311 Homebound Instruction

At times throughout the year, some students, because of a severe injury or sickness, may require a tutor or teacher to work with them at home.

532 Phones

Monthly service fees for all phones in the buildings, as well as the Central Office are paid for from this line. The increase is a direct result of the loss of funding from the E-Rate reimbursement program.

533 Internet Service Provider

Our Internet service provider and our website service provider are paid for using money from this line. This increase is due to the rising cost of Internet service and upgraded hardware. CEN (Connecticut Education Network) began billing schools and libraries for their use of the network in July 2016. All public K-12 schools and libraries that had previously been covered by the State's General Fund since CEN's inception now need to pay.

590 Property and Liability Insurance

This is the cost of our multiple insurances.

691 Maintenance Supplies

This line includes supplies for all three schools. The lead custodian prepares a comprehensive list of necessary supplies and orders in bulk to save money for the district.

692 Heating Oil

Our three buildings use approximately 35,000 gallons of oil each year at an approximate price of \$2.12 a gallon. We are members of a multi-district consortium.

694 Propane Fuel

Our school kitchens and the modular classrooms at Bakerville Consolidated School use propane fuel.

731 Leases and Copying

This line covers the maintenance agreements for four (4) copy machines.
