Experienced teachers will receive credit for their prior service as determined by the Superintendent at the time of their employment according to the following:

- Up to five years of experience receive full credit (one year for each year of service).
- More than five years of experience receive one year of credit for each two years of experience (over the first five) with a total cap of 12 years of experience.
- However, the Board may award full credit for prior experience in instructional areas of critical need as defined by the Board or the Illinois State Board of Education, provided that the Superintendent will review with the Association President prior to the awarding of such credit.
