**Accelerated
Bachelor of
Science in
NURSING** 
FOR HIGH SCHOOL STUDENTS

Are you a motivated high school student with a passion for healthcare and a dream of becoming a nurse? The Accelerated Bachelor of Science in Nursing (ABSN) program designed in collaboration with Summit Technology Academy and Metropolitan Community College (MCC) offers an exciting opportunity to fast-track your nursing career. This innovative program empowers students to meet nursing program prerequisites while earning an Associate of Arts (AA) Degree, and ultimately securing a coveted spot in one of five esteemed nursing programs in the Kansas City area.

PREREQUISITE PREPARATION AT SUMMIT TECHNOLOGY ACADEMY AND MCC

The journey begins at Summit Technology Academy, where aspiring nurses gain a solid foundation in science, math, and healthcare fundamentals. High school students in this program receive specialized training and education to help them excel in their future nursing studies. Concurrently, students will complete their general education requirements and nursing program prerequisites by enrolling in courses at Metropolitan Community College (MCC), leading to the attainment of an Associate of Arts Degree.

SEAMLESS TRANSITION TO NURSING PROGRAMS

Upon successfully completing the prerequisite coursework and earning the AA Degree at MCC, students will be accepted into one of the prestigious nursing programs after meeting requirements. These programs include:

- UMKC School of Nursing
- Avila School of Nursing
- Rockhurst University—Saint Luke's College of Nursing
- Research College of Nursing
- University of Central Missouri School of Nursing

KEY BENEFITS OF THE ACCELERATED BSN PROGRAM:

- ▶ **Time Efficiency:** High school students can jumpstart their nursing careers, completing prerequisite courses and earning an AA Degree before their peers.
- ▶ **Cost Savings:** By completing prerequisites at MCC, students can reduce the overall cost of their nursing education.
- ▶ **Guaranteed Spot in Nursing School:** This program secures a spot in some of the area's most competitive nursing programs, ensuring students are on the fast track to achieving their dream careers.
- ▶ **Comprehensive Preparation:** Students receive a strong foundation in healthcare knowledge, ethics, and skills, setting them up for success in their nursing studies.
- ▶ **Diverse Clinical Experiences:** Partnering with renowned healthcare institutions, these nursing programs offer a wide range of clinical opportunities, enhancing students' practical skills.

The Accelerated BSN Nursing Program for high school students is a golden opportunity to accelerate your nursing career and embark on a fulfilling journey in healthcare. If you're passionate about making a difference in people's lives and aspire to be a dedicated and compassionate nurse, this program is your gateway to success. Join us and turn your dreams of becoming a nurse into reality!
