

Early Learning Choice Board

Students are asked to complete at least one item from each category.

For additional experiences, your student is encouraged to complete as many as they are able.

If additional e-learning days occur, students are asked to repeat activities with a different topic/choice.

Reading	Writing	Math	Social Studies / Science	Specialists
Find a book. Snuggle up in your favorite spot and look at the pictures. As you look at the pictures, “read” the story by telling what is happening on the pages. You can read to a family member or a stuffed animal. Listen to a book	Rainbow Writing. Practice writing your name multiple times using a rainbow of colors. You can also practice writing other words as well.	Find a deck of cards. Take out A, J, Q, K. Only use the numbers. Then, play “Number Top It.” Each player flips over a card. Whoever has the higher number keeps both cards. Practice saying the numbers out loud.	SOCIAL STUDIES Look in a mirror. Practice making different faces in the mirror. Happy, Sad, Angry, Frustrated, Silly, Calm, What can you do to help yourself feel calm? Practice calming breaths.	PE Move and Freeze. Turn on some music and hit pause at different times. Everyone freezes when the music stops. Play for a few songs to get your wiggles out. Freeze Dance Song
Ask a grown-up or big kid to read a story to you, or watch a video online. While you read, pause to talk about what is happening in the story. What is your favorite part? Storyline Online :	Look out a window. What do you see? Draw a picture and then have a grown-up write your words. Try to write one or two of the words on your own.	Find 2 different objects and make a pattern. Can you make a different pattern? 	SOCIAL STUDIES Ask others how they feel today. What kind things can you do to help others feel happy and loved?	MUSIC Play or listen to your favorite song. Sing it loud, then sing it quiet. Super Simple Songs
