

PV Music Report

Rob Corrao:

Marching Band:

The Pequea Valley High School Marching Band is up and running! From July 31-August 4th members attended Band Camp...The weather was perfect (cloudy, not humid and breezy) and the group finished the entire show with drill and music. This year's show, "Breaking Ground" features music of today's groundbreaking artists: Harry Styles, Billie Eilish and Lizzo.

See you at the first home game!

Nate Bankert:

I'm excited for a very educational and musically-packed school year!

Our first performance will be a small select group of singers chosen to provide music at the "Inspiration and Innovation Gala" hosted by The Wm. Chester Ruth legacy Project on September 19 at White Chimneys Estate in Gap.

The Concert Choir will begin preparing for our annual Fall Choral Benefit concert. The theme this year is ABBA's greatest hits, with an emphasis on the musical Mamma Mia!

I'll share more detail in future reports but I'm looking forward to preparing singers for County, District, Regional, and State chorus festivals, as well as the Northeast ACDA Honors Choir in Providence Rhode Island.

Chamber Singers will have a Fall Retreat, and the usual concerts (Kitchen Kettle, Longwood/Brandywine) are already scheduled!

It's going to be a great year. Thank you for your support!
