/

employee are not disqualified from service under the grounds for denying employment or have not been convicted of an offense similar in nature to those crimes under the laws or former laws of the United States or one of its territories or possessions, another state, the District of Columbia, the Commonwealth of Puerto Rico or foreign nation, or under a former law of this commonwealth.

Have the requirements changed for employees who supervise minors through an internship, externship, co-operative, work study, or similar program?

Yes. Act 54 of 2018 states that employees who participate in an internship, externship, co-operative, work study or similar program with a school, who have identified as the minor's supervisor and the person responsible for the child's welfare are required to obtain the report of criminal history from the Pennsylvania state police and the child abuse clearance from the Department of Human Services — which are now provided free of charge for these employees, as they are considered volunteers under §§6344.2(a). The employee is not required to obtain the fingerprint-based criminal history (FBI) unless they have lived outside of the commonwealth in the last 10 years.

Can an agency or organization pay for clearances?

Child Abuse clearances

Yes. Agencies and businesses can pay for child abuse history clearances by registering for a Business Partner user account using the “Organization Account Access”

link on the Child Welfare Portal, (www.compass.state.pa.us/cwis/public/home). The business account will allow organizations to purchase Child Abuse clearance payment codes to be distributed to applicants or employees. Individual applicants or employees will then go onto the Child Welfare Portal to apply for the clearance using the code. The pre-purchased codes can only be used once and allows the organization to have access to the applicant’s Child Abuse clearance results once those results are processed.

FBI clearances

An agency pay agreement/business account can also be created between an organization and the FBI, or its authorized agent, for payment of FBI clearances. Information on creating an agency pay agreement for FBI clearances through the Department of Human Services can be found on the “Clearances” page of the KeepKidsSafe.pa.gov website.

PSP clearances

An agency business account can be requested from the Pennsylvania State Police to pay for clearances in bulk by calling 1-888-783-7972 and selecting Option 3. Organizations are also able to pay for applicant’s PSP clearance on an individual basis by using a credit card if applying online or submitting a paper check if applying by mail.
