## **MEASURE G GENERAL OBLIGATION BOND OF 2008**

**For the Gateway Unified School District**

**FISCAL YEAR ENDING JUNE 30, 2014**

## **Citizens Oversight Committee Report**

### **Background on Measure G - What the Voters Approved**

In November 2008, the Gateway Unified School District (GUSD) voters passed a \$19 million general obligation bond (Measure G) with 57.7% of voters approving the measure.

The purpose of the bond proceeds was to “improve the quality of education, renovate and construct classrooms and school facilities including libraries and cafeterias; upgrade outdated heating, ventilation and air condition systems; make health and safety improvements; improve student access to computers and modern technology; and improve handicapped accessibility.

Because Measure G was approved through an election process under Proposition 39, the District is obligated to establish a Citizens’ Oversight Committee (COC). The committee must be comprised of voters who represent parents, parent-teacher organizations, the business community, senior citizens, taxpayers associations, and the community at large. This committee reviews expenditure reports to ensure that: a) bond proceeds are expended only for the purpose set forth in the ballot measure, and b) no bond proceeds are used for any teacher, administrator salaries or any other operating expenses.

Attached to this report (Exhibit A) is the full text of Measure G which was approved by the voters on November 4, 2008. From the voters’ authorization of Measure G, the school district has developed a comprehensive plan to address the need identified in their facility needs assessment. Although there is no way they could do all the projects possible with the funds available, the District, with oversight from the Citizens’ Oversight Committee, must ensure that the Bond funds are only for these purposes.

### **District Progress and Oversight Committee Activities**

The report of the Citizens’ Oversight Committee (COC) represents the Measure G bond activity for the 2013/14 fiscal year. The report is designed to correlate with the timelines of the voters’ approved Measure G, granting GUSD 19 million of bond expenditure authority. A summary of key District and COC activities related to the fiscal year ending June 30, 2014 is as follows.
