

Family Access Navigation help

Go to: <https://www.gettysburg.k12.pa.us>

Enter your Login ID and Password

This will bring you to this screen, here you can view all different kinds of information. I will have an example of each below. The only tabs we do not use are Activities, Grad Requirements (that's for the HS) and homeroom because that shows on the student's schedule.

The box that says students is a drop down if you have multiple students in the district, you can click on the drop down to change from student to student.

Brand New Student to GASD – is ONLY if you are registering a new student here t GASD

23-24 Annual Student Form Updates – **Are** the mandatory annual forms that need to be filled out to update your info in Skyward
