Dear Parent or Guardian:

Our school qualifies to receive *Title I, Part A* funds under the *Elementary and Secondary Education Act (ESEA)* as amended (2015) for this school year.

Our school is eligible for the following:

Schoolwide Title I Program: Title I eligibility is based on the number of students in our school from low-income families. School staff members work with input from parents and the community to develop a Schoolwide plan. The purpose of this plan is to improve our entire educational program.

We look forward to your involvement in school activities and your child's education. You will receive information throughout the school year to keep you informed about your child's academic progress and the progress the school is making toward helping all children meet high academic standards. You will also receive invitations to meetings to discuss the Title I Schoolwide Program, Title I activities, and be asked to assist in the development, revision, and implementation of our Schoolwide Program Plan.

You are an important partner in our effort to provide the best education possible for your child. Please call the school if you have any questions or would like additional information.

Sincerely,

Kelli Speed	Director of Federal Programs
