## Pathways to Teaching

*Inspiring, Preparing and Retaining the Next Generation of Teachers*

### P-TEACH High School

Paired with teacher mentors, P-TEACH students engage in rigorous coursework blended with robust field experiences and can access paid opportunities in a variety of school settings.

### P-TEACH Apprentice

P-TEACH graduates access the next level of mentorship as paid Teacher Apprentices while attending college with the potential to join the TREP program.

### P-TEACH Professional

Paraprofessionals and classified staff can take any P-TEACH course at no cost, launching them towards obtaining a Bachelor of Arts in Education.
