

PROVIDER ACCESS POLICY

Introduction

This policy statement sets out the College's arrangements for managing the access of providers to pupils at the College for the purpose of giving them information about the provider's education or training offer. This policy complies with the legal obligations under Section 42B of the Education Act 1997.

Pupil Entitlement

All pupils in years 7-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of Provider Access Requests Procedure

A provider wishing to request access should contact:

Nicola Stoney
Head of Careers
020 8299 5181
stoneync@dulwich.org.uk

Opportunities for access

A number of events, integrated into the College careers programme, will offer providers an opportunity to come into College to speak to pupils and/or their parents/carers. Full details of these are provided in the Careers Education, Information, Advice and Guidance Statement or contact the Head of Careers for more information.

Premises and facilities

The College will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The College will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team. Providers are welcome to leave a copy of their prospectus or other relevant course literature, which is displayed by the Careers and HE Team offices in the

Lord George Building. Electronic resources can be shared via the Careers and HE Website 'Beyond Dulwich', which is on MyDulwich. These resources are available to all students.
