TREP

Teacher Recruitment Education and Preparation Program

WHAT IS TREP?

- TREP pays for the first 2 years of college tuition for students pursuing a degree in teaching or school counseling.

HOW TO QUALIFY?

- Students must be a senior in their 12th grade year of high school and take one qualifying course their senior year from the Educator Pathway course list. There are limited slots, so students should have an alternate postsecondary plan.

HOW DOES IT WORK?

- TREP students participate in regular graduation ceremonies with their high schools during their 12th grade year, without receiving their official diploma.
- TREP students remain a D11 student for their 13th and 14th years (their first 2 years of college).
- TREP students will receive their high school diploma at the completion of the TREP program.

Through CTE courses, WBL and Postsecondary Opportunities District 11 will help you on your path to becoming a teacher!

Welcome to Concurrent Enrollment

Concurrent Enrollment in District 11 is a broad term used to describe many distinct programs that offer immediate access to college coursework and college credit at no cost or minimum cost to our students. Students in every school may choose to enroll in various Concurrent Enrollment opportunities offered on our high school campuses through our partner institutions:

- Pikes Peak State College (PPSC)
- Western Colorado University (WCU)
- Colorado State University Pueblo (CSUP)
- University Colorado Colorado Springs (UCCS)

After researching various degree plans at multiple universities, students will find a common theme in general course requirements.

We refer to them as the
