During the COVID-19 Pandemic

While the Meridian Public School District complies with the State Department of Health and the Centers for Disease Control and Prevention infection control guidelines to prevent the spread of the COVID-19 virus, the Meridian Public School District cannot make any guarantees.

Our staff are symptom-free and, to the best of our knowledge, have not been exposed to the virus. However, since we have many employees and visitors who come to our facilities, other persons could be infected, with or without their knowledge.

In order to reduce the risk of spreading COVID-19, we require that you respond, on behalf of your child, to a number of “screening” questions below. For the safety of our staff, your child, and your family, please be truthful and candid in your answers.

Please answer “yes” or “no” along with your initials to the following questions:

Is your child or anyone in your immediate family currently awaiting the results of a COVID-19 test?

Does your child have a fever?

Does your child have shortness of breath?

Does your child have a dry cough?

Does your child have a runny nose?
