UNION™
COMMUNITY CARE

About Union Community Care

Our purpose is to spark equity through patient-led healthcare that welcomes and strengthens our communities by integrating body, mind, and heart.

We provide primary care, dental care, behavioral health, and social services throughout 10 Lancaster & Lebanon locations. Our Sliding Fee Discount Program offers a discounted rate or nominal fee for medical and preventive dental services offered at our centers based on household income and size.

Union Community Care is a Community Health Center, and is not connected with Penn Medicine Lancaster General Health. Additionally, we are a nationally recognized Patient-Centered Medical Home because of our inclusive approach to providing healthcare services that reflect the cultures, values, and needs of the individuals we serve. Our progressive Care Teams care deeply for their patients and come to our community with unique experiences and diverse cultural backgrounds.
