ISB enrolls approximately 1,800 students on its Pre-Kindergarten to Grade 12 campus, located 25 km north of downtown Bangkok. All academic courses, with the exception of those offered in the World Languages department, are taught in English. The school is an open-enrollment independent school that prides itself on the diversity of its learners, of which nearly 60% speak a language other than English as a primary language. ISB is accredited by the Western Association of Schools and Colleges (WASC).

Many of our students carry multiple passports and have lived in multiple countries. Our high school teachers are equally diverse in geographic and national origin, bringing a wide range of perspectives and cultures to the classroom. 75% of our high school faculty members hold advanced degrees.

2023-2024 High School Student Community

The numbers below reflect all passports held by high school students, many of whom hold multiple passports, as of August 2023.
