

Mother's Prayer for Our Sons

Christopher Krall, S.J.

Bless us God, our Father above

As we are mothers of sons we love.

Give us strength to trust your care

As the concern we have is a cross we bear.

Protect our sons throughout this night.

Make their decisions true and right.

May their minds be wise

And hearts aglow.

For aimed at you is how

I have watched them grow.

Allow them to find your path in life,

Away from harm, released from strife.

We know our boys long to be free

So may their joy be AMDG.

Amen.
