Your employer has automatically enrolled you in their FICA Alternative Retirement Plan ("Plan"). Important information concerning the Plan is provided below. If you have any questions please call NBS at the number shown on the reverse side of this form.

To provide for benefits under this Plan, I understand my Employer will deduct from each of my payroll checks beginning immediately, 7.5% of my gross compensation ("Deferred Compensation"). These monies will be placed in a Trust created by my Employer specifically for this purpose ("trust").

My benefits under the Plan are to be determined as if my Deferred Compensation were funded in the following manner: 100% to a Group Annuity Policy with Life Insurance Company of the Southwest (LSW)

Important items that you should understand about the Plan:

1. This Plan has been adopted as an alternative retirement plan to Social Security for part-time, temporary, and seasonal employees.
2. Benefits under this Plan will be provided to you in the form of an account balance consisting of your Deferred Compensation, plus earnings, minus losses or withdrawals. Further information about the LSW annuity contract in which Plan funds are held is on the back of this form.
3. The LSW Group Annuity listed above will be owned by the Trust and will be used by the Trust to provide benefits under the Plan. You will not have any ownership or control over the Trust. Your Employer does not guarantee the performance of the Trust.
4. If you are married, your beneficiary under the Plan will automatically be your spouse. Otherwise, your beneficiary is automatically your estate. You must change your beneficiary as provided in this form if you do not want your benefits to be paid in this manner.
5. The Plan Document is available for your review. Your rights and those of your beneficiary(ies), and the Employer's obligations under the Plan are set forth in the Plan Document. The terms, conditions and provisions of the Plan are hereby incorporated into this Enrollment Form.

LSW FLEX 3121 Employee Disclosure

The FICA Alternative Retirement Plan

FLEX 3121 is a group unallocated deferred or "pooled" annuity that your Employer has chosen to use as the funding vehicle for a Retirement Plan that offers an alternative to Social Security contributions. This FICA Alternative Plan is only available to qualifying governmental employers. As long as you qualify to remain in this Plan you do not have to pay Social Security (FICA) taxes on your pay from your employer.

You may monitor the growth of your retirement fund instead of having your deductions sent to Social Security. You and your Employer must contribute a minimum of 7.5% of pre-tax compensation. *FLEX 3121* imposes no loads, so all of your contributions earn interest. The interest rate is guaranteed to be at least 1% at all times.

An independent administrator tracks each employee's allocations and handles the Plan's record keeping. You will receive an account statement at least once each year.

FLEX 3121 Distributions

When you qualify to receive benefits under the plan you will generally receive the sum of your contribution plus interest, less an administrative distribution fee. The administrative distribution fee is the lesser of \$10 or the interest credited to your account. A withdrawal charge in accordance with the terms of the group annuity will only be assessed if your employer terminates the plan or the LSW annuity contract in the first seven years from the annuity contract's issue date.
