

5th GRADE SUPPLY LIST

2023-2024

One of the activities many children look forward to each August is shopping for school supplies for the upcoming school year. Having “self-selected” school supplies creates opportunities for children to learn valuable lessons in taking care of, and responsibility for, their belongings. To assist you in planning for 5th grade, we would like to give you the following information regarding school supplies. If for any reason you choose not to purchase these supplies, please know that basic supplies will be provided for your child.
