Parent Request for Additional Language Programs

Parents or legal guardians of pupils enrolled in the school may choose a language acquisition program that best suits their child pursuant to this section. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible, based upon the requirements of Section 305. Curriculum & Instruction (C&I) staff will monitor the requests and will instigate a feasibility assessment when the target number of written requests are received.
