**PVHS Symphonic Band**

On Friday, February 10, 2023, GySgt Cecilia Kozlowski, horn player and 10 year member of The President's Own U.S. Marine Corps Band held a virtual clinic entitled, "Before You Play: Setting Up for Success" with the members of the PVHS Symphonic Band. Her clinic talked about the importance of stretching, posture breathing and instrument placement. In addition, Cecilia also discussed the importance of preparing individual parts, honing rehearsal skills and how to handle performance anxiety. Her clinic was interactive and our learners were very respectful, well-behaved and participated in her Q&A sessions with well-thought questions.

**PVHS @Rock Lititz**

On Thursday, April 27<sup>th</sup>, Rock Lititz is sponsoring a High School Live Event Career Experience Day on their campus. Based on their first-choice career paths, Mr. Erb and I have selected about two dozen learners to apply to attend this exciting educational experience with one of Lancaster's hottest industries. Learners who applied will be notified by March 31<sup>st</sup> if they will attend this day-long festival where they can get hands-on experiences with industry professionals in one of three tracks: entertainment, management, and construction. Learners accepted to the program will have all expenses paid through Rock Lititz donors.

Nate Bankert:

For the first time in PV history, 2 Learners are headed to Cincinnati OH to participate in the ACDA National Honors Choir. They will represent PVSD during the conference February 22-25.

The musical is in full swing! I hope to see you there! The flight system is being installed, we have fog and snow machines set up, amazing sets and costumes, and an incredible cast and crew! The community is going to love it!
