

NORTHFIELD

TITLE I SCHOOL COMPACT

What is a Compact?

A compact is an agreement that parents and families, students and teachers develop together. It explains how parents and families and students and teachers will work together and their responsibilities to make sure all students are reaching academic success.

The parents and families, students and teachers of Northfield Elementary developed this compact. Teachers suggested home learning strategies, parents and families added ideas to make them more specific and students told us what would help them learn. Meetings and events are held each year to review the compact, make changes if necessary, and approve the compact.

Families - please check agendas and ClassDojo for upcoming events and ways to be involved in your child's education.
