

CITIZENS OVERSIGHT COMMITTEE REPORT

MEASURE G GENERAL OBLIGATION BOND OF 2008

For the Gateway Unified School District

FISCAL YEAR ENDING JUNE 30, 2018

Citizens Oversight Committee Report

Background on Measure G - What the Voters Approved

In November 2008, the Gateway Unified School District (GUSD) voters passed a \$19 million general obligation bond (Measure G) with 57.7% of voters approving the measure.

The purpose of the bond proceeds was to “improve the quality of education, renovate and construct classrooms and school facilities including libraries and cafeterias; upgrade outdated heating, ventilation and air condition systems; make health and safety improvements; improve student access to computers and modern technology; and improve handicapped accessibility.

Because Measure G was approved through an election process under Proposition 39, the District is obligated to establish a Citizens’ Oversight Committee (COC). The committee must be comprised of voters who represent parents, parent-teacher organizations, the business community, senior citizens, taxpayers associations, and the community at large. This committee reviews expenditure reports to ensure that: a) bond proceeds are expended only for the purpose set forth in the ballot measure, and b) no bond proceeds are used for any teacher, administrator salaries or any other operating expenses.

Attached to this report (Exhibit A) is the full text of Measure G which was approved by the voters on November 4, 2008. From the voters’ authorization of Measure G, the school district has developed a comprehensive plan to address the need identified in their facility needs assessment. Although there is no way they could do all the projects possible with the funds available, the District, with oversight from the Citizens’ Oversight Committee, must ensure that the Bond funds are only for these purposes.

District Progress and Oversight Committee Activities

The report of the Citizens’ Oversight Committee (COC) represents the Measure G bond activity for the 2017/18 fiscal year. The report is designed to correlate with the timelines of the voters’ approved Measure G, granting GUSD 19 million of bond expenditure authority. A summary of key District and COC activities related to the fiscal year ending June 30, 2018 is as follows.

Measure G Values

Voter approval bond amount	\$19,000,000.00
General Obligation Bond Sale July 2009	\$ 6,320,717.55
General Obligation Bond Sale December 2013	\$ 6,300,280.55
General Obligation Bond Sale May 2017	\$ 6,378,959.95
General Obligation Refunding Bonds Sale May 2017	\$ 2,800,000.00

The General Obligation Bonds, Election of 2008, Series 2017 (2017 Bonds) represent the final sale authorized by voters in the District at the November 4, 2008 election and will be used to acquire, build, and improve school facilities and to defease the District’s outstanding 2007 certificates of participation. The \$2,800,000 of 2017 General Obligation Refunding Bonds (Refunding Bonds) refinanced \$2,715,000 of the District’s 2008 Election GO Bonds, series 2009, for taxpayer savings. Interest rates on the old Series 2009 Bonds ranged between 4.30% and 5.23%, while interest rates for the new bonds are between 0.85% and 2.85%, a difference that will save property taxpayers approximately \$340,000 in taxes. The final payment of the new bonds will remain the same as the original July 2034 payment of the Series 2009 Bonds.
