**P 6145.5  
Instruction**

**SCHOOL CLUBS AND ACTIVITIES**

The Administration shall have the authority to develop clubs and activities on a yearly basis for their specific school context. Many clubs and activities may run every year, but some may be developed and implemented on a year to year basis dependent on specific school context. The cost of operating all school clubs must remain within the financial constraints of the school district budget approved by the Board of Education unless funded by community donations or school fundraising. All community donations or school fundraising must follow applicable policies related to donations (P3280).

The operation of clubs and activities should be based on the following criteria:

1. Student interest
2. Sustainability
3. Student Safety
4. Alignment with all school rules and policies
5. Facility/equipment/personnel required.
6. Financial Support (annual and long term)
7. Compliance with all state and federal statutes including Title IX
