

# Rye City School District Board of Education Goals 2023-2024

## INSTRUCTION & PROFESSIONAL LEARNING

Support our faculty, staff, and administration in delivering equitable, rigorous instructional programming grounded in the tenets of The Rye Commitment, that is student-centered, inclusive, and adaptive.

Fund and support professional learning, instructional programming, and curriculum in the following areas:

- Academic offerings at the secondary level: Art, Engineering, and International Baccalaureate
- Assessment and data-based individualization
- Effective use of instructional spaces
- Integrated co-teaching
- K-12 new science standards
- K-12 new world language standards
- Literacy and communication
- Mathematics
- Phonics and phonological awareness

Develop a K-12 comprehensive Social Emotional Learning program that is grounded in the tenets of The Rye Commitment.

## COMMUNICATION

Effectively communicate with the community using a variety of platforms including an updated website, social media, video, and traditional methods such as email and newsletters.

Support the rollout of the redesigned District website and provide education to the community about the upgrade.

Support the District in improving parent/guardian-teacher communication.

## OPERATIONS & FISCAL MANAGEMENT

Develop and present a fiscally-responsible budget that:

- Ensures financial stability
- Implements sustainable financial practices
- Promotes educational innovation
- Supports short-and long-term facilities needs
- Utilizes a comprehensive, transparent process
- Upholds The Rye Commitment

Maintain fiscal responsibility while providing oversight over the current budget and Phase III of the Capital Project.

Evaluate and optimize available resources related to Phase III of the Capital Project.
