

Bath County High School

Welcome to the 2023-2024 School Year!

On behalf of the faculty and staff of Bath County High School, we want to welcome our students, parents, and community to a new school year. We are excited to welcome the Class of 2027 to our school and are looking forward to seeing our returning students. We look forward to celebrating the accomplishments of the Class of 2024.

The education of students of Bath County High School is a collaborative effort between our parents, school, district, and community. We believe that working together we can provide our students with the needed skills and tools to pursue their future goals. At BCHS, we are blessed to share this wonderful partnership with all the stakeholders of our great county.

We hope the 2023-2024 school year is full of wonderful learning experiences, fond memories, and exciting opportunities for our students.

Best Wishes,

Sabrina Brandenburg

Principal, Bath County High School

Bath County High School Title I Program

What is Title I?

Title I, a provision of the Elementary and Secondary Education Act passed in 1965, is a program created by the US Department of Education. This program was designed for the purpose of providing financial assistance to states and school districts to meet the needs of educationally at-risk and low income students. The goal of Title I is to provide extra instructional services and activities which support students identified as failing, or most at-risk of failing, the state's challenging performance standards in mathematics, reading, and writing. The Title I programs provide your student with extra educational assistance beyond classroom instruction. Title I funds can be used to provide the following:

- Smaller Classes or Special Instructional Spaces
- Additional Teachers and Aides
- Opportunities for Professional Development for School Staff
- Extra Time for Title I Students to Learn the Skills They Need
- A Variety of Supplementary Teaching Methods
- An Individualized Program for Students
- Additional Teaching Materials Which Supplement a Student's Regular Instruction

So how does BCHS use their Title I funds?

Our school used this additional funding to do the following:

- Purchase Hawkes Software for our Students in Dual Credit Math Classes with MSU

- Hire an Additional Mathematics Teacher to Allow for Smaller Class Sizes and Intervention
- Updates to our Existing Technology
- Professional Development for Teachers in Areas of Literacy and Assessment Practices
- Installing Smart Board Interactive Devices for Every Classroom
- Purchasing ACT Prep Materials for Use by Students
- And Much More....

Title I "School & Parent" Compact:

Bath County High School and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the state's high standards. This school-parent compact is in effect during the 2022-23 school year.

School Responsibilities:

Bath County High School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the state's student academic achievement standards as follows:
 - a. Honor Classes and Dual Credit Course
 - b. Intervention Programs
 - c. ACT Prep options and Materials
 - d. Innovative Proficiency Focused Grading System Designed
 - e. Multiple Intervention and Credit Recovery Programs
2. Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement. Specifically, those conferences will be held:
 - a. BCHS will hold an annual School Kick-Off Open House for all guardians and students
 - b. One during the fall and one during the spring semester for all guardians and students
 - c. Conferences with individual teacher(s) can be scheduled throughout the school year by contacting school counselors
3. Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports as follows:
 - a. Access to Infinite Campus Parent Portal
 - b. Progress reports distributed during First Period to students Six (6) Times Per Year In Addition to the Mailed Report Cards
 - c. Report cards to be mailed home
4. Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents as follows:
 - a. Parents and community members are encouraged and welcomed to attend monthly SBDM Council Meetings
 - b. BCHS parents are encouraged to develop a Parent-Teacher Organization and/or become involved in other extracurricular parent support organization
 - c. Parents are encouraged to contact teachers and school administration with ideas, concerns, and celebrations regarding their student's education

Parent Responsibilities

We, as parents, will support our children's learning in the following ways:

- Monitoring attendance.
- Making sure that homework is completed.
- Participating, as appropriate, in decisions relating to my children's education.
- Promoting positive use of my child's extracurricular time.
- Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate.

Student Responsibilities

We, as students, realize education is important. We are the ones responsible for our own success. Therefore, we agree to carry out the following responsibilities to the best of our ability:

- Get to school on time every day
- Develop a positive attitude toward school
- Be responsible for completing homework on time
- Be cooperative by carrying out the teacher's instructions and ask for help when needed
- Do daily work that is neat and reflects the student's best effort
- Be respectful to all school members and to school property

Required Information: Pest Management:

In order to provide a safe, clean, and healthy environment at Bath County High School, we periodically undergo inspections and treatment for unwanted pests such as rodents and insects. Due to possible allergies among our students, our school will provide any parent or student written notification prior to the use of any chemicals. If you would like to receive notification, please send a written request which includes your mailing address to the address below:

Meningococcal Disease Information (HB 475):

This information will give you the facts about the disease and help you take precautions to prevent you from becoming ill with meningococcal disease.

Meningococcal disease, commonly known as meningitis, symptoms commonly include high fever, headache, nausea and stiff neck. The disease can come on quickly and may cause death or permanent disability within hours of the first symptoms. Meningococcal disease is spread by air droplets and direct contact with secretions from infected persons, through coughing without covering the mouth and kissing. Teenagers can reduce the risk of contracting the disease through immunization and by not sharing personal items such as food utensils, water bottles and drinking glasses.

Although the disease is rare, it can be prevented through vaccination. A safe and effective vaccine is available to protect against four of the five strains of bacteria that cause meningococcal disease. Although teens are at greater risk for contracting the disease, up to 83 percent of the cases in this age group may be prevented through immunization. For those teenagers who have not been previously vaccinated, the U.S. Centers for Disease Control and Prevention (CDC) recommends immunization at high school entry (only one shot required). For more information about meningococcal disease, you should consult a physician, school nurse, local health department staff member, or visit www.cdc.gov.

AHERA Annual Notice:

The Bath County School District complies with the Asbestos Hazard Emergency Response Act (AHERA-EPA 40 CFR Part 763). AHERA requires school systems to inspect their buildings for asbestos containing building materials and to have a written asbestos management plan. An Asbestos Management Plan for the school district is available for review at the Central Office during normal business hours. Please contact the central office if you would like to view this Plan.

Nondiscrimination Statement:

The Bath County School District does not discriminate on the basis of race, color, religion, sex, genetic information, national or ethnic origin, political affiliation, age or disabling condition in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following persons have been designated to handle inquiries regarding the non-discrimination policies:

BCHS SBDM Membership:

The BCHS SBDM composition of membership for the 20 school years: Principal (SBDM Chairperson); three (3) teacher representatives; and two (2) parent representatives. An SBDM Secretary will serve as a non-voting member for the purpose of maintaining records and meeting preparation. SBDM Council Members must participate in yearly training to maintain members. Experienced members must complete three (3) hours and new members must complete six (6) hours of approved training.

SBDM Parent Election Process:

In April or May of every school year, a parent election will be held to determine the two (2) parent representatives for the upcoming year. The parent members shall be elected by the parents of students pre-registered to attend the school during the term of office in an election conducted by the parent and teacher organization of the school or, if none exists, the large

organization of parents formed for this purpose. Parent representatives are elected by plurality vote.

SBDM Council Meetings 2023-24:

The BCHS SBDM Council will hold their regularly scheduled monthly meetings on the second Wednesday of every month at 4:00 pm. Meeting agenda will be posted and shared via email with all Faculty/Staff at least 24 hours prior to the meeting. If necessary, the principal may also request a Special Called SBDM Council Meeting. Only items placed on the agenda can be discussed at Special Called meetings.

Movement Bells: During each class change at Bath County High School, students are expected to take care of all necessary locker and bathroom visits in order to be prepared for their next class and thus are ready to learn. A movement bell will ring two minutes prior to all tardy bells. During this two-minute time frame, students are not permitted to stand in the hallways or bathrooms and thus must be moving toward their next class. Students caught loitering during this time will be punished with lunch detentions or possibly spend time in ACP.

Important Note: Students are given 30 minutes total for lunch and 10 minutes for an afternoon break. Students are expected to clean up after themselves during lunch and to behave accordingly. Repeated failure to do so will result in time being taken away from lunches. The afternoon break can and will be taken away if students do not clean up after themselves during break and follow school rules. Also the afternoon break will be taken away if students fail to follow the rules necessary to maintain a safe and orderly learning environment within the school.

Cancellation Due to Inclement Weather:

When inclement weather or any other incidence causes school to be closed, a One-Call will go out to all students/parents about the closing. Information regarding the closing or delay will also be posted on the BCHS Facebook page. Also, announcements regarding the close of school will be made over the following stations: WMST - Mt. Sterling, AM-1150, FM-105.5, WKCA – Owingsville, FM-107.7, WMOR – Morehead, AM-1330, FM-106.1, WIKO – Morehead, FM-96.3, WKYT – Lexington (Channel 27), WLEX – Lexington (Channel 18), and WTVQ – Lexington (Channel 36).

An announcement may be made that school is in session on a one- or two- hour delay. When school is in session on a one- or two-hour delay, school will be dismissed at the regular time and the morning class schedule will be modified (see the One-Hour Delay and Two-Hour Delay Bell Schedules below). When school is canceled all other school activities are also canceled, unless students and staff are otherwise notified.

Admissions and Withdrawals:

Student Enrollment:

Students wishing to enroll in Bath County High School must reside in the county; be under the age of 21; and must be accompanied by a parent or guardian. The following information is required for all student enrollment files:

- 1) an up-to-date immunization certificate (See update below)
- 2) proof of their identification (copy of birth certificate and Social Security Card);
- 3) proof of guardianship or custody, documentation that the student resides in Bath County, may be requested if necessary;
- 4) information on the previous school that the student attended or provide the necessary records.

Only the Bath County Board of Education is authorized to make exceptions to this policy and all requests should be directed to the superintendent or his/her designee. Any questions or concerns regarding our enrollment process should be directed to the Guidance Counseling Department.

By Kentucky State Law, all immunization certificates must be on file with the school nurse and updated as necessary before a student may enroll and/or attend school. Also, all students are required to have lice screening at the start of every new school year and after all breaks; the school nurse will do this during the first week of school and throughout the year as necessary.

Updated Immunization Requirement:

An amendment to the Kentucky Administrative Regulation added [new immunization requirements](#) that went into effect for the 2018-2019 school year. Effective July 1, 2018, ALL students in kindergarten through 12th grade must show proof of having received two doses of Hepatitis A vaccine and students 16 or older must show proof of having received two doses of Meningococcal ACWY (MenACWY) to attend school. If the first dose of MenACWY was received at 16 or older, the second dose is not required for school entry. If children have received the age-appropriate vaccines for school entry, students will not be required to receive the vaccine(s) again.). For more information about immunizations, you should consult a physician, school nurse, local health department staff member, or visit www.cdc.gov

Withdrawing a Student from School:

Students withdrawing from school shall see the counselor before school starts on their last day of classes. Students wishing to drop out of school must be at least eighteen (18) years old. Students that plan to enroll in a Home School program must bring proof that they have purchased a program and are enrolled to begin classes. The DPP reserves the right to review all Homeschool curriculum documents and students' progress at any time. Students will not be allowed to complete the withdrawal process unless all textbooks are returned and debts are paid. A parent must come with the student and must sign for a student who is withdrawing from school if under the age of eighteen (18). If this is not possible, the parent shall send a

signed note authorizing the withdrawal. Failure to follow proper procedures will result in two things: (1) student records may NOT be forwarded to the new school and (2) the student will not have a receipt showing that all obligations have been met. Any records for students under the age of eighteen will NOT be released without written parent/guardian consent. Please note: The current policy in the state of KY does not allow students that complete their high school education through a homeschool program to receive state scholarship funds (KEES).

School Safety:

Arriving at School:

All students must enter the building immediately upon arrival at school. This includes students who drive to school, walk to school, ride a bus to school, or are dropped off by parents.

Students are not allowed to loiter in the parking lot or sit in their cars and converse during the mornings before the start of school. When students arrive at school, they must remain in the gymnasium or in the cafeteria. Once students arrive and enter the building they must remain in the building. Students are not allowed to leave the building once they have entered in the morning unless they have permission from the principal. The Wildcat Lounge area and the Chenault Building are off-limit areas and are thus closed to students in the morning. Upon entry to the school each morning, all students must cooperate with participation in a dress code check.

Changing Classes:

During class changes students are expected to behave in an appropriate manner and proceed to their next class in a timely manner. Students are not allowed to loiter in the hallways or in the bathrooms during the movement period of all class changes. Students caught loitering in the bathrooms will be dealt with appropriately. Students will have five (5) minutes between classes. During those five (5) minutes, students should go to their lockers and the restroom if needed. When a class change occurs, students will hear two bells: a two-minute warning/movement bell and a tardy bell. When the two-minute movement bell rings, students are not allowed to stand in the hallways they must be moving to class. Students are allowed to use their electronic devices until the movement bell rings. **All electronic devices must be put away when the movement bell.** Students who are caught standing in the hallway during this two-minute movement time period will be dealt with according to the code of conduct. Furthermore, only students who must go outside in order to get to their classes in the Chenault Building are allowed outside the main building. Students who are caught outside the main building at any time during the school day will be dealt with according to the Student Code of Conduct. Students are not allowed to go into the parking lot for any reason (unless they have permission from an administrator).

Bathroom and Hallway Supervision:

Teachers and the administration will frequently monitor bathrooms and hallways. Students are not allowed to loiter in the bathroom and there is absolutely no smoking or use of any electronic smoking device (example- e-cigs, vapes, JUULS, etc..) allowed. Furthermore, hallways will also be frequently monitored and only students who have been issued a hall pass will be allowed in the hallway during class time. **Any student who is repeatedly caught in the hallway will have their hall pass privileges revoked by the administration.**

Hall Passes* SmartPass Electronic Passes(New):

All students have ample opportunities to go to the bathroom throughout the day. Teachers will limit hall passes to three (3) per semester for 45 minute classes and six (6) for 90 minute classes per term. All students must sign-out of class using the SmartPass electronic log. Each teacher has an office issued hall pass that they must give to students before they will be allowed to leave class. Teachers and the administration will periodically check to make sure students have a hall pass and may record data that will help identify teachers issuing excessive numbers of hall passes as well as students who are abusing hall pass privileges. If a student is found in an area or in the hallway without a pass disciplinary consequences may be administered for failure to follow this policy.

Note: Students who have medical reasons for frequent bathroom visits must provide medical documentation to the school nurse. The nurse will in turn notify teachers about the student's need for additional passes. Any other issues that may cause a student a problem to adhere with this policy should be discussed with the principal. This will be documented using the SmartPass system.

End of the Day Dismissal:

At the end of the school day, a few different bells will sound. The first bell will dismiss ONLY those students who ride the first run of buses. The second bell will dismiss those students who ride a second run bus. The third bell will dismiss all students who ride a third run bus and so on until all bus students have been dismissed. When there are late buses, we will hold dismissal bells until all buses have arrived. After all buses have left, one final bell will be rung and this last bell will dismiss all students who drive, ride with parents, or walk and will also dismiss all faculty and staff members. Students who leave on the wrong bell will be reported to the principal or assistant principal immediately and those students will be dealt with according to the student code of conduct. Students need to make sure that during the break before 7th period they visit their locker and get all the books/materials they will need to take home with them that evening. Students will not be allowed to leave class at the end of the day to go to their lockers unless there are extenuating circumstances. All students must exit the building to board the buses using the main exit.

The administration may grant sport teams during their competitive season the opportunity to be dismissed on first bell pending completion of required documentation from the coach (this is typically only for teams participating on site or preparing for a pregame meal). If a student is an active participant of a sports team that has been allowed to leave class on first bell, the student must report directly to the assigned location in which the team has been assigned. Students cannot leave school grounds without permission of school administration.

School Visitors:

Bath County High School welcomes everyone to visit; however the administration takes every possible step to ensure the safety of our students and staff. Senate Bill 1, mandates a controlled entrance for all public schools in Kentucky. **All visitors** to our building must enter the building through the front door and the secured lock entrance. A security system has been installed that requires visitors to be "buzzed in" through the front door. Visitors are required to provide the purpose of their visit to office staff and present a valid ID. All school visitors must immediately

REGISTER IN THE OFFICE and pick up a VISITOR PASS. **Visitors to our school must sign-out in the front office before leaving the building. Visitors will be requested to leave their identification in the front office to ensure guests sign-out of the building (waiting district directive). ALL VISITORS MUST PROVIDE A VALID ID TO OFFICE STAFF EVERY TIME THEY VISIT THE SCHOOL. THIS IS REQUIRED EVEN IF THE REQUESTING STAFF IS FAMILIAR WITH THE VISITOR.**

No one is allowed to visit classrooms or enter any area other than the front corridor leading to the main office unless they have the principal's approval. **A visitor pass or Bath County Schools' Employee Badge must be worn in a visible location at all times while visiting the school.** No one will be allowed to visit classrooms unless written permission is acquired from the principal.

Severe Weather Drills (Earthquake and Tornado):

Most injuries that occur during an emergency situation result from the chaos caused by the emergency. It is very important that everyone knows the appropriate actions to take during an emergency. Bath County High School will conduct tornado, earthquake, and fire drills as required by law and local board policy in order to make sure that the school is prepared in case an emergency really occurs. All students are expected to follow the emergency plan described by the school and react in a timely manner. Schools are required by law to conduct emergency drills so that the school has the practice necessary to ensure that everyone in the building knows what to do in case of a real emergency. Severe weather can strike at any time, and just because Bath County High School has never been struck by severe weather, doesn't mean that it can't happen. As a school, we must be proactive and be prepared for any situation. When severe weather is imminent or occurring, the office will announce "SEVERE WEATHER ALERT" over the intercom. All teachers should escort their students to the area in the building designated for that teacher and have all students sit on the floor, face the wall, and cover their head with their arms and hands! Teachers should do the same thing, once they have ensured that all students are protected.

Fire/Evacuation Drills:

Even though Bath County High School is mainly block and steel, it can burn. When a fire alarm sounds, teachers will escort their students to an assigned area outside of the building. Fire drill maps have been placed in all classrooms to show the path students should take to get out of the building in the quickest manner possible. **All teachers are required to take attendance once the class is together in a designated area. Students not present should be reported to the administrator or designee assigned to their area immediately.** Schools are required by law and board policy to conduct several fire drills per year so that the school has the practice necessary to ensure that everyone in the building knows what to do in case of a real fire. After a fire drill is over, all students should re-enter the building through the appropriate entrance and return to class.

Drug Dogs:

Bath County High School uses drug dogs to frequently check for all forms of drugs, alcohol, and weapons on students, faculty, and staff. The drug dogs can detect the presence of illegal substances, prescription drugs, and over-the-counter drugs, alcohol, and weapons (knives and guns). The school district has contracted with K-9 Resources to conduct numerous unannounced searches both at school and during after-school events such as dances, prom, and sporting

events. Students caught in possession or under the influence of an illegal substance or alcoholic beverage or in possession of a weapon are in violation of the law; thus law enforcement officials will be notified as well as the parent/guardian. Once a student breaks a law, they are under the jurisdiction of law officials and not the school. The school has no control in what the law does or does not do in any situation where a law has been broken by a student. Bath County High School has a zero tolerance policy on alcohol, drugs, weapons, and tobacco; all students will be reprimanded to the full extent allowed by school and board policy!

Locker and Student Searches:

Student lockers are the property of Bath County High School and are loaned to students to store items that are necessary for students to learn (paper, pencil, textbooks, gym clothing, etc.). Bath County High School and its administration have the right to search any student as well as their locker for any reason at any time especially when the school has reasonable suspicion that a student is in possession of anything that is illegal or in violation of school rules.

Level I Alert, Level II, and Lockdown

- Level I Alert: students will not be allowed to leave the building alone without supervision or parental pick-up. This alert will be used if the school is notified of a potential danger in the community, but not directly to our building.
- Level II Alert: Students will remain in the classrooms and will not switch classes. This alert could be used when we need to make sure to keep the hallways clear.
- Level III Alert: A lockdown will be called when there is an immediate danger in the building. During a lockdown all students/staff must take cover away from doors and windows, lights will be turned off, and windows covered. Staff will not be allowed to open their doors until the lockdown is lifted by the school principal or law enforcement.

* If a Level II or Level III lockdown is called, a school administrator or the SRO must unlock classrooms to dismiss the lockdown. **Level II or Level III lockdowns will not be dismissed by intercom.**

Classroom Doors:

Senate Bill 1 (New KY Safe School Law) requires all classroom doors to remain closed and locked during the instructional day. The Kentucky Center for School Safety recommends this practice for after school events also.

School Resource Officer (SRO):

During the 2023-24 school year, the Bath County Board of Education in partnership with the Bath County Sheriff's Department, created a School Resource Officer (SRO) position for Bath County Schools. Our SRO is a law enforcement officer with all the power and duty that entails.

Bath County Schools Anonymous Email Tip Line:

Bath County Schools is proud to partner with the Kentucky Center for School Safety to provide an email tip line to all Bath County Schools students, parents/guardians, and community stakeholders.

The **S**afety **T**ipline, **O**nline **P**revention or **S.T.O.P Tipline** is designed for use as an "online" reporting/prevention tool. If students, parents or community members know of an unsafe situation in school (bullying, weapons, drugs or alcohol, etc.), they can anonymously pass on that information to school personnel by using this basic email format.

How does it work?

Students or Parents

- Click logo on school's web page
- Choose whether you want to submit a tip about 1) bullying, 2) violence or 3) other risky behaviors (i.e. alcohol, drugs, self-harm, sexual abuse or theft, etc...)
- Fill-in the check boxes and explain
- Click submit

Volunteers and Parent Conduct:

Parent and Community Volunteers:

Parent and/or community volunteers are always needed at Bath County High School. When the school and community work together to provide the best instructional program possible, student learning is enhanced to a level that is not possible without this teamwork and collaboration. "It takes a whole village to educate a child". If you would like to volunteer please feel free to contact the principal for more information. For more information regarding Volunteers please refer to the Bath County Schools Online Policy Manual- 3.6 Volunteers.

Requirements for Volunteers:

To ensure the safety of our students and staff, all volunteers must submit the following:

- 1) ***Completed Bath County High School Volunteer Request Form and/or Bath County High School Volunteer Coach Form, with all required signatures, on file with the principal
- 2) ***An approved up-to-date (within a calendar year) Criminal Background Check on file with the Youth Service Center Director.

****Note:** Volunteer Athletic Coaches, in addition to the requirements above, also have to meet the training requirements set forth by KHSAA. Contact an Athletic Director for more information. A special Volunteer Coaching Request form is to be completed (will take the place of the standard BCHS Volunteer Request form).

*****Note:** All BCHS Volunteer Request and Request for Criminal Background Check Forms are available at the school upon request.

Parent Code of Conduct at School Events:

All parents are to conduct themselves in an appropriate manner at all school events as well. Parents are role models for their own children and others. Parents are expected to adhere to the following expectations when they are on the Bath County High School Campus or attending an event as a representative of Bath County:

All parents of the Bath County School system shall...

1. be positive and encouraging of their child and others at all sporting events;
2. remember that attending a school event is a "privilege" and not a "right";
3. show respect and full cooperation at all times to all school staff and officials;
4. help their child enjoy sports by attending as many games as possible and being a respectable fan at all events they attend;
5. respect the issue that playing time is determined by the coaches' evaluations of a child's awareness and ability to play a sport;
6. show respect to all student athletes, coaches, other sports fans, and officials regardless of their race, sex, creed, or ability;
7. show good sportsmanship and encourage their child to do the same;
8. refrain from verbally abusing any coach, official, or student athlete;
9. place the emotional and physical well-being of a child ahead of any personal desire to win;
10. show support of all coaches and officials in order to encourage an enjoyable team experience for all who attend and compete in a sporting event;
11. do their best to make sports fun for their child by trying to help relieve competitive pressure as opposed to increasing it;
12. remember that the game is for the students – not the adults (it is not your team or game);
13. refrain from starting or spreading gossip, rumors, or innuendos about coaches, officials, or players which could harm team morale or cohesiveness;
14. give their child space and time after games, except to give encouragement;
15. be careful of their body language (body language screams – it never whispers); and
16. adhere to and support the 24- hour rule.

The 24 Hour Rule:

The 24 Hour Rule

Parents are not permitted to discuss athletic concerns, questions, or issues with a coach for at least 24 hours after an issue arises at a game or practice. Parents shall schedule an appointment with the head coach or his/her designee if an issue arises.

Consequences for Violations of the Parent Code of Conduct:

If a parent does not conduct themselves in an appropriate manner at a school event, the athletic director and/or administration will address the inappropriate conduct. If major infractions occur the parent will be suspended from attending all remaining sporting events for the school year. The following consequences will be used to address minor infractions:

<u>Violation</u>	<u>Parent Consequences*</u>
First Violation	Parent/Athletic Director Meeting and Written Warning Issued
Second Violation	Parent/Athletic Director Meeting and a Three (3) Game Suspension
Third Violation	Parent/Athletic Director Meeting and a Ten (10) Game Suspension
Fourth Violation	Parent/Athletic Director Meeting and Suspension for the Rest of the Year

*Parents who refuse to meet with the school about inappropriate behavior or fail to show up for a scheduled meeting shall be suspended from attending all sporting events for the remainder of the school year.

Graduation Requirements and Policies: (State Level)

New State Mandated Graduation Requirements:

[704 KAR 3:305](#), Kentucky's new minimum high school graduation requirements, became effective on April 5, 2019. Early Graduation Program:

The Early Graduation regulation, [704 KAR 3:305](#), is a result of [Senate Bill 61](#) (2013) and is a companion to [Senate Bill 97](#) (2013). Since 2014-15, Early Graduation has been possible for students who intend to progress through high school on an accelerated timeline and graduate college ready in three years or less. For the student to participate in senior activities the student must have already met all required provisions by February 15th of their intended graduation year, including meeting the required performance levels on all EOC assessments. This includes participation in the graduation ceremony.

Early Graduation Program Requirement (provided by the Kentucky Department of Education:

Early Graduation is a deliberate pathway for students in grades 9-11 who wish to move on when ready, receive a diploma from the district and be eligible for acceptance into Kentucky public universities and non-profit independent colleges and universities. The pathway provides a financial scholarship, known as the Early Graduation Certificate, to support this action. Students participating in the pathway must meet the requirements set forth by [704 KAR 3:305](#) including those listed below. Students must:

- Notify the school principal within the first 30 days of the school year in which they intend to graduate.
- Enter the Early Graduation pathway prior to October 1 of the year in which they intend to graduate early.
- Graduate in three years or less. Students exceeding three years do not qualify for the incentives identified with Early Graduation.
- Take the state-administered college readiness exam and meet the college readiness exam benchmarks as set by the Council on Postsecondary Education in 13 KAR 2:020 for placement in credit-bearing courses without the need for remediation.
- Take and score proficient on all required End-of-Course Assessments (EOCs). To meet this requirement, the Kentucky Department of Education (KDE) will provide EOCs for those students participating in the Early Graduation pathway during the 2021-2022 school year.

Bath County High School Graduation Requirements:

Schools can require additional requirements for graduation beyond the minimum requirements set by the state of Kentucky. BCHS students are required to earn 25 credits to be eligible for graduation (unless the student has been approved for a different graduation pathway). All graduation requirements must be met before a student can participate in graduation exercises (this includes all credit pathways). All financial obligations must be met, any athletic uniforms returned, all library books returned, all textbooks returned, as well as any other items belonging to the school. All students entering Bath County High School must acquire the appropriate number of credits for their graduating class in order to graduate. Students must also participate in the school sponsored graduation practices prior to being allowed to walk through the graduation line.

22 Credit Path *New

The minimum requirement for graduation according to the state of Kentucky is 22 credits. Students at BCHS are eligible for the 22 credit path if they meet the following criteria and it receives approval from the superintendent. Students that meet the minimum requirements with superintendent approval will be eligible to participate in the graduation ceremony.

Criteria:

- At risk of dropping out of high school.
- Family circumstances beyond the student's control.
- Based on student's age and grade level

Once the students have met the 22 credits they will receive a copy of their transcript and a letter stating that they have met the minimum high school requirements.

Earning Credits:

The school day at Bath County High School is set up on a seven period hybrid schedule with some classes being taught 45 minute periods for the whole school year and others taught as 90 minute blocks on rotating days. Students may earn up to one (1) credit for the successful completion of each class at the end of the school year. Every class that a student is enrolled in during the school day must post to the student's cumulative transcript, with the exception of the Graduation Success Academy Credit Recovery Classes.

Graduation Ceremony:

The school principal will share a tentative graduation date at the beginning of the school year based on the school year calendar adopted by Bath County Board of Education. This date is subject to change depending on the number of days scheduled to be made up at the end of the

school year. If needed, the BCHS SBDM Council will revisit setting an updated graduation date and time during its March monthly meeting. If additional days of school are missed after the March meeting, the school administration will update the graduation ceremony information (if necessary) and share this information to all stakeholders in a timely manner. **Students must attend at least one graduation practice. All credits must be earned at least two weeks prior to the graduation date in order to participate in the graduation ceremony. (New)**

Guidelines for Graduation Ceremony:

Graduation is a very special occasion for ALL graduates and their families. All participants in the BCHS Graduation Ceremony should conduct themselves in a manner that shows respect to their peers, our invited guests, and our school. Disruptive, disrespectful, or destructive behavior will not be tolerated. Any graduate or guest engaging in these behaviors **will be escorted from school premises** and the ceremony will not continue until the situation has been rectified. Students are not allowed to have anything on them during graduation that could be used to disrupt or cause distractions resulting in having to stop the ceremony. During the graduation ceremony, the use of party novelties (i.e. silly string, noise makers, air horns, and so forth) and/or any other item that may deter from the attention and dignity of the event will not be tolerated; these items may be used during the hat toss. Every person walking across the stage deserves the spotlight as they receive diplomas without any distractions. When the graduates return for the traditional hat toss, this will be the appropriate time for celebration.

Students must dress appropriately and wear school approved cap and gown in official school colors (red for males and white for females) in order to participate in the graduation ceremony. Students must dress appropriately underneath their gown and wear appropriate shoes for the occasion. Students can only wear school appropriate, school related, and school approved items on or around their gowns at graduation. Students may decorate their caps for graduation as long as it is school appropriate and is not obscene or vulgar and does not relate to guns, knives, tobacco, alcohol, sex, nudity, drugs, or promote violence.

Special Recognitions:

All students will be asked to wear a special hood or stole in which all students can display their special recognitions. The cost of the hood/stole will be paid by the students at the time in which cap and gowns are ordered. Students graduating with the recognition of "Transition Ready" and completing the Honor Pathway or "College Ready" path will be provided with a special patch to recognize their accomplishment.

The valedictorian(s) and salutatorian(s) will be allowed to wear special stoles/sashes. Any senior Beta Club member will be allowed to wear the official Beta Club sash/stole. The Student Government Association (SGA) will be allowed to wear their special class officer stole/sash. Competitive clubs and organizations (FCCLA, FBLA, TSA, STLP, FFA, and HOSA) may award a cord to outstanding seniors who meet the following criteria: 1) actively involved in the organization for at least three (3) years, 2) competed in local/regional/state/ national competitions, and 3) served as a positive leader for the club. All other school clubs and organizations are encouraged to give their seniors pins, broaches, or badges to wear if the senior has been actively involved in the club or organization. A different color cord will be assigned by the administration to each club eligible to award cords to seniors.

Seal of Arts Excellence:

Beginning with the Bath County High School Class of 2023, a student may earn a ***Seal of Arts Excellence*** in the visual and performing arts by demonstrating an advanced level of ***specialization in their chosen art form(s)***. Students may choose to specialize in one or more art forms to earn a Seal of Arts Excellence. Such specialization will enable students to study an art form in an in-depth manner, and work toward achieving an advanced demonstration in creating, performing/producing/presenting, responding and connecting to their chosen art form as established by Kentucky Academic Standards for the Visual and Performing Arts and the local school system. Students who choose to specialize in an art form will participate in performance-based arts courses designed to develop skills and understanding that will enable them to use the art form as a high-level communication tool. This is accomplished through the development of skills in the processes that artists engage in to make the arts.

Students will be evaluated by the arts faculty at Bath County High School based upon evidence.

Criteria for the Seal of Arts Excellence - **Music**

- 1) At least 3 out of 4 years of a music course sequence (ex. Band 1,2,3, 4; Percussion 1,2,3,4; and Chorus 1,2,3,4) or combination of these totalling three (3) years. The student must be enrolled in at least one of these courses for their senior year.
- 2) Two other music electives as offered (ex. guitar, history of rock, music theory, or other music elective course offered.) This only applies if other music electives are offered at some point(s) during a student's high school career.
- 3) Participation in at least one (1) adjudicated music event each year of high school (ex. KMEA all-district, KMEA all-state, KMEA solo & ensemble, Kentucky snare drum competition, or other adjudicated event(s) approved by the high school music teacher.)
- 4) Distinguished / Superior ratings in at least 1 adjudicated event two (2) times during high school career (as long as adjudicated events are made available. includes adjudicated events from section 3 above).
- 5) Selection to all-district and/or all-state (if available) in at least two years of high school career -or- selection to a University Honor Band for at least two years (ex. MSU Band Clinic, UK Honors Wind Ensemble, Asbury All-Star Band, etc.)
- 6) Consistent attendance at after-school music endeavors as assigned from the music department (ex. athletic bands, KMEA Events, rehearsals, etc.) at the discretion of the music teacher.
- 7) Maintain overall GPA of 3.0 or above
- 8) Maintain GPA of 4.0 in music classes taken

9) Maintain good standing in the music program / remain eligible for all music endeavors as laid forth by rules of the music department and/or music class or ensemble.

Criteria for the Seal of Arts Excellence - **Visual Art**

Minimum of 4 credits from the art curriculum. Classes include Art 1, Art 2, Art 3, Art 4, Digital Imaging, and ART160, the dual credit course through Morehead State University.

Minimum 4.0 GPA in art classes.

Minimum 3.0 GPA in all classes.

Participation in a minimum of 6 juried events in 4 years. Juried events include the KyAEA Burley/ Coal Regional Competition at Morehead State University, The Gateway Regional Student Competition in Mt. Sterling, Morehead Arts Council Regional Competition at Morehead and the Bath County Mayday Student Art Competition in Owingsville. Other events may be added as are available. Provisions will be made for students affected by canceled events due to COVID.

Active participation in the Art Club. Students must maintain their active status by accumulating points by participating in Art Club activities during school and outside of school hours.

Senior portfolio completed and submitted to a committee designated by the current Art teacher to include 3 members. Portfolios must include a minimum of 10 pieces showing breadth of experience and specialization in one medium. Portfolio must receive a rating of 3 using established portfolio guidelines.

Student commendations may include, but are not limited to, the following:

- Indication of the Seal of Arts Excellence on the transcript/e-transcript;
- Special seal on the diploma;
- Graduation cord or sash for the ceremony;
- Senior Night award or certificate; and/or
- Verbal or written recognition in the graduation program or during the ceremony.

Valedictorian and Salutatorian Requirements for the Class of 2022 and Beyond:

To earn the distinction of Valedictorian and Salutatorian of the graduating class a student must have earned the highest cumulative GPA (weighted Dual Credit and AP Course grades will be factored into this calculation). If there should be a tie of one or more students the following criteria will be used to determine valedictorian: 1) ACT scores and the 2) school attendance. The student earning the 2nd highest GPA, or in the case of the tie, the next highest ACT (and/or attendance percentage) will be named Salutatorian of the graduating class.

Cumulative Student Record Folder:

At the end of every school year, our graduating seniors are given the contents of their cumulative student record folder. This folder contains all education records of the student. Any legal documents submitted to the school since the student's enrollment in Bath County Schools should be filed with this record. If a parent should have any concern with their graduating student viewing any of this information they must

contact the BCHS Guidance Department. *Note: once a student turns 18 years of age, they become custodians of their own educational records and can view the contents of this folder at any time they want.

Student Classification and Student Leadership:

Grade Level Assignments:

Students are classified and placed in a "grade level" based on the number of credits they have earned in their high school career. Once a student is placed in a "grade level", the student MUST remain in that classification for the remainder of that semester. Grade level assignments are only made at the beginning of each school year and after the first semester (must be initiated by student request through the counselor's office). Students are classified in grade levels as follows:

<u>Grade Level</u>	10th	11th	12th
<u>Credits Needed</u>	6	12	18

Class Officers:

Class officers are elected each year at Bath County High School and all candidates must meet certain requirements to be eligible. Students interested in becoming a class officer must meet the following requirements:

- 1) Be on Grade Level (not retained the previous school year)
- 2) A Cumulative 2.75 GPA in the previous school year- Not applicable for 9th grade
- 3) Full time student (no early dismissal)
- 4) No major discipline infractions the previous school year this includes- Out of School Suspension and/or 2 or more days of ACP. For 9th grade candidates discipline will be checked for the current school year only
- 5) Not removed from a class office in previous years by school administration- Not applicable for 9th grade
- 6) Receive two (2) satisfactory recommendations from school faculty members – (9th grade candidates can receive recommendations from high school or middle school faculty members)
- 7) Write a short essay - What qualities do you possess that would make you a productive leader for your class? (100 to 250 words)

During the last month of each school year, students will be provided the opportunity to run for a Student Government Association (SGA) Class Officer for the upcoming school year. Interested candidates will need to obtain, review, and complete a BCHS Class Officer Informational and Application Packet.

Students will be given an allotted period of time to turn in their completed Class Officer Application to a designated staff member in order to be considered as a potential candidate. Each class will elect five (5) officers including: president, vice-president, secretary, treasurer, and reporter. Students will only be permitted to sign up for one class office. At the end of the sign up period, candidates will be reviewed to ensure they qualify for the office. After a candidate has been deemed eligible for office, their name will be placed on the ballot. Any student who does not meet all requirements will be ineligible to run. An election advisor will be designated by the principal to develop a typed list (election ballot) that has all eligible candidates on it to be used during the election process.

Ballots will be developed and copied by the designated advisor and kept in a safe place until the election. All students running for election will be given the opportunity to campaign prior to election, with all candidates for President presenting a video campaign ad via our school video announcements to the school. Students will be called down one class at a time to vote and only those students present can vote (students who are absent or in ACP will not be allowed to vote). After voting, those students running for President of each class will count the votes in the presence of the designated advisor and/or an administrator. The winners will be announced at the end of that school day.

All elected class officers must complete the duties and adhere to the guidelines presented in the BCHS Class Officer Informational Packet. Any class officer failing to fulfill the duties of their position or maintain appropriate behavior may be subject to removal from their office by school administration. If a class office becomes vacant, the student that received the next highest number of votes running for the same office will be appointed to fulfill the term.

Information on Grading:

Course Syllabi:

Students will be provided a course syllabus by each of their teachers for each class taught at Bath County High School. These course syllabi will explain all course requirements, the teacher's academic expectations for students, class rules, tardy policy, hall pass policy, routines and procedures, grading policy, a description of the course, and an outline of the curriculum for each class. Teachers will discuss the course syllabi in detail as well as provide their students with a copy of the course syllabus within the first 10 days of the start of the class.

Student Progress Reports:

A student's progress at school will be reported at least 7 times during the school year distributed in appropriately 4 ½ week intervals. A final grade report will be mailed home at the end of the school year. The school will make every effort to make sure that parents/guardians know when all progress reports are being given to students. It is the parent's/guardian's responsibility to make sure that they ask the student to see all grade reports given out by teachers. Parents can subscribe to Parent Portal and have live access to their student's grades at all times via a smart device or computer.

Changing Grades:

Teachers are to make every effort to ensure the accuracy of each grade given to students. In the event that a student feels like a teacher has made an error in reporting a grade, the student should talk to the counselor and the teacher within five (5) days of the dissemination of progress reports. The teacher must make any needed changes within ten (10) days of the end of a midterm or semester. After ten (10) days the grade becomes final and cannot be changed. Teachers wishing to make a change to a grade must fill out the appropriate grade change form and submit to the counselor and principal for approval within the allocated ten (10) days!

Student Honor Roll:

At Bath County High School, we make every attempt to celebrate the academic accomplishments of our students. Students who earn a 3.5 GPA or better at midterm or at the end of the semester will be placed on the Principal's Honor Roll and their name will be published in the local newspaper and posted on the bulletin boards in the school. All of these names will be placed in a box and three names (one from each honor roll category) will be drawn at random. The winners of the drawing will receive a reward.

Grading Scales:

Bath County School has adopted the following Grading Scale for all schools:

A	90 – 100	B	80 – 89
C	70 – 79	D	60 - 69
F	Below 60	I	Incomplete

Grade Point Average:

A grade point average is provided for the following grading sessions: 1) current performance in class the student is currently enrolled in and 2) cumulative average of ALL the grades earned for all courses completed during the student's high school career. The GPA is used to determine student rank in his/her class and is also used for meeting standards for college admission, scholarships, eligibility for class offices, and discounts on automobile insurance. GPA's are calculated by first assigning quality points. Quality points are assigned for each course grade according to the following scale:

Grading Scale Points for Non-Weighted Classes:

A = 4 quality points
B = 3 quality points
C = 2 quality points
D = 1 quality point
F = 0 quality points

Grading Scale Points for Weighted Classes (Dual Credit and AP Classes):

A = 5 quality points
B = 4 quality points
C = 3 quality points
D = 2 quality point
F = 0 quality points

Next, all of the quality points are added to give the total points earned and the total is then divided by the number of classes (credits) that were attempted. This will yield a number between 0 and 4 and this number is called a GPA. The GPA does not include any courses that are in progress. The valedictorian and salutatorian will be chosen using GPA's. All GPAs will be reported upon request to colleges for admission and scholarship with student/parent permission.

BCHS Grading Procedures: (New)

Bath County High School is using a grading system of weighted categories. The break down of category percentages are as follows:

Formative Assessments: 20%

Summative Assessments: 60%

End of Course Assessment (EOC): 15%

Participation/Effort: 5%

Grading Policy Provisions:

1. Formative Assessments will be used to inform classroom instruction daily.
2. **Performance will be recorded into IC based on our District Grading 100 point scale policy. *Teachers still have the option of utilizing a scoring guide/rubric to assess their students' level of learning.**
3. **Summative assessments are not required to be organized by learning targets. All assessment items must be tied to instruction provided through the utilization of learning targets.**
4. ***Scores will be recorded into IC based on the organizational system the teacher uses to design their assessments.**
5. Term Grades will be based on the following: 20% formative assessments; 60% summative assessments; 5% Participation/Effort; and 15% End of Course (EOC) Assessments or End of Course Culminating Performance Task. Note: Participation/Effort

grades cannot be used to lower students' scores due to student attendance or as a disciplinary action (**Bath Schools Grading Policy 08.221**). (New)

6. All classes will have an EOC Assessment/Performance Task at the end of the term. This assessment can be in the form of a test, project, essay, or event. The assessment will be cumulative, encompassing material from the whole semester/term.
7. All teachers will provide study materials to guide the review process for the EOC event. New instruction for assessment will be stopped at least one week before the EOC assessment is to be administered.
8. In addition to paper/pencil tests, summative assessments may be performance tasks such as; projects/products, demonstrations, writings, speaking, etc... which are to be evaluated with a rubric. This rubric will be provided to students before the assessment is administered.
9. Participation will be determined based on a scoring guide established by the teacher.
10. Students will not be allowed to retake an assessment, except at the discretion of the teacher. Students are strongly encouraged to give maximum effort on every assessment.
11. Appropriate practice or reinforcement activities are to be completed by the student, if it is determined that a retake is possible.
12. Retake assessments, if determined necessary by the teacher, will not be the exact same assessment administered in the same form for the initial assessment, but must assess the same learning targets.

Student Courses and Testing:

Course Selection:

Every spring, students already enrolled at Bath County High School will be provided a description of the courses that will be offered the next year at our school. Then, through the Guidance Counselors, students will be made aware of the required classes that must be in their schedule. Students will then complete a Program Planning Guide (P.P.G.) that will be used to generate student schedules for the next academic year. In order to generate schedules for incoming freshmen from Bath County Middle School, the guidance counselors and administration will set up dates for incoming freshmen to visit and tour the high school. Once this is complete the guidance counselors from the high school and possibly a team of teachers (one per department) in cooperation with the middle school Guidance Counselor will conduct next year scheduling and help eighth graders complete a P.P.G. All student requests for scheduling should be completed each year before the end of the school year to allow for next year scheduling.

Changing Schedules:

Once student schedules have been completed, the school will set up at least (2) schedule pick-up days prior to the start of school (during these two (2) days students can come to the school to review and change their schedules). At the start of the school year, students will be given an opportunity to change their schedules. Students will only be allowed to change their schedules to enroll in courses that they wanted to take, but didn't receive or to schedule a class they must have to graduate. The school will NOT make trivial changes to student schedules – this includes changing teachers, changing classes to be with friends, and other frivolous changes. Once the final schedule change date has been announced for the school year, no

schedules will be changed – regardless of any reasons stated by the students or parents. Students are advised to listen carefully to announcements to ensure changes needed in their schedule are made prior to the announced cut-off date. The school administration reserves the right to make schedule changes as needed.

Dates for Schedule Changes:

Monday, August 15th- Junior and Seniors- 3:15 pm to 5:00 pm

Tuesday, August 16th – Sophomores and Freshmen- 3:15 pm to 5:00 pm

Students that cannot stay after school can request schedule changes beginning Wednesday, August 17st before school and during break.

No schedule changes can be made after Friday, August 19, 2022 without written permission from the principal.

Course Sequencing:

All courses must be taken in the order that has been set up by the school. Students cannot take a higher-level course without first having passed all the prerequisite courses. Under extreme circumstances the principal and/or guidance counselors in cooperation with all appropriate teachers may allow students to take two (2) required classes in the same subject together if no other options will permit the student to graduate on time. (example: English classes must be taken in the appropriate order starting with English I, then English II, followed by English III, and then the appropriate level senior class (English IV, English 099/100, or English 100/200).

Honors Courses:

Bath County High School offers a variety of advanced courses at each grade level. A “Honors” is used to designate most of the accelerated courses that serve to provide in-depth challenges to students. Students must meet certain criteria to enroll in a “Honors” course. The availability of honors classes offered each school year may vary due to student enrollment and staffing allocations.

Dual Credit Courses:

Dual credit means that Bath High School and a corresponding college both award credits to a student for satisfactorily completing a course. Students taking college courses will be on a weighted grading scale as outlined in the Bath County High School SBDM Dual Credit/AP Course Grading Policy. Our school currently offers our students the opportunity to earn up to 40 Dual Credit courses through Morehead State University provided at no cost to our students. Students must meet the requirements set forth by MSU to enroll in these courses. See your counselor for more information. We are actively seeking to add additional Dual Credit Course Offerings with MSU, ECU, UNC, or any other state college. For more information regarding Dual Credit and AP Courses, see your guidance counselor.

Credit Recovery Program:

In a perfect world, all students would be on grade level and pass all the courses in which they are enrolled. When students fail classes, they become at risk of dropping out of school. The more credits failed, the greater the chances of dropping out of school. For these reasons, Bath County High School offers a credit recovery program using on-line curricula through our PAWS classes. Students who are behind on credits may request enrollment in Credit Recovery, if it is

available in order to regain grade level status. Credit recovery may be offered during or after the regular school day. Students enrolled in Credit Recovery must have permission from the guidance or vocational counselor and the principal. If a student enrolled in our credit recovery program recovers their lost credits before the end of the school year, but at a time that enrollment in another class is not possible, the student must begin work on an elective credit course or other instructional program approved by school administration.

Repeating Classes:

Students may not repeat a class previously passed to get additional credit unless the course description of that class specifically states that the course may be repeated for additional credit or if permission is granted by the school principal. Students who fail a class in the first semester may repeat that class in the second semester of that same year if the class is offered and space permits. Most of the courses that are offered at Bath County High School **cannot** be repeated once the student has earned a credit in that course. This includes ALL math, science, social studies, English, and arts and humanities courses. There are some courses offered such as Digital Video and Production, Drama, Yearbook, and Instrumental Music that can be repeated.

Student Support Services:

Guidance Counselors:

Guidance and vocational counselors are available to all students. Students should visit a guidance counselor if they need to talk to someone about a problem or issue, are having trouble with another student or teacher, need help with filling out scholarship applications, need assistance completing financial aid information, interpreting test scores, and numerous other needs. Get to know your counselors – they can be a great help to you throughout your school career!

Youth Service Center:

Youth Services Centers of the Bath County School District purpose is to help remove barriers that keep students from attending and learning in school. This is accomplished by providing services to students and families at the Center or referring to local community agencies.

Did you know that the Bath County High School Youth Services Center could assist the student with the following, if needed?

School Supplies	Job Applications
Basic Needs	Interviewing skills
Referrals to mental health counseling	Health Services Referrals
Referrals to substance abuse counseling	Finding Prom Attire
Dropout Prevention	Attendance Assistance
Resume' Building	

Did you know that the Bath County High School Youth Services Center offers or assists with bringing the following programs, assemblies and awareness programs on?

Suicide Prevention	Career & College Fair
Alcohol, Tobacco and Other Drugs Prevention	Child Abuse Prevention
Bullying Prevention	Health Fair
Breast Cancer Awareness	Parent Workshops
Health Issues	Safe Schools

If you need to get into contact with the Youth Services Center, please call 606.674.3078 or you can email Cindy.Kerns@bath.kyschools.us or Sandy.Harvey@Bath.Kyschools.us

The Youth Service Center has provided various information for students and parents regarding Social Media, Suicide Awareness and Prevention, and Needs Survey for Parents and Student that are found in this handbook under the section of "Miscellaneous Information" and "School Forms".

School Nurse:

Bath County High School has a school nurse that is available to service student's health-related needs. The nurse can administer first aid and issue medications. Students may make appointments to see the nurse during breaks, before school or after school. Students should be sent out of classes to the nurse only if an emergency is present. All students must have emergency contact information and appropriate consent forms on file with the nurse to receive treatment. The nurse's office is not a hang out place and should be thought of as a service provided to students when they are in need of medical attention. Students who have a medical reason for visiting the nurse frequently must have a medical statement on file with the office. Students who abuse the privilege of visiting the nurse will be reported to the administration by the nurse and the student will receive disciplinary consequences from the administration. Before a student can be dismissed to go to the nurse, the teacher must call the nurses office and let the nurse know that a student is coming. Visits to the nurse will be monitored by the nurse and students who are abusing this privilege will be reported to the principal or assistant principal. Students who are reported may lose their privilege to visit the nurse during class time because of the abuse of the privilege and can be given Lunch Detentions or assigned to ACP.

Prescription Medication:

Students who need to take prescription medications or over-the-counter medications during the school day must deliver the medication in the original pharmaceutical container with a note to the nurse prior to the start of the school day (a note should be included authorizing the nurse to administer the medication). Medications are not to be brought to school in zip lock bags or any other containers. The school nurse will administer all medications at the appropriate times during the day. No students shall be in possession of any medications including prescription drugs and over-the-counter drugs. Students who are caught in possession of any drug (prescription or over-the-counter) will be disciplined accordingly! In the unlikely event that the nurse is unavailable, the student should bring their prescription to the office immediately! Medications are not to be left over the summer and if left will be destroyed.

Library/Media Center:

Bath County High School offers our students and teachers a wealth of resources in our Library/Media Center. The Library/Media Center will be open from 7:45 a.m. - 3:45 p.m. each school day. The Library/Media Center is also open to students between classes, before school, and during afternoon breaks. During the school day, students may enter the library with a pass from a teacher stating the reason for library use. Students are required to sign in/out of the library at each visit. Students may not bring food or drink into the library. Students are required to follow the library rules and failure to abide by the rules will result in loss of library privileges. Report cards will be held if books are not returned or paid for at the end of each grading period.

Seniors with library obligations will not be allowed to participate in Senior Graduation Exercises or Senior Honors Night.

Textbooks:

Textbooks will be provided to all students free of charge in all courses that require a textbook. Textbooks are extremely expensive, so students should take good care of their textbooks and return them in the same shape they were issued. It is a student's responsibility to keep up with their textbooks. If a textbook is lost or stolen, the student that the textbook was issued to will have to pay for the book before a replacement textbook will be issued. Students who do NOT pay for lost or stolen textbooks will be ineligible for extra-curricular activities and all grades/credits for that student will be withheld until the textbook is paid for. Furthermore, the school may even hold a student's transcript if that student owes money for a lost or stolen textbook. Finally, seniors who owe money for lost or stolen textbooks will not be allowed to participate in graduation or any honors programs.

Free and Reduced Lunch Program:

Bath County High School wants to make sure that our students receive a nutritious breakfast and lunch every day. Our school is participating in the Community Eligibility Provision under the National School Lunch Program. Under CEP all students receive breakfast and lunch at no charge for the entire school year. However, to determine eligibility to receive additional benefits for your child(ren) you will need to complete a household and income form. **Return only one Household Income Form per household to one school in the Bath County School District when forms are sent home at the beginning of the school year.** Many state and federal programs use socioeconomic status (that is, household and income information) to determine eligibility for their programs. In addition, the primary state funding calculation uses socioeconomic status. By completing this form your school is able to determine eligibility for additional programs for which your child(ren) may qualify. There may be an additional cost for extra breakfast/lunch plates and/or extra individual food items.

Cafeteria Program:

Bath County High School provides our students and the staff a breakfast and lunch program each school day in the cafeteria. While students are in the cafeteria they must follow the rules listed below:

1. Students should show good manners and courtesy.
2. **All students and faculty and staff are** expected to enter and exit through appropriate doors.
3. Students are to stay in the cafeteria until their lunch period is over.
4. Students can only go to the bathroom during lunch with permission.
5. Students are to keep tables clean by returning trays and clearing tables of trash.
6. All food must be eaten in the cafeteria (unless otherwise allowed).
7. No textbooks or backpacks are to be taken through the serving lines.
8. No one is to be in the serving line that is not purchasing food.
9. Students are NOT allowed to order food from local restaurants during the regular school day or have

- parents/friends deliver food to the school.
10. A fee will be charged for additional servings or extra items

Bus Transportation:

School bus transportation is provided to all students living in the Bath County School District. To provide maximum safety to all transported students; you are to maintain a code of conduct when loading, unloading and riding the bus. Safety rules are posted in the front of each bus. Students must enter the school immediately upon arrival by bus. Also, in the afternoon students are required to remain seated in the classroom until the correct bell releasing you to board your bus is sounded. Since there are several bells to release students, any student leaving on the wrong bell will be reported by their teacher and will be punished accordingly.

Students are not allowed to get off the buses on the way to or from school unless a note is presented from a parent/guardian, and is signed by the principal or his/her designee. Students who want to ride a bus in the afternoon and get off in town to ride home with parents should also present a note to the driver which has been signed by both the parent and the school principal or his/her designee. All notes for students to ride a different bus or get off at a different location must be signed by a parent and include a telephone number, turned in to the front office by 1:00 PM, and then picked up after the afternoon announcements. (New) Any note turned in after that time will not be honored and the student must ride the bus home or be picked up. All notes will be verified by the principal or his/her designee and signed. This note must be shown to the driver when boarding the bus. Riding a school bus is not a right, but a privilege! Students who do not follow the rules for riding on the bus will be suspended from riding the bus. Because a student's actions on a school bus may endanger the lives of other students and the driver, misconducts on school buses will be dealt with more harshly than similar actions at school.

Bus Notes:

Students must ride the bus they are assigned to ride. If a student must ride a different bus, permission must be granted by the office/administration. If a student must ride a different bus, the student must turn in a note to do so. **Bus notes must be turned in by 8:45 a.m. and can NOT be accepted after 1:00 p.m. in the afternoon. Notes are to be submitted in a folder located outside of the front office. The purpose of this change is to reduce congestion in the front office. We can NOT accept bus notes over the phone, all bus notes must be submitted in writing. The bus note must provide a parent signature and must have the contact information needed to verify the note.** The note will be signed by office staff once verified and can be picked up at the end of the school day as the student leaves the building on their appropriate bus bell.

School Assemblies:

Assemblies may sometimes be scheduled during the school day. The schedule for the day may be altered, depending on the time and location of the program. Students are expected to go to the assembly with their assigned teacher and sit as a group with that class unless the administration announces differently. During the assembly all students shall behave in a

manner appropriate to the activity. Talking is not acceptable during a speech, performance or club function. Students are expected to show school spirit during pep rallies, but throwing objects and horseplay are not allowed.

Homebound Services:

Students who have a medical statement that prevents them from attending school can apply for homebound instruction. All homebound requests must be submitted to the homebound coordinator at Bath County Board of Education or to the high school Guidance Counselor. Students who are granted homebound instruction will be assigned a homebound instructor. A student on homebound instruction will remain on iCampus and will be left scheduled in their regular classes. The homebound teacher will then work with the student's regular teacher on a weekly basis.

When students are on homebound they should not necessarily be expected to complete each and every assignment missed in their regular classes (there will be some students who will be able to do all work, but this will not be expected of all homebound students). The regular teacher, with input from the homebound teacher, shall modify the number of assignments to be completed to ensure that students are not overwhelmed by any one course. The purpose of homebound instruction shall be to keep the homebound student as caught up as possible in all their classes without causing undue stress that might worsen a student's medical condition. The homebound teacher will provide a minimum of 2 hours of instruction per week. When a student on homebound completes an assignment, the homebound teacher shall submit the assignment to the regular teacher for grading. This will be done weekly in a timely manner. Only assignments submitted to the regular teacher by the homebound teacher for grading are to be graded and any other missing work cannot be counted against the homebound student. Any final grades for homebound students shall be decided through consensus of both the regular and homebound teacher. In the event that consensus cannot be reached, it will be referred to the principal for a final decision. Due to school liability and student health risks, a student on homebound cannot attend prom or other school events. If a student on homebound wants to participate in the graduation ceremony, he/she must submit documentation from their doctor that states they are able to participate in the activity.

Early Intervention Program:

Bath County High School does not tolerate student use or possession of tobacco, drugs, or alcohol. Students caught using or possessing tobacco, drugs, or alcohol will receive the maximum consequences possible. At the same time, we do not want one mistake by a student to jeopardize their whole year's work. Furthermore, first-time offenders need to understand the impact of their actions on their lives. For these reasons first-time drug, alcohol, and tobacco offenders (other than use and trafficking) **may** be allowed to participate in a diversion program called the Early Intervention Program. Students must complete the program with their parents, and once completed any disciplinary consequences for the drug, alcohol, or tobacco offense may be waived. See the principal for more information.

Announcements:

Any announcements that need to be made to the entire school will be made either in the mornings or at the end of the school day. The intercom will not be used during the school day unless there is an emergency. Teachers or students needing to have an announcement made should submit the announcement in writing to the office each morning before school starts.

During announcements, students shall be quiet and listen. Students who fail to listen to announcements shall be subject to disciplinary consequences. Most of the communication with the school will be done through the daily video announcements and all staff shall use this as the main mode for communication with students.

Lost and Found Service:

If you find something that doesn't belong to you, please bring it to the YSC. If you lose something, please check with the office to see if it has been found. Any item found that is not picked up by the end of each grading quarter will be thrown away. The school is in no way liable or responsible for items that are brought to school and are lost, misplaced, stolen, or damaged. Students are advised to only bring the classroom materials and supplies that they need – leaving any other item(s) at home.

Vending Machines and School Store:

The snack vending machines are owned and operated by the high school and revenues raised through them serve to support as many student services as possible. Snack and soft drink vending machines are available throughout the building for students to buy soft drinks and snacks each day during afternoon breaks and after school. Students must eat and drink all food and soft drinks before they return to class. **No food or drinks (with exception of water in approved containers) are allowed in any classrooms.** All trash must be disposed of properly! The vending machines can and WILL be turned off if students do not follow the basic rules outlined above. Issues with the vending machines need to be reported to the front office. BCHS is very excited to open our school store again during our break time. Students and Faculty/Staff are welcome to come in during that time to purchase various items on sale created by our various student industries and programs and/or various snacks and drinks.

Open House/Title I Parent Meeting:

In an effort to communicate with the parents/guardians of our students at the high school, we will conduct an annual "back-to-school" open house (one per school year). The open house will be scheduled by the administration and announced on the radio and advertised in the newspaper. The open house will allow parents and teachers a chance to meet and to talk to each other about a student's progress at school (especially difficulties). This will hopefully help to encourage communication especially for students who may become in danger of failing in the class. All teachers are required to attend the scheduled open house. All students, their parents/guardians, and their families are invited to attend.

Parent/Teacher Conferences:

When students are not passing a course or when consistent behavior problems are occurring, teachers will request a Parent-Teacher-Student Conference through a Guidance Counselor. Most problems can be solved by simply discussing the problem with all those involved. Teachers will always make a valiant effort to meet with parents and attempt to solve as many problems as possible – this improves classroom discipline and helps to keep a good relationship with the community! Parent-Teacher-Student Conferences shall be done face-to-face. Parents are encouraged to ask for Parent-Teacher-Student conferences as well. If a parent/guardian feels that their child is falling behind in a class or not performing well, the parent/guardian can set up a Parent-Teacher-Student conference by calling a Guidance Counselor at 674-6058 between the hours of 8:00 am and 4:00 pm, Monday thru Friday.

Honors Board:

On the first floor near the cafeteria is a bulletin board that has been set up to recognize students for their academic accomplishments. Each subject will be asked to recognize a student on a regular basis. Dates will be assigned to teachers for using the Honors Board. When recognizing a student for their academic achievements, teachers will include a picture of the student, sample work (graded), a short biography, and sample assessments (graded). Teachers must acquire student permission in order to place the student on the Honors Board. Students who are placed on the Honors Board will receive a reward from the school in recognition of their accomplishments. A student can only be recognized on the Honors Board one time per year by the school for their accomplishments. In order for a student to receive their reward the teacher recognizing a student must submit to the Librarian. We are excited to share that the Citizens Bank will be sponsoring a \$25 gift card for every Honor's Board Student in recognition of their accomplishment!

Club Days/Meetings:

Approximately once each month (six times minimum for the school year), our school will have a "Club Day". On "Club Days", classes will be held as usual but teachers will be asked to not cover new material (thus all material missed if a student is out of class will be reviewed and easily made up). Each club will be called out for at least thirty (30) minutes. On "Club Days" different clubs will meet each period (1st, 2nd, 3rd, 6th, 7th, and 8th) . The meeting times and locations will be announced to all students during the first month of school.

GEAR UP:

GEAR UP Kentucky is a competitive federal grant program designed to increase the college-going rate. Bath County has been selected as one of 12 districts to participate in this grant program. Our GEAR UP, as well as their students and families and surrounding communities, to research, identify and test strategies for reproducing a sustainable college-going culture. Our Bath County Schools GEAR UP Coordinator will be working primarily with our senior class during the 2019-20 school year.

Services are aligned to the Four Pillars of Student Success, a theoretical framework used to engage, develop and mobilize students and their key influencers in pursuit of student success. 1) **Self:** Curriculum; advising and assessments; campus experiences; and leadership development; 2) **Family:** Curriculum; advising and support; campus experiences; and leadership development; 3) **Institution:** Technology and assessments; peer learning community; professional development; and leadership development; and 4) **Community:** Communication campaign; statewide institute; partnership development; and leadership development.

School Sponsored Events and Student Privileges:

Conduct at School Events:

All students, faculty, and staff are to conduct themselves in an appropriate manner at all school events and should be especially careful not to create disturbances that might negatively reflect on the good name of the school or the reputation of the student body. Students are to remember that, regardless of where they are, in the public eye they are representatives of Bath County High School. Students should accept this responsibility with pride and conduct themselves as worthy representatives of the school. All school policies and disciplinary actions will apply to students at school-sponsored events, both home and away.

Parking Privilege Rules:

Students who meet the criteria that follows for parking and who wish to apply for parking privileges must provide the office with a valid Kentucky driver's license, proof of insurance, registration and information about the vehicle to be driven (license plate number of the vehicle to be driven). Eligible students must complete all required forms, providing all information requested, and return them to the office prior to a parking permit being issued. Failure to do so will result in removal of the student from consideration for a parking permit. Students who are approved for parking permits must pay \$30.00 for a semester (only applies to students who want to start driving in the second semester) or \$30.00 for the year. Funds received for student privileges shall be used to fund student activities throughout the year.

Students who drive to school without a parking permit will be towed at the owner's expense without warning. Attendance rules and policies governing parking permits will be enforced. Students who drive to school must obey the following rules:

1. All drivers SHALL immediately enter the building when they arrive at school. Students who loiter in the parking lot will lose their parking privileges for one grading quarter for each occurrence (no warning is required).
2. Students are NOT allowed to go to their cars during the school day for any reason unless given permission by the principal or assistant principal. Any student caught in the parking lot or in their car during the school day will lose their parking privileges for one grading quarter.
3. Students SHALL obey all speed limits posted around the school and drive in a safe manner. Any student who drives recklessly, speeds, guns their engine in a loud or annoying manner, or plays their music loud will lose their parking privileges for a minimum of one grading quarter or shall be issued a fine.
4. All students SHALL Park ONLY in designated student parking areas. Students who park in the designated staff lot will be subject to towing at the owner's expense without warning and lose any parking privileges they might have for one grading quarter.
5. The assigned parking permit tag SHALL be displayed on the rearview mirror of the vehicle at all times. Failure to display the tag may result in the vehicle being towed at the owner's expense or a fine shall be issued.
6. Students parking out of their assigned parking space shall lose their parking permit for one grading quarter on the first offense and if a second offense should occur will result in a loss of the privilege for a semester. A fine may be issued in lieu of permit suspension.
7. Any vehicle entering the parking area of Bath County High School is subject to search by school authorities and law enforcement personnel working with them. Such a search may be conducted for any reasonable purpose without a warrant being obtained. Search of the vehicle includes all compartments and components thereof. Once a search begins, the person in control of the vehicle will not be permitted to remove it from the premises during the reasonable duration of the search.
8. Students are not allowed to drive to the Vocational School or to Owingsville Elementary School for CSL courses. If a car is to be worked on at the Vocational School, it may be

driven there only if prior written permission is obtained from the Bath County High School Principal or Assistant Principal.

9. Students who leave the school grounds without permission in an automobile or allow others to leave without permission while driving their car will lose their driving privileges for one semester. **Students observed driving the wrong way out of the parking areas will be assigned a fine or will lose their driving privileges for two week** for the first offense. (Fine and the length of suspension of this privilege will increase with more offenses).
10. I understand my parking permit can be revoked at any time at administrator discretion.

* Students driving a different vehicle than the one registered in the office must notify the office upon arrival to school to prevent towing. Failure to do so by the student may result in a towed vehicle.

Parking Eligibility:

Bath County High School provides a student parking area at the rear of the main building beside the gymnasium. Students may request parking privileges at any time during the year. To be eligible to receive a parking permit, students must pay \$30.00 and meet all of the following criteria:

1. be a BCHS Student in good standing;
2. maintain a 2.0 cumulative GPA*; and
3. keep satisfactory attendance** in the current school year.

* Students who do not have the minimum 2.0 GPA. will be issued a permit, but the cost will be \$40.00

** Any student who is referred to the DPP for attendance issues shall be declared as having unsatisfactory attendance and shall have their parking privileges revoked. No refund of any money shall be given.

Violations of Parking/Driving Rules:

Students who fail to obey the rules for driving and parking on the Bath County High School premises as outlined on the previous page under "Parking Rules" will be subject to fines and or consequences. If a vehicle is towed from school property, it is done so at the owner's expense.

Minor Parking Infractions Consequences:

Minor parking offenses include the following: failure to display a parking tag, parking in a wrong area, failure to stop at a stop sign, loud stereo, sitting in a vehicle after arriving on campus, smoking in a vehicle while on campus, going to vehicle during the school day without permission, and parking in the grass.

First Offense	\$10 Parking Fine or One Week Parking Suspension (5 School Days)
Second Offense	\$20 Parking Fine or Two Week Parking Suspension (10 School Days)
Subsequent Offenses	\$40 Parking Fine or One Month Parking Suspension (20 School Days)

Major Parking Infractions Consequences:

Major parking offenses include the following: speeding, reckless driving, illegal take-off (squealing tires), excessively loud stereo, driving the wrong way on campus between the hours of 7:15 am and 4:15 pm, loud gunning/revving of engine, driving through the grass, illegal passing of another vehicle while driving on campus, use of vehicle and driving privileges to skip school, parking on campus during a parking suspension, and assisting another student in skipping school using a vehicle parked on school premises.

First Offense	\$20 Parking Fine or Two Week Parking Suspension (10 School Days)
Second Offense	\$40 Parking Fine or One Month Parking Suspension (20 School Days)
Subsequent Offense	Loss of Parking Privileges for the Rest of the School Year

When a student's parking privileges have been suspended, the student must give their parking permit to the principal or assistant principal. During parking suspensions, students are not allowed to drive or park on campus during the suspension time. This includes all Bath County Schools property at Owingsville Elementary School, Bath County Middle School, the Bus Garage, and the Bath County Board of Education. Students who park on the Bath County School property during a suspension will be towed immediately without warning and at the owner's expense and receive harsher consequences as outlined above. **WE WILL NOT ACCEPT ANY COINS FOR PARKING VIOLATIONS. YOU MUST BRING IN A CHECK OR CASH ONLY.**

Dances: **NEW**

Bath County High School will hold at least two (2) dances each year (Homecoming and the Junior/Senior Prom). All dances are sponsored by the classes. All advisors for the sponsoring classes are responsible for advertising the dance, organizing the dance, decorating the gym for the dance, and cleaning up after the dance. The cost to attend the Homecoming Dance and Prom is to be determined by the school administration. The dates for our Homecoming Dance and Prom are as follows:

Dance:	Date:	Time:	Sponsor:
Homecoming Dance	Sept. 23, 2023	7:00 pm – 10:00 pm	Freshmen/Sophomores
Junior/Senior Prom	April 27, 2024	8:00 pm – 11:00 pm	Juniors/Seniors

Student Dance Eligibility Requirements: **NEW**

Only Bath County High School students and their guests will be eligible to attend the dances. All eligible students 9-12 can attend the Homecoming and other school sponsored dances. Only eligible juniors and seniors can attend Prom. Middle school students, students attending an alternative school (excludes GSA), and the children (including babies) of BCHS students or their guests are not permitted to attend any high school dances. All students who fail to meet any one of the following criteria will not be permitted to attend a BCHS school dance unless approved by the school principal:

1. no more than five (5) days of out-of-school suspensions in the current school year,
2. no more than a ten (10) day placement at SCA for behavior;
2. no more than ten (10) days in the ACP Program in the current year,
3. no more than six (6) unexcused absences

On the day that dance tickets are to be sold, the head sponsor of the dance will work with the administration and/or counselors to check the eligibility for all students at Bath County High School and compile an "Ineligibility List". The "Ineligibility List" will be used to ensure that only students eligible to attend the dance can purchase a ticket. Also, any person planning to attend the dance that is not a Bath County High School student must acquire permission from the administration (see guest criteria below).

Guest to BCHS Dances: (NEW)

An application request to attend BCHS dances must be completed by the BCHS student or their guest and the request must be submitted to the dance sponsor for approval by the administration at least five (5) days prior to the event. Guests eighteen (18) years old or older will be required to submit to a criminal background check and guests that are students at other high schools must grant permission for the school administration to receive their attendance and discipline records in order to make decisions regarding approval. Home school students under the age of 18 are not eligible to attend dances. Guests that are students at other high schools must meet the criteria outlined above for Bath County High School students. Non-students eighteen (18) years old or older must have a clear criminal background or receive a waiver form from the school principal. A waiver may be granted if the guest is a recent graduate of our

school and is familiar to the high school administration. Guests over the age of 20 years old are prohibited from attending school dances. Dates to BCHS dances with a felony criminal background or more than three (3) misdemeanor convictions are ineligible to attend. Background checks must be completed before every dance. Ticket sales will not go past the last day of sales. Administration reserves the right to deny attendance based upon the results of a background check.

Alcohol and Drug Screening for School Dances:

All students and their guests are expected to behave in a manner appropriate for the occasion. All students are expected to wear attire appropriate for the occasion. Furthermore, to deter drinking before arrival at any school sponsored dance, all students will be checked as they enter the premises using a breathalyzer and a metal detector. Students who refuse will not be allowed to enter and the police will be called on any student who blows above 0.00 due to reasonable suspicion. If the police confirm the student to be under the influence, the student will not be permitted to enter the dance and will be disciplined according to the BCHS student code of conduct. Note: The BCHS Administration reserves the right to conduct drug and/or alcohol screenings during any school dance and/or school sponsored event.

Educational Field Trips:

Field Trips will occasionally be scheduled to help students better understand the concepts that they are learning. When field trips are scheduled, they will not be scheduled during the final week of each grading quarter. Only field trips that have a direct relationship on the concepts being taught in a course will be allowed. The principal must approve all field trip requests. Board policy requires that all schools must pay a fee per mile for all field trips. Because of this expense, students may be required to pay a small fee to go on fieldtrips. Only students in good standing (with student privileges) can attend field trips.

Available Clubs and Organizations:

It is very important that all students be involved in school. Research shows that the more students are involved the more successful they will be in school. For this reason, our school makes available numerous clubs and organizations for students to join. Bath County High School offers the following clubs and organizations: Beta Club, F.B.L.A. (Future Business Leaders of America), F.C.A. (Fellowship of Christian Athletes), T.S.A. (Technology Students Association), F.F.A. (Future Farmers of America), Art Club, F.C.C.L.A. (Family, Career and Community Leaders of America), STLP (Student Technology Leadership Program), Strategic Gaming Club, Student Government Association(SGA), Skills USA, Pep Club, and HOSA (Health Occupations Students of America). *Other clubs may be offered.

Beta Club Eligibility:

In order for a student to be inducted into the Beta Club they must meet certain criteria. Juniors must have a 3.5 cumulative GPA to be eligible for induction into Beta Club. Induction is also conditional on a student's disciplinary record and attendance records. Students who have more than six (6) unexcused absences in the current school year or who have received disciplinary punishment of out-of-school suspension, during any portion of their enrollment in BCHS exceeding a total of 5 days, will not be eligible for induction into the Beta Club. All students who meet Beta Club eligibility for induction must also be approved by the faculty. In order to stay in Beta Club, students must maintain a 3.5 GPA, receive no F's, receive no out-of-school suspensions, and earn 100 total service points per year based on various Beta Club activities.

Student Dress Code:

Dress Code (Appropriate Clothing): **NEW**

Student Dress Code:

In order to maintain an appropriate learning environment for Bath County High School, a standard dress code policy has been established for students. Students are expected to dress in clothing appropriate for the season and for the school setting or activity in which they are present. Students violating the policy will be required to obtain suitable clothing and may be subject to disciplinary action. **The administration reserves the right to disallow any clothing it deems unsuitable and that disrupts the learning process.** All policies pertain to both male and female students. Any student wearing clothing that is deemed to be inappropriate or disruptive to the learning environment will be asked to change or cover up objectionable clothing. Students will be sent to the YSC to find appropriate clothing. If appropriate clothing is not available for the student, parents will be called to provide appropriate clothing to the student or he/she will be sent home to change. Students going home to change must follow the sign-out procedure and the time away from school will count against a student's attendance.

Hats, toboggans, hoods, extremely unusual non-prescription contacts, bandanas, and sunglasses are not allowed to be worn. **Head coverings/wraps are allowed if they are used for the purpose of holding hair back. Earbuds and headphones must be put away at times when electronic devices are not allowed to be used. Hats can be visible as long as they are not on the student's head. Blankets are not allowed.**

No clothing or accessories (i.e. bracelets, backpacks, notebooks, belts and/or buckles) are to be worn that state, imply, or promote obscene language, tobacco, drug, and/ or alcohol use, sexually suggestive slogans and/ or depictions, racial, violent, gang-related, or socially offensive images or language. This includes the following: Rebel Flags; Promotion of organization or businesses that promote above mentioned topics (ex. Playboy, Hooters, etc...). No jewelry or accessories that have chains any longer than a normal necklace. (NOTE: We will allow shirts that display a bow or gun as long as it is not the primary focus of the shirt and does not promote violence (ex. Bass Pro Shops shirt that promotes hunting with a small display of a gun).

Accessories (spikes, dog collars, etc.) that may be used as a weapon or piercings that are deemed a safety hazard are not permitted. Students with tattoos, body art, or other accessories that violate the provisions described for clothing must be covered at all times of the school day. **Students with hickeys on their neck or body may be asked to cover them up with a bandage or an article of clothing.**

Clothing that exposes underwear or the body, including, but not limited to, cleavage and the midriff, low rider pants, tops with spaghetti straps, strapless tops, halter tops, open back shirts or dresses, muscle shirts, tank tops, mesh shirts, (tops must be at least 3 inches width across both shoulders) may not be worn. Tops must meet the pants/shorts/skirts with no skin showing at the midriff when asked to raise your arms. **Shirts that are cut off at the sleeves and expose any skin below the armpit cannot be worn.** See-through or mesh shirts, tops, dresses, slacks, or shorts are not to be worn unless they are worn over other clothing that meets.

Clothing that is excessively revealing, extremely tight fitting, or that attracts undue attention may not be worn. Spandex pants, leggings, jeggings, yoga pants, and tights may not be worn without an appropriate dress, sweater, or top **that covers the front and the back.**

Shorts, dresses, and skirts that are shorter in length than the mid-thigh are not permitted. A good rule of thumb is 5 inches from the center of the knee. Pants or shorts that contain holes or slits above the 5 inch

rule are not to be worn. **If holes are higher than 5 inches above the middle of the knee, they must be covered up with some type of material like tape.**

Shoes must be worn at all times.

It must be understood that when dealing with dress code every student's unique size and shape is a factor in determining the appropriateness of the attire. For example, a shirt worn by one girl may not be appropriate on another or a pair of shorts may meet the length requirement for a boy but not another. Please understand that the enforcement of student dress code is not for the purpose of hurting or controlling our students. It is for the purpose of eliminating potential issues that could affect the learning environment of our school. This includes bullying and inappropriate comments.

Recommendations: Students should wear shorts underneath dresses so that their underwear is not seen as they walk up stairs.

Excessive Cleavage can be anything over three inches exposed when a student takes their chin to the neck.

**When in doubt as to whether an outfit is school appropriate, use the following as your guide:
No belly, no back, no cleavage, and no crack!**

Consequences for Dress Code Violations:

Students who violate the dress code will be provided a change of clothing from the office (if available). Any items worn that do not meet dress code will be immediately confiscated from students and returned to the student at the end of the day if it is a first offense. Upon second confiscation, item(s) will be held until the last day of school and returned to the student upon request.

The student violating the dress code will be required to change clothes and students who do not change clothing will be placed in ACP. **Students who violate the dress code will first receive a warning and will then be assigned one (1) lunch detention for each following violation.** After **three** violations the student will be placed in ACP for one (1) day, further violations will result in three (3) days ACP assignment and a mandatory parent conference. If a student refuses to change, they will be subject to additional disciplinary action. Determination of appropriate dress/attire will be left up to the administration.

(NEW)

Any student that comes to school out of dress code will receive a card to report to the YSC for a change of clothes. Once the student has changed his/her clothing the student will report to the office and bring back the card to the secretary. The dress code offense will be documented and the consequences for dress code violations will be followed. Dress code will be checked throughout the school day. Students must adhere to the dress code policy throughout the entire school day.

School Attendance Policies:

Class Tardy (Definition):

Once a student arrives at school, they are expected to be in each class by the designated time. All students are given 5 minutes passing between classes; this is ample time to walk from one class to another. When a student fails to be inside the appropriate classroom door and seated when the tardy bell for that class rings they are considered to be tardy for that class. Teachers will assign lunch detentions and/or ACP to students who have unexcused tardies to class. Students are expected to be in class and

seated when the tardy bell rings each period. Students who are tardy to class must sign the Classroom Tardy Log for that class. Also, the bell system is not the authority in the school, the bell doesn't dismiss class, the teacher does! Classroom tardies will be logged and maintained by each classroom teacher in a notebook log (Classroom Log).

Consequences for Being Tardy to Class:

All students are expected to be in class on time. Students who are late to class must sign the tardy log for that class. Bath County High School has a school-wide tardy policy that is strictly enforced by the administration and the faculty. The tardy policy for each semester is as follows:

First Unexcused Tardy	One (1) Lunch Detention (minimum of ten minutes)
Second Unexcused Tardy	Three (3) Lunch Detentions (minimum of ten minutes each)
Additional Unexcused Tardies	Office Referral for One (1) Day ACP & Parent Notification

At the beginning of each quarter, students get a clean slate. Lunch Detentions will be held every day during lunch in the concession stand lobby by the assistant principal or his/her designee. Students who fail to show up for their assigned Lunch Detention(s) will receive double assignments of days. Students who fail to serve double assigned Lunch Detentions will be assigned one (1) full day of ACP. After a student accumulates two (2) unexcused tardies, each subsequent tardy will result in automatic assignment of one (1) full day of ACP per tardy.

School Tardy (Definition) and Consequences for School Tardies:

A student is considered tardy for school when they arrive at First Period after the start of a school day (after 8:05 am) or leave from school early (after 2:25 pm). These tardies accumulate and result in a student losing certain privileges and possibly going to court. Students who are tardy to school must immediately report to the office and sign-in in the appropriate log. As outlined by KRS 159.150 and board policy 09.123, only six (6) of the tardies committed by any student are excused with a parent note and any other tardies must have a valid reason (i.e. medical appointment, death in the immediate family, court appearance). All notes to excuse a tardy must be presented to the office in order for the late arrival or early release (tardy to school) to be excused. If a student doesn't provide appropriate notes, the tardy will be unexcused and the student will be assigned lunch detention for each unexcused tardy. Students who are frequently tardy to school (more than six (6) unexcused times) are considered truant and will lose certain privileges at school as outlined by school policy. Students will receive a lunch detention for unexcused tardies to school up to six (6). After six (6) unexcused tardies to school the be placed on a restricted student privilege contract.

Attendance Policy (Expectations):

When a student is absent from school, no learning occurs and even if the missed work is made up, the instruction cannot be made up. Furthermore, when a student is absent from school it reduces the funding that our school receives from the KDE. With the financial difficulties that all schools are experiencing, great attendance is an important key in the financial stability of our schools and a key to the quality of instruction our school can provide. The administration, faculty, and staff at Bath County High School expect all students and teachers to be present every day! All students at Bath County High School are expected to attend school on a regular basis in order to benefit from the instructional program provided. We want our students to develop desirable traits of punctuality, self-discipline, and responsibility. Students with poor attendance typically do poorly in school and most high school dropouts quit school due to a lack of achievement that resulted from poor attendance. Students who have good attendance usually excel in school, have higher grades, and enjoy school.

Parent Notification:

When a student is absent from school, a One Call notification or personal phone call will be made by the designated school attendance clerk to verify that the student is supposed to be absent and inquire as to

why the student is absent. We do this to make sure that students are not skipping school and to communicate with parents about student attendance and possible consequences of truancy.

Excused Absences:

When a student is absent from school the absence will either be recorded as excused or unexcused. As outlined by KRS 159.150 and Board Policy 09.123, the school will allot six (6) parent notes each school year to excuse student absences. Recognized excused absences are as follows:

1. Personal illness* without a doctor's visit (up to six per school year with a parent note)
2. medical/dental/vision appointment (documentation is required from a physician),
3. death in the immediate family**, (funeral notice is required as documentation)
4. school activities (documentation will be provided by the school),
5. Driver's Test (a copy of the student's newly received Driver's License will serve as documentation and only a ½ day absence will be allowed one time during a student's four-year school career),
6. Permit Test (a copy of the student's newly received Permit to Drive will serve as documentation and only a ½ day absence will be allowed one time during a student's four-year school career),
7. court appearance (written documentation from the court is required), and
8. emergencies declared by the principal and pre-approved (the principal will provide the documentation for emergency absences through a written note to the attendance officer). When a student or parent needs to request an emergency principal's note, the parent or student must get pre-approved written permission from the principal PRIOR to the absence. A maximum of two (2) emergency principal's notes can be given per school year to each student.

Turning-In Attendance Notes:

All Attendance Notes should be submitted to a folder located near the front office. All students have five (5) days to provide the documentation that is necessary to excuse an absence upon return to school. After the five days, the absence(s) will be considered unexcused and permanently recorded as unexcused (this applies to Prom Eligibility restrictions as well).

* Students with chronic or recurring personal illnesses or family illnesses are required to have a doctor's note on file with the school. Students with excessive absences due to illness who also have a request from a physician may be placed on homebound.

** Immediate family is defined by Bath County High School as mother, father, brother, sister, grandparent, aunt, uncle, close cousin (first, second, or third), mother-in-law, father-in-law, brother-in-law, sister-in-law, and legal guardian.

Parent Notes:

When a student is absent, the school requires that a written excuse from the parent/guardian of a student be provided to the office as soon as the student returns to school. All students at Bath County High School are allowed six (6) absences per school year that can be excused by a parent note. All absences beyond six (6) and all tardies beyond six (6) will be considered unexcused unless the absence or tardy is verified by a medical statement, court order, driver's test, permit test, death in the immediate family, doctor's appointment, or **pre-approved** emergency principal's excuse. All parental notes for tardies should be turned in upon arrival to school or dismissal from school – furthermore notes for tardies must be turned in within five (5) school days. All parental notes for absences must be turned in to the office within five (5) days upon return to school and must include the following:

1. Date the note is written
2. Student's full name (first and last)
3. Date of absence
4. Reason for the absence
5. Signature of parent/ guardian
6. Contact phone number (day and evening)

It is the parent's responsibility to indicate the reason for the absence(s) and the school will excuse the first six (6) parent notes regardless of the reason given. Once a student has used all of their parent

notes, a student will need administrator permission to leave school for any reason. All notes to leave will be verified, doctor's appointments will be verified, and every attempt will be made to ensure the student does not receive an unexcused absence. If a student or parent does not turn in a parent note for an absence and any of the six (6) allowable parent notes are available, the school will issue a parent note by default. A sample Parent Note is shown below...

August 16, 2023	
To Whom It May Concern,	
Please excuse my son Joe Smith, a freshman at Bath County High School, for his absence on August 15, 2019. He was unable to attend school due to an illness.	
	Sincerely,
	<i>Bob Smith</i>

Emergency Principal Excuses:

When a student has used all of their six (6) parent notes, Bath County High School will not accept any parent notes for absences beyond the six (6) and these absences will be recorded as unexcused. If an emergency does occur and a student has used all parent notes, a student can request up to two (2) emergency principal's excuses. **However, all emergency principal's excuses MUST be APPROVED no later than the day the student returns to school after the emergency.** In other words, if a student is to receive an emergency principal's excuse, the student and/or parent/guardian must communicate with the principal on the date of the absence or immediately after before an emergency principal's excuse will be issued. No emergency principal's excuses will be issued to a student if a request is made after the absence has already been locked as unexcused. Communication can occur via telephone, personal conversation, email, or written request as long as the communication occurs on or before the date of the absence. The principal shall have the authority to grant a maximum of two (2) emergency principal's excuses per student per school year.

Nurse Excuses:

Bath County High School is staffed with a licensed nurse during the school day. The nurse is available to administer basic medical needs to our students and staff. If a student is sick and the nurse determines that a student is unable to stay at school due to sickness, the nurse may send a student home and issue an excuse from the nurse's station. The nurse will be allowed to send a student home with an excuse from her office only once per semester (twice per school year). If the nurse sends a student home more than once in a semester the student must use a parent note to excuse the absence or go to the doctor for a medical excuse. Also, unless there is a medical condition, students are restricted to 3 (three) nurse visits per grading quarter. Students who exceed the allotted visits will be referred to the principal.

Attendance Incentives:

Attendance will be a major focus of the Bath County School System this year. In order to improve our school's attendance percentage our school will work with local businesses to set up an attendance incentive program to reward students who have good attendance in school. Rewards will be set up on a monthly basis and depending on local business contributions and funding, the school will try to reward students who have good attendance in a variety of ways including, cash drawings, gift card drawings, free merchandise, and other similar awards.

Unexcused Absences:

An absence or school tardy that is not excused is considered unexcused. Anything that is not recognized by Bath County High School as excused is considered to be unexcused. This includes, but is not limited to skipping school, shopping, vacation, work, car trouble, traffic jams, etc. Students who skip school place themselves in danger and place the Bath County Board of Education in legal jeopardy. Skipping school is a serious offense and students who skip school will be subject to the maximum consequences allowable by the school. Under state law, students who skip school for three days or more are considered truant.

Consequences for Unexcused Absences:

<u>Unexcused Absence Events</u>	<u>Consequence</u>
First Unexcused Absence	Documented warning from school attendance officer
Second Unexcused Absence	Student Conference and/or parent contact from classroom teacher
Third Unexcused Absence and Beyond	Attendance Contract, and Documented Meeting with YSC, and Referral to the Truancy Diversion Program (students under the age of 18)
Fourth Unexcused Absence	Documented conference with school guidance counselor and/or mental health provider
Fifth Unexcused Absence	Documented conference with school administration
Sixth Unexcused Absence	Referral to DPP for Habitual Truancy, Request Home Visit, and Suspension of Student Privileges

Once a student has been referred to the DPP for habitual truancy, the student's privileges will be revoked and the student will also be suspended from participation in all school events, activities, field trips, and clubs; in other words the student will not be able to participate in any school related activities or events including the following: Prom, senior events, all field trips, dances, parking, extra-curricular activities (including sports), co-curricular activities (including all school clubs and Beta Club), and the student cannot hold any office (class office or club office). Any dues or fees paid by a student or money spent to belong or participate in any events, clubs, or sports lost due to habitual truancy will not be refunded by the school and the money will be forfeited by the student and parent/guardian. In summary, the consequences for poor student attendance at Bath County High School are as follows:

Habitual Truancy (HB 72 and KRS 159.150):

By law, any student who has been absent from school for three days, or who has been tardy to school on three days without a valid excuse, is truant. Any student who is reported as truant more than two times is a habitual truant. Habitual truant students and their parents are legally liable under KRS 159.150 and HB 72 and shall be referred to the courts by school personnel for noncompliance. Students who have accumulated more than six (6) unexcused absences shall be referred to the DPP for court referral. Any parent, guardian, custodian, or student of age eighteen or older who intentionally fails to comply with KRS 159.150 shall be fined one hundred dollars (\$100) for the first offense, two-hundred fifty dollars (\$250) for the second offense, and each subsequent offense shall be classified as a Class B misdemeanor and adjudicated in the courts.

Procedure to Request Reinstatement of Student Privileges (Attendance):

Any student that has had their student privileges removed due to truancy can request in writing for the reinstatement of their privileges. The school administration will establish the provisions that the student must adhere to in order to regain their privileges. The student and parent must sign and uphold an Attendance Contract /Behavior Contract for Reinstatement of Student Privileges before student privileges can be reinstated.

Attendance Requirements for Receiving Course Credits:

Student attendance is directly related to student achievement and future success. A trait that is embedded in all successful people is punctuality and good attendance. Bath County High School wants each of our graduates to learn the traits of good attendance, hard work, and being punctual. Bath County High School follows all laws and Kentucky Revised Statutes related to maintaining satisfactory student attendance. For these reasons our school uses the traditional Carnegie Hour System as a requirement for a student to receive credit in a course. Therefore, students must be present for at least 75% of the class time for a semester/year. In order to receive credit, a student cannot miss more than 25% of the time a class has met. An easy way to think about this is if there are 170 days of school and a student is in a yearlong class, the student must be present for 128 days in order to be able to receive credit, so if the student misses more than 42 total days of school they must make up the days in summer school (if possible) or they do not receive credit for the course. A semester course (if offered) would work the same way, so typically there are 85 days in a semester class, the student must be in attendance 64 of those days to be eligible for a credit. If the student misses more than 21 days in a semester, the student must make up the days in summer school (if possible) or night school, otherwise they do not receive credit for the course. Questions on the minimum attendance requirements for receiving credits should be directed towards the principal or assistant principal.

If extenuating circumstances exist that caused a student to miss excessive unexcused absences, a student may petition the principal in writing for a waiver of this policy. If the principal deems the circumstances valid, the student will be invited to voice their request before the SBDM Council at a regularly scheduled monthly meeting. The SBDM Council will make the final determination of the extent of waiver if any for the policy.

School-to-Work Early Release: *New*

Students who have jobs after school during the week and have to be at work by 4:00 pm are eligible to leave on first bell on those days assuming they do the following: 1) turn in evidence of employment to the YSC, turn in a permission form to the YSC secretary signed by the student and parent, turn in a copy of a current work schedule every week to the YSC, and sign out on the appropriate log in the front office and use the exit beside the band room each day the student has to leave for work. On days the student leaves early they are to exit the campus in the appropriate direction. On days that a student does not work before 4:30 pm, the student is to remain at school and leave on their normal bell. Students who fail to turn in all paperwork, a copy of their weekly work schedule, or who fail to sign out on the front office log will be disciplined accordingly. Students who have repeated issues will not be eligible for early release. The earliest a student can leave for work is the first dismissal bell.

Leaving School Early (Checking Out):

Students who need to leave school early must bring a note written by the student's parent to the office immediately when they arrive at school. The note can be submitted in the folder where absence notes are turned in outside the front office or given directly to the secretary. This note must include the date, reason for early release, time of early release, and the telephone numbers of parents. The office secretary will call the parent to verify the note before the student will be allowed to leave. When a student becomes ill during the school day, the student must come to the nurse's office. The nurse will take care of all calls to parents in the event that an ill student needs to leave school early. All students who leave school early must sign out in the front office before leaving, even after the 3:15 bell. Students can only be checked out by parents, guardians, and those people on the student's Check-Out Sheet. **As per board policy, parents will no longer be allowed to call the school to give their student permission to leave during the school day. If no note is presented, the parent or other authorized person(s) listed on the students' Permission Form must come to the school to sign out the student. Once a student has used all their parent notes, they must have permission from the administration to leave and all reasons for leaving must be verified and the appropriate documentation must be provided upon the student's return to school. Students leaving school for invalid or unnecessary reasons, or if the student fails to provide appropriate documentation, will be disciplined for skipping school.**

Excessive Medical Excuses:

It is important for all students to be at school every day – a student cannot learn if they aren't in school. It is also important for students to schedule medical appointments so that the student can be at school all day or at least part of the day. Medical appointments can also be made on non-school days during scheduled breaks. Even though a medical absence is usually an excused absence, excessive medical absences can hinder learning and negatively impact the education being provided to a student. If a student misses more than ten (10) days of school due to medical reasons, the student must have the doctor or ARNP complete a Medical Excuse Form (Form XMA8) for each and every absence beyond ten (10) – one per occurrence. A regular medical excuse will NOT be accepted for any absences in excess of the ten (10) and failure to submit this completed form for the medical absences beyond ten (10) will result in the absence being recorded as unexcused.

Educational Enhancement:

A student who is attending or participating in an educational activity may request that the absence be excused as an educational enhancement if they have no unexcused absences. The student must complete an appropriate Educational Enhancement Request Form (Form EHO8) and **return it to the school guidance office secretary at least five (5) days prior to the absence.** Such an absence as requested by the signed application and approved by the school principal will be considered an excused absence. The major intent of the activity must be educational in order for the student to be granted this type of absence (e.g. art program, dance programs, State Fair activities, workshops that are educational in nature, etc.). The principal will use his/her good judgment to determine if the activity meets guidelines, however, decisions may be appealed to the Superintendent and then to the Board of Education. A student may be approved for up to ten (10) days of absence per year for this purpose. Student grades cannot be affected by lack of attendance or participation in classes for approved days. **Documentation must be submitted within five (5) days of returning to school to excuse the absences.** **Requests for Educational Enhancement will NOT be granted to students during the school's state testing window, during the first five (5) days of each semester, or for the last five (5) days of each semester. WHO forms can be picked up in the front office or from the Bath County Schools website.**

The form is titled "Educational Enhancement Request Form EHO8" and is for Bath County High School. It includes fields for Student Full Legal Name, Date of Application, Date of Birth, Age, Grade Level, Home Phone, Residence Address, State, Zip Code, and City. There are also fields for the number of excused and unexcused absences to date, and a section for the student's signature and date. The form is to be returned to the Bath County High School Attendance Office at least five (5) days before the date of the requested Educational Enhancement.

Post-Secondary Visitations:

We hope that all of our students that graduate from Bath County High School go on to attend some post-secondary institution or trade school. In order to help students with their post-secondary plans we allow seniors to schedule up to two (2) documented visits to a post-secondary institution. These two (2) documented post-secondary visits will be recorded as educational enhancement days if possible. Any student wanting to visit a post-secondary institution must follow these guidelines:

1. Discuss the post secondary visitations with a counselor or administrator before going.
2. Complete an educational enhancement form **prior** to the visit.
3. The senior must obtain a signed and dated document that provides evidence that the student made the postsecondary visit (including time spent on campus).
4. The documentation must be signed by the counselor (the counselor verifies that permission was granted prior to the visit) and provided to the attendance clerk in order to get the educational enhancement for the visitation.

Make-Up Work:

When a student misses school due to an excused absence, it is the student's responsibility upon returning to school to make arrangements with their teachers to make up work. It is the student's choice of whether to make up any missed work, but all assessments missed must be made up within five (5) days of returning to school unless the student has missed more than three (3) days of school. In the event that a student has missed more than three (3) days of school, the student will receive the same number of days missed to make up

work and/or assessments (for example: if a student missed five (5) days then they have five (5) days to make up the work). Any assessments not made up in the allowed time frame will be recorded as no data by entering a zero.

Code of Student Conduct:

Restorative Practices for Exemplary Student Behavior: NEW 2023

In order to provide an environment that fosters student achievement, the faculty needs the help and cooperation of students, parents/guardians, the community, and the local Board of Education in establishing proper conditions for learning. All students at Bath County High School are expected to behave in a manner that creates a positive school environment. Students should feel proud of the school they attend and school pride only occurs when students are respectful, positive, and make every effort to follow all school rules! Rules are not made to impose on student rights; rules are made to protect all students' rights in the school and help restore positive individual behaviors. All teachers, staff, and students should be respectful to each other at all times. The primary goal of the faculty and staff of Bath County High School is to provide every student with the opportunities to achieve their life goals, even if no goals have yet been established. The faculty and staff will administer the discipline code in a firm, fair, and consistent manner!

Tobacco and Tobacco Cessation Products (Possession and Use of Tobacco):

The use or possession of cigarettes, chewing tobacco, smokeless tobacco of any kind, or e-Cigarettes by the students at Bath County High School is strictly prohibited. This not only includes the regular school day, but also at all school sponsored events! **This includes anywhere on school property. OES and the road between the high school and OES is school property. The pool is school property.** Students who are caught in possession of or using tobacco or tobacco cessation products will be placed in ACP for violation of school rules as outlined in the Parent and Student Handbook. **All tobacco and tobacco cessation products that are confiscated at school will not be returned!** All tobacco and tobacco cessation products that are confiscated from student vehicles during routine searches will only be returned to the student upon parent acknowledgement and permission. Students found in possession of tobacco or tobacco products (not using) will be assigned to three (3) days of Lunch Detention for their first offense. Any additional offenses for possession will result in a day of assignment in ACP. Students found using tobacco or tobacco cessation products will be assigned a day of ACP, with an additional day added for every future offense (i.e. 2nd offense using tobacco – 2-day assignment to ACP, and so on). There is no student smoking area on the Bath County High School campus. Smoking in a public building is against Federal Law and carries a \$10,000 fine. **If tobacco is found in the bathrooms or anywhere in our building and we cannot pinpoint who the tobacco belongs to, then the administration can take a break and/or shorten lunches. The administration reserves the right to modify any of these policies regarding tobacco.**

Vape Policy: New 2023

Vape products are strictly prohibited at BCHS. Any student caught with a vape product will receive discipline as outlined in the BCHS Student Handbook. This includes a regular school day or school sponsored events and anywhere on Bath County Schools' property; OES and the road between the high school and OES is school property; the pool and around the pool area is school property. Students that are caught in possession of or using a vape product will receive appropriate disciplinary action as outlined in the Parent and Student handbook. All products will be confiscated and will not be returned. All vape products confiscated from student vehicles during routine searches will not be returned and parents will be notified. Consequences for possession or use of a vape product are as follows:

Regular Vape Product

<u>First Offense</u>	One (1) day of ACP if handed over to the school administration and/or teacher without an argument and parents notified. Three (3) days of ACP will be assigned if a student argues about handing over the vape.
<u>Second Offense</u>	Three (3) days of ACP and parent conference if handed over willingly. If reluctant to hand over the vape the student will receive one (1) day of out of school suspension.
<u>Third Offense</u>	Five (5) days of ACP and parent conference if handed over willingly. If reluctant to hand over the vape the student will be suspended from school for three (3) days and parent conference.
<u>Further Offenses</u>	Student will be suspended from school for three (3) days if handed over willingly. If reluctant to hand over the vape the student will be suspended and a recommendation will be made for the student to be transferred to the Second Chance Academy (SCA).

Vape or ANY Product Containing THC (includes edibles)

Consequences of students being caught with a product that contains **THC** are as follows:

- a) Suspension from school for a period of five (5) days
- b) Required Parent Conference
- c) Students must complete a drug education program prior to returning to school. While the student is completing the drug education program, the student will be placed in the Second Chance Academy (SCA) virtually or in-person as determined by the school administration.

Restorative Practice

Any student that is caught with a vape of any type will be required to attend a cessation program provided by Pathways and/or other school approved program.

Eating and Drinking in Classrooms:

Eating in the classroom is prohibited; however, students will be allowed to drink water in a clear plastic container (24 ounces for less) or Bath County Schools water bottles only. They cannot put additives in the water or have sports drinks – water only. No glass or metal containers are permitted. We are understaffed and our custodians have more than enough to do. Furthermore, when a spill or mess occurs, instructional time is wasted cleaning up messes. Students are allowed a 10-minute break in which they can drink soda and eat snacks (this is ample time). Teachers will stand at their classroom door at the beginning of seventh period and make sure that students throw all food and drinks in the trash can before they enter! Any student who intentionally brings food or drinks into a classroom will be reprimanded by the teacher and reported to the office (disciplinary consequences may occur). Exceptions will only be made if a note from a physician specifically states that it is medically necessary for a student to have food with them in a classroom. Physician notes must be submitted to the nurse and the nurse will notify all teachers of that student of the need for food.

Sleeping in Class:

Students are expected to be actively engaged in all activities in a classroom and attentive during all discussions. Under no circumstances are students allowed to sleep in class. Students who are caught sleeping in class will be assigned time-up in the classroom by the teacher (the time up will not exceed ten minutes and will either be in a corner or in the back/front of the classroom). After the student returns to their seat, if they are caught sleeping again, the teacher will assign the student one (1) day Lunch Detention for each occurrence in that class. Teachers will report students who habitually sleep in class to the counselor for investigation of the student's home life and will also report the student to the principal/assistant principal for consequences.

Public Displays of Affection (PDA):

PDA is not tolerated in any form or fashion at Bath County High School. Students are expected to maintain proper distance from each other and refrain from kissing, groping, full body contact, or other similar actions. Students who are caught committing PDA will be disciplined according to the consequences outlined by the BCHS Student Discipline Code. Side to side hugging is allowed, but front to front hugging is considered full body contact and will be punishable with up to a day of ACP. Any kind of kissing is not allowed, no kissing on the forehead, top of the head, hand, shoulder, anywhere on the body is not allowed and will be punished with ACP. If a teacher or administrator observes PDA, the students will be written up and reprimanded. If a teacher or administrator observes questionable behavior that is "borderline PDA" and asks the students to stop, the students must cooperate or they may be written up for defiance. Students caught kissing will automatically be assigned to one (1) day ACP.

Possession of Various Communication or Entertainment Devices/Items: Cell Phones, Smart Watches, Air Pods, Earbuds, Headphones and Similar Devices:

Items that may interrupt the educational process should not be visible or utilized during the school day except for permitted times or if specific permission is granted by a teacher/administrator. Such items include, but not limited to the following: Cell phones, tablets, Smart Phones, air pods, earbuds, headphones, laptops, various noise makers, guitars, skateboards, athletic equipment outside of the gym, and any other item that may be deemed inappropriate for the educational setting by the school administration.

In our new technology age, it is understandable that our students will need to use their electronic communication devices at times during the school day for their appropriate personal use and for instructional purposes. Because of this, permitted times have been established for these types of devices.

Permitted Times included the following: Arrival to school until 8:03 a.m.; Between Class Changes until the movement bell; During the student's assigned lunch time and only in the cafeteria; During Afternoon Break; and after the first dismissal bell at 3:15 p.m. School administration and classroom teachers may permit use of devices for special occasions and for instructional purposes.

No electronic device can be used in the bathrooms:

Cell phones, pagers, and other devices that are **visible or heard** when NOT allowed shall be immediately confiscated by school personnel and brought to the office and will receive the following consequences (students who are caught using these items will receive harsher consequences):

First Offense	One (1) day Lunch Detention assigned by the teacher (teacher must report this to the Lunch Detention Coordinator) – cell phone or device will be returned to the student at the end of the day (prior to the student leaving school)
Second Offense	Three (3) days Lunch Detention assigned by the teacher (teacher must report this to the Lunch Detention Coordinator) – cell phone or device will be returned to the student at the end of the day (prior to the student leaving school)

Subsequent Offenses	One (1) day ACP assigned by the office (teacher must write up student and send to the office) – cell phone or device will NOT be returned to the student at the end of the day and the parent/guardian must come to the school and pick up the cell phone or device
---------------------	---

The consequences above do apply to students who are caught using an I-Pod, Walkman, or cell phone (includes talking on the cell phone, checking voice messages, viewing pictures, using Bluetooth, or text messaging). Use of a cell phone or other similar device during the school day during restricted times is a Level II misconduct and results in automatic assignment to ACP (see Level 2 Misconduct Consequences). When a student is caught using a cell phone (including talking on the cell phone, checking voice message, viewing pictures, using Bluetooth, or text messaging) the cell phone will be confiscated and returned to the parent upon request (the cell phone will not be returned to the student). Students who fail to cooperate with school officials when a device/cell phone is being confiscated will be written up for defiance which is a Level III misconduct and the student will receive the consequences outlined.

Other Prohibited Items:

There are a variety of things that students are not allowed to bring to school, besides the obvious items mentioned previously. These items include the following: guitars, keyboards, amplifiers, animals, brass knuckles, nunchucks, ninja stars, sling shots, bow-n-arrows, stereo boomboxes, skateboards, roller blades, stink bombs, pepper spray, mace, firecrackers, bullets, any contraband related to alcohol or drugs, vape pens, juuls, juul pods, vape juice, and any other items that might disrupt the educational environment of the school. These items are prohibited from school due to the various problems that can arise when they are brought into the building. If one of these items must be brought to school because it is needed for a classroom project or activity, then written permission must be acquired from the teacher and signed by the principal before the item is brought to school. The administration reserves the right to add items to the "Prohibited Items List" if it becomes necessary. Students who are caught using any prohibited item will receive the consequences as outlined under the Level II misconducts.

House SB228" The Bully Bill"- Kentucky's Bullying Law:

House Bill 91 was signed into effect by Governor Matt Bevin in April 2016. This law provides a definition to bullying; requires the school board's code of acceptable behavior to prohibit bullying; requires the code to include procedures for investigating and responding to reports of bullying; and a method to protect a person reporting a bullying incident.

Definition-any unwanted verbal, physical, or social behavior among students that involves a real or perceived power imbalance and is repeated or has the potential to be repeated:

- 1.) That occurs on school premises, on school-sponsored transportation, or at a school-sponsored event;
- or 2.) That disrupts the education process.

Note: This definition shall not be interpreted to prohibit civil exchange of opinions or debate or cultural practices protected under the state or federal Constitution where the opinion expressed does not otherwise materially or substantially disrupt the education process.

Bullying Policy:

In order to prevent the disruption of the educational process and the ability of all students to take advantage of the educational opportunities offered at BCHS the following student behaviors as defined by law will not be tolerated:

- Hazing
- Bullying
- Taunting
- Menacing
- Intimidating
- Threatening behavior
- Verbal or physical abuse of others
- Use lewd, profane, or vulgar language

This policy extends to any/all student language or behavior including, but not limited to, the use of electronic or online methods. These provisions should not be interpreted to prohibit civil exchange of opinions or debate protected under the state or federal constitutions where the opinion expressed does not otherwise materially or substantially disrupt the education process or intrude upon the rights of others.

VIOLATIONS AND REPORTING Students who violate this policy will be subject to appropriate disciplinary action as outlined in the District Code. Students wishing to report a violation or who believe they are victims may report it to any staff member of Bath County High School who will take appropriate action as defined by the Code. Staff will refer the report to the principal (or designee) for further action when the report involves an offense that may warrant suspension or expulsion of a student, any felony offense, or a report that may be required by law, including reports to law enforcement. When a complaint is received that does not appear to be covered by this policy, the administrators will review other policies that may govern the allegations and take appropriate action.

Other students and employees shall not retaliate against a student because he/she reports violation of the code or assists or participates in any investigation, proceedings, or hearing regarding the violation. The Superintendent (or designee) shall take measures needed to protect students from such retaliation. As provided in the Code, students who believe they are victims of these behaviors will be provided with a process to enable them to report such incidents to personnel for appropriate action.

COMMUNICATION By the end of the first week of school, the Bath County Schools Code of Acceptable Behavior and Discipline will be posted at the school, referenced in our school handbook, and provided to all school employees, parents, and legal guardians, or other persons exercising custodial control or supervision of students including those students who enroll during the school year. Before the beginning of each school year, the principal (or designee) will work with the district to develop a process to train employees when necessary in the use of the Code and/or to provide updated information to the staff, students, and parents concerning this Code.

For Additional Information Regarding the District Bullying Code please refer to the Bath County Schools Code of Acceptable Behavior.

Any questions regarding this code or to report an incident of potential bullying please contact the Principal of Bath County High School.

Consequences for Misconduct:

Punishments Used for Student Misconducts:

The rules that have been established by Bath County High School are set to ensure that our school is successful in preparing all our students for the future. When students do not follow the rules set by the school, certain consequences will be administered to the students by the administration. These consequences are meant to deter students from doing things that prevent other students from making the most of the educational opportunities that our school is providing to them. Some of the consequences may include: time-out, time-up, Lunch Detention, Alternative Classroom Placement, Work Detail, Extra-Curricular Ineligibility, After-School Detention, **Saturday School**, Out-of-School Suspension, cell phone assignment to Alternative Setting, and Expulsion. Each of these consequences is described below.

Time-Out:

When a student is causing problems in a class and immediate removal from class is necessary to ensure that a positive learning environment is supported; the student will be placed in isolation with the

principal, assistant principal, or ACP instructor. A time-out area will be set up in an administrator's office and in the ACP room. Time-out is only a temporary solution to the immediate problem and further consequences will be given.

Lunch Detention: New 2023

Students, who commit minor misbehaviors at school and especially in the classroom, will be assigned Lunch Detention by the teacher or administration. Teachers may assign Lunch Detentions to a student for not bringing paper or pencil to class, failure to bring their textbook or Chromebook, talking in class, making negative statements in class, failure to complete assigned homework, and other similar behaviors. Also, teachers are required to assign Lunch Detentions to students who sleep in class, are tardy to class, have a cell phone out in class, or have a cell phone ring in class. A teacher can assign a MAXIMUM of three (3) Lunch Break detentions per period/block class. When a Lunch Detention is assigned, students are to report quickly and get their lunch from the cafeteria and immediately report to the gymnasium with their lunch. A student who is assigned Lunch Detention will serve their entire lunch time in the gymnasium and be placed away from other students.

Excessive Lunch Detentions:

Students who continually commit minor misbehaviors at school and have been assigned to ten (10) lunch detentions in a semester will receive one (1) day placement in ACP for excessive lunch detentions. After thirty (30) lunch detentions students will be placed in ACP for two (2) full days and receive six (6) hours of after school work detail. If a student receives thirty (30) total lunch detentions, they will receive three (3) days ACP and nine (9) hours of after school work detail. If a student receives forty (40) total lunch detentions, they will receive four (4) days ACP and twelve (12) hours of after school work detail. This pattern will continue for the entire semester with fifty (50) lunch detentions meaning five (5) days of ACP and fifteen (15) hours of after school work detail and so on. Tallies for lunch detentions start over each semester.

Suspension:

When students violate certain school rules, they will be assigned out-of-school suspension. When a student is suspended they are not allowed to attend school for an assigned number of days. Suspended students are responsible to make arrangements to complete make-up work during the time of their suspension. Any student who is suspended is ineligible to attend or participate in any extra-curricular activities – this includes practices, meetings, games, or competitions of any form. Students who are suspended from school are not allowed on school property (day or night) during the suspension. Students who are caught, observed, or reported by school officials to be on school property during a suspension will receive double suspension time. Students who are suspended from school are not allowed to participate in or attend any school functions or contests and are not allowed on school property for the entire duration of their suspension (this includes weekends).

Alternative Classroom Placement (ACP):

When a student is reprimanded for certain violations of the Bath County Code of Acceptable Behavior and Discipline, they may be assigned by the administration to the Alternative Classroom Placement Program. The ACP Program is an alternative to out-of-school suspension because of inappropriate actions taken by students. Students assigned to **ACP must report to room #115** each day they are assigned to ACP and remain there all day. ACP students must sit in an assigned study carrel on a stool. **Students assigned to ACP are ineligible to participate in any games or contents related to extracurricular activities on the days and evenings they are assigned to ACP however, are eligible for weekend activities or contests.** ACP students can complete the work assigned in their classes **ACP students CAN PRACTICE ON THE DAYS THEY ARE PLACED IN ACP.** Students assigned to ACP are for full credit, but it must be completed by the end of that school day or no credit will be given. Students who have severe back problems that prevent them from sitting on a stool for an entire day may

receive a normal chair while in ACP. However, this will only be done if a formal request from a licensed physician is presented to the principal or assistant principal (the letter from the physician must state the medical condition and state that it is a medical necessity for the student to have a chair with a back).

ACP Program Guidelines:

While in the ACP Program the following routines, procedures, and guidelines will apply to ALL students:

1. All students assigned to the ACP **classroom must report to room #115** immediately after eating breakfast each day and arrive before the morning tardy bell rings! **Students who are tardy and arrive within ten (10) minutes of the start of ACP will receive three (3) days Lunch detention. Students who arrive at ACP after ten (10) minutes must make up the time rounded to the nearest full hour.**
2. When a student enters the ACP **classroom (room 115)** they will be required to completely empty their pockets into an assigned storage container. Then the student will be assigned an area for which they are responsible and they must stay in that area for the entire time that they are in the ACP classroom (whether it is one period or several days). Students must stay seated in their assigned area all day long except during the three breaks provided (one in the morning, one directly after lunch, and one in the afternoon). (May be able to eliminate part of this since details of breaks are listed in #7).
3. **Students in the ACP Program will be videotaped to monitor behavior and ensure strict adherence to the rules and procedures of the ACP Program.**
4. Students will begin their assignment to the ACP Program by completing two short assignments: (1) ACP students must re-copy all ACP Guidelines and Rules in their own handwriting and (2) all ACP students must write a one-page essay stating what they did to get assigned to ACP and then reflect on their actions by writing down at least two alternative actions that they could have taken that would not have resulted in them being assigned to ACP. The ACP teacher will verify that this is done properly for each student.
5. Each morning, an assigned ACP helper will collect all daily assignments for all ACP students and provide those assignments to the ACP teacher for distribution.
6. The ACP teacher will ensure that all students understand and complete all assignments by the end of the day. The ACP teacher will collect all completed student assignments and return those to the appropriate teachers before the end of that school day! All work completed in ACP is worth full credit!
7. Three (3) STRICTLY supervised five (5) minute bathroom breaks will be provided to students at approximately 10:00 am, 12:30 pm, and at 2:00 pm (these breaks can only be taken when the regular student body is in class and teachers must be in or near the bathrooms with the ACP students). ACP students are NOT allowed to interact with the regular student body at any time of the day.
8. Students in ACP are not allowed to have lunch in the cafeteria. They will walk to the cafeteria after lunch A and get their lunches and will eat those in the ACP room.
9. All ACP students must checkout of the ACP Program each day. To checkout students must do the following: (1) clean their assigned area with paper towels and a spray cleaner, (2) show evidence to the ACP teacher that no vandalism of the ACP classroom occurred, (3) turn in all completed regular classroom work that was assigned, (4) show that there is no tobacco in or behind the assigned cubicle, and (5) if this was the first day of ACP for a student, the student must provide the ACP teacher with both ACP assignments (recopying of rules and the reflection on actions assignment).
10. ACP students are not allowed to wear watches or have any time device in their possession (this includes cell phones). Students will be asked to empty their pockets upon arrival to ACP and purses will be held by the ACP teacher in a storage cabinet. Failure to do this will result in an automatic assignment of an additional day of ACP. **ACP students are responsible for collecting their personal possessions at the end of their assigned day from the classroom. BCHS is not responsible for any item left in the ACP classroom.**

ACP Program Rules:

While in the ACP Program students must obey the following rules*:

1. No Talking, Whispering, or Passing Notes!
2. No Leaning, Slouching, and No Sleeping (Sit-Up Straight)!
3. Keep Both Feet Flat on the Floor!
4. No Food, Drink, Gum, Candy, or Tobacco!
5. Complete ALL Work Assigned!
6. No Hall Passes!
7. No Watches or Cell Phones! Do Not Ask "What time is it?"

*Any student who violates an ACP rule shall automatically be assigned an additional day in ACP. Any student that is disrespectful to the ACP teacher (especially vulgar, abusive, or profane language) will immediately be reported to the administration and reprimanded using **Saturday School**, Out-of-School Suspension, or a recommendation for Expulsion. When a student is assigned Out-of-School suspension due to a reprimand in the ACP Program, the student will receive the maximum consequences possible.

After School Detention: NEW 2023

When a student is reprimanded for certain violations of the Bath County Code of Acceptable Behavior and Discipline, they may be assigned by the administration to After School Detention. After School Detentions are assigned when students consistently violate rules that require a stricter punishment than Lunch Detention or when the student has been assigned to Lunch Detention more than 10 times. Students who are assigned After School Detention must report immediately to the ACP Room on the first bus bell 3:15. Students will stay in the ACP room from 3:15 pm until 4:15 pm, at which time the student will report to the office and a parent or guardian will be required to pick them up. No transportation will be provided by the school. Whenever a student is assigned After School Detention, all attempts to contact the parent will be made ahead of time. **Students assigned to After School Detention are ineligible to participate in any games or contents related to extracurricular activities on the days and evenings they are assigned to After School Detention, however they are eligible for weekend activities or contests.**

Saturday School: (NEW 2023)

When a student is reprimanded for certain violations of the Bath County Code of Acceptable Behavior and Discipline, they may be assigned by the administration Saturday School. Saturday School will be conducted **two** Saturdays a month. Saturday School will be assigned to students by the school administration using the guidelines of the BCHS Student Handbook. Transportation **will not** be provided for students that have been assigned Saturday School. Students will be required to report to the front office by 9:00 am on Saturday and will be dismissed from Saturday School at 12:00 pm. **Students assigned to Saturday School are ineligible to participate in any games or contents related to extracurricular activities on the days and evenings they are assigned to Saturday School; however, they are eligible for weekend activities or contests as long as the Saturday School has been served and the activity doesn't interfere with the assignment of Saturday School.**

Work Detail:

Students who have excessive lunch detentions or who are caught drawing, writing, or defacing school property may be assigned work detail in addition to the consequences designated in the Code of Conduct. Students assigned to work detail will have to stay after school for several days for one (1) to five (5) hours after school and help clean the school. At the discretion of the principal, if work detail is used as an alternative to ACP assignment a student will be required to complete twenty (20) hours of work detail during the next ten (10) calendar days. A student who is assigned work detail as an alternative to ACP must stay after the school the first day for a minimum of three (3) hours and then complete the remaining hours in the next ten (10) calendar days. Once this option is selected, you will not be able to select another discipline option unless a meeting is held between the parent/guardian and

an administrator. Students will be given two 15 minute breaks during the work detail. Students who fail to complete assigned work detail will be assigned two (2) full days of ACP with no work detail option – that is one (1) day of ACP for the original consequence and another day ACP for failure to finish work detail that was assigned.

Alternative Setting (Second Chance Academy):

When a student is consistently experiencing problems at Bath County High School and the learning environment of the school is being impaired, the student may be removed and placed on Alternative Setting. Also, special education students who violate school rules and are subject to suspension may be placed on short term alternative setting at the principal's discretion and if it is written in the student's I.E.P. Students placed in an alternative setting will be served by a teacher at the student's home during the day or after school at the high school (services will be provided for one hour twice a week or if it is a special education student they will be served as outlined in the student's I.E.P.). Students on Alternative Setting are not allowed in or around Bath County High School at any time (except if services are at the high school in the afternoons) unless the principal grants written permission. Students placed on Alternative Setting for an entire school year are not eligible to attend prom, senior activities, senior honors night, or graduation. The Second Chance Academy (SCA) may be used in lieu of alternative settings as deemed by the local board of education.

Expulsion:

Students who commit major violations of school rules can be expelled from school. Expulsions are recommended by the principal and must be brought before the Bath County Board of Education in order to be official. When a student is expelled they are no longer allowed to attend school in Bath County! The **Graduation Success Academy (GSA)** and the Second Chance Academy (SCA) may be used in lieu of expulsion as deemed by the local board of education.

Levels of Misconduct:

When a student misbehaves, the seriousness of the misconduct can vary. For this reason, Bath County High School recognizes four (4) different levels of misconduct. Level I Misconducts are considered to be minor misbehaviors and Level IV Misconducts pose a direct threat to the others in the school. The disciplinary responses to most student misbehaviors are described on the following pages and are gunorganized by levels. The administration has the sole right to determine the level and type of misconduct for all misbehaviors.

Level I Misconducts/Consequences:

Level I Misconducts include the following: Altercation Between Students that Involves the Exchange of Inappropriate Words, Failure to Abide by Classroom Rules*, Failure to Follow Directions, Loitering in Hallway after Movement Bell, Loitering in the Bathrooms, Loitering in the Hallways During Classes, Minor **Minor Lying to Teachers/Staff (lying with no intent to do harm)**, Classroom Disturbances, Minor Disruptive Attitude, Minor Foul Language, Minor Horseplay, Possession of an e-Cigarette (or other tobacco cessation device), Possession of a Tobacco Product**, Possession of a Water Gun***, Possession of Pepper Spray, **Playing music out loud in the hallway and cafeteria or on a bus**, Minor Public Displays of Affection, Repeatedly Sleeping in Class, and Mildly Rude Behavior. The consequences for Level I misconducts are as follows:

<u>First Level I Misconduct:</u>	Time-Out, Time-Up, or one (1) to three (3) days Lunch Detention*
<u>Second Level I Misconduct:</u>	One (1) day in ACP and Notification of Parents (telephone, email, and/or official school letter)
<u>Third Level I Misconduct:</u>	Two (2) days in ACP and Saturday School and Parent Conference
<u>Further Level I Misconducts:</u>	Three (3) days in ACP, Saturday School , and Parent Notification (telephone, email, and/or official school letter)

* Each teacher at BCHS can set individual rules for their classrooms and students must follow these rules.

** Tobacco products will be confiscated and will not be returned!

*** Water guns will be confiscated and returned to the parent of the student upon request. Water guns that are confiscated will not be returned to students!

† The consequence to be assigned to a student for the first violation of a Level I Misconduct is at the discretion of the administrator dealing with the misconduct.

Level II Misconducts/Consequences:

Level II Misconducts include the following: Altercation Between Students that Involves Screaming or Cursing, Altercation Between Students that Involves the Slight Shoving of Another Student, Being Outside of the Main Building, **Bullying***, **Chromebook damage (deliberate)**, Contributing to an Altercation (carrying tales that cause a fight); Cyber Bullying; Defacing School Property (writing on desks, lockers, tables, walls, etc.); Disrespectful Attitude; Disruptive Attitude (includes back talking); Disruptive Horseplay; Disruptive Horseplay that contributes to a verbal altercation; Excessive Lunch Detentions; Excessive Visits to the Nurse's Office (Abuse of Privilege); Failure to Report an Issue with Known Knowledge; Flipping Off Another Student; Forgery (Writing or Using a Forged Note); Gambling; Inappropriate Comments; Leaving Class Without Permission (Walking Out of Class); Leaving on the Wrong Bell, Loud Disruptive Behavior During Break and Class Changes; **Major Lying to Teachers/Staff (lying with the intent to do harm)**; Mild Disrespect to a Teacher; Moderate Vulgarity; Petty Theft (under \$50); Possession of a Prohibited Item/Device; Racial Slurs; Refusal to Change Clothes** that Violate School Dress Code; Skipping Class*** (one class inside building only); Sexual Orientation Slurs; Uncooperative Behavior; Use of a Cell Phone (Talking, Checking Voice Messages, Viewing Pictures, Using Bluetooth, or Text Messaging, Checking for the Time, Headphones or earbuds, using a cell phone/smart watch/electronic device on an assessment****, etc.) during restricted school time*****; Use of an Electronic Device; Use of Tobacco Products† (smoking, dipping, and chewing); Use of an e-Cigarette or other tobacco cessation device/product (VAPES, JUULS) , **Shoulder Checking another student(s), Inappropriate touching of any private area on the body (including pinching, flipping, flicking, smacking, etc.)**, Skipping School by leaving early and returning to school without a valid reason or without providing proper documentation with parent permission (Note: Additional violations will result in the implementation of the Skipping Consequences), and Violation of a Behavior Contract. The consequences for all Level II Misconducts are as follows:

<u>First Level II Misconduct:</u>	One (1) day in ACP and Notification of Parents
<u>Second Level II Misconduct:</u> (NEW)	Two (2) days in ACP, Saturday School , and Notification of Parents
<u>Third Level II Misconduct:</u>	Three (3) days in ACP, Mandatory Parent/Student Conference, and Loss of all Extra-Curricular Privileges (participation and attendance) for the remainder of the year or next school year.
<u>Further Level II Misconducts:</u>	Five (5) days in ACP and Mandatory Parent Conference

*** Students who repeatedly bully other students (repeatedly meaning more than four times will be written up for harassment/intimidation and punished accordingly as a Level IV misconduct.**

****Students who do not meet dress code will be provided clothing if available or the parent will have to bring different clothes for the student. Students who refuse to change clothes when they violate the dress code will be sent home and will receive one (1) full day ACP assignment the next day upon return to school. Future violations will be dealt with in the same manner, but the number of days of ACP to be assigned will follow the consequences outlined above.**

***** Skipping a class and then leaving the building is considered skipping school and is a Level III misconduct.**

****** Students caught using their cell phones have the option to give up their cell phones for five (5) days for each assigned day of ACP that resulted from a cell phone infraction (this includes cell phone and sim card). This means that if a student voluntarily gives up their phone to the administration for five (5) school days, they do not have to serve ACP. A second infraction would mean giving up the cell phone for ten (10) school days. Cell phones will be locked up and returned upon student request after the days are up.**

*******Using an electronic device to cheat on an assessment, could be punished more severely by the classroom, according to their syllabus or classroom policies. This is not the only punishment applicable to this misconduct.**

† Tobacco products that are used by a student at school will be confiscated and will not be returned. **Additionally, any prohibited items confiscated, will not be returned.**

Level III Misconducts/Consequences:

Level III Misconducts include the following: Aggressive Behavior (Altercation that Involves Hard Shoving that Results in a Fall or Bruises); Criminal Mischief; Defiance of Authority; Destruction of School Property; Disrespect to Administration; Disrespect to Faculty/Staff (includes Flipping Off); Distribution of Non-Narcotic Prescription Medication/OTC Stimulants; Extreme Vulgarity; Fighting; Habitual Violation of School Rules (Level II and III only); Inappropriate Use of a Personal Electronic Device During School; Mass Distribution of Pornography with a Personal Electronic Device; Possession of a Narcotic Prescription Medication in the Student's Name Not Given to Nurse; Possession of a Non-Narcotic Prescription Medication in Student's Name Not Given to Nurse; Possession of a Pocket Knife with a Blade Under 3"; Refusal to Go to ACP; Possession of Prohibited Items Designed to Cause Bodily Harm (Brass Knuckles, Nun chucks, Ninja Stars, Sling Shots, and Bow/Arrow); Skipping School (Includes Leaving Building and Never Showing Up When Sent to School); Tampering with Computer Equipment; Tampering with Fire Alarms; Tampering with Fire Extinguishers; Tampering with Surveillance Cameras; Theft; Threatening to Fight; Trespassing; Vandalism; Verbal Aggression towards a Faculty/Staff Member; Verbal Confrontation with Faculty/Staff Member; and Viewing Pornographic Material. **Anything listed under level III, could include the loss of extracurricular activities.** The consequences for all Level III Misconducts include the following:

* If the administration has reasonable suspicion that a student may be under the influence of alcohol or drugs and in attendance at school the student will be punished according to the consequences outlined above. The administration reserves the right to use breathalyzers to confirm suspicion of drinking at school or being under the influence of alcohol at school. If there is reasonable suspicion that a student is under the influence of drugs at school, the student will be disciplined also. However, if the student wants to prove innocence they may volunteer for drug testing. The test must be taken at the school or within 24 hours of the incident and the student/parent must submit an original verifiable test to the administration at least three (3) days prior to the date of the scheduled expulsion hearing. If the drug test comes back negative and is verifiable, any consequences assigned will be revoked.

Use or Possession of Alcohol, Drugs, Look-Alike Substances, and Drug Paraphernalia:

First Violation	Notification of Law Enforcement Authorities and Indefinite Suspension and Request to the Board for Expulsion
-----------------	--

Use of a Weapon:

First Violation

Immediate Notification of Law Enforcement Authorities and Indefinite Suspension and Request to the Board for Expulsion

Accomplices to a Misconduct:

Students who help, encourage, or participate in misbehavior with another student will be subject to a maximum punishment equal to the consequences administered to the student caught committing the misbehavior.

Non-Compliance with Disciplinary Consequences:

Students who do not complete punishments received for misconducts that are assigned by the Principal or Assistant Principal will be subject to further disciplinary actions. Students who miss school and are unable to attend a time-out assignment, time-up assignment, ACP assignment, or after-school detention must make up the punishment immediately upon return to school. After-school detention must be made up on the next day that after-school detention is held. Students who attend school and are unable to attend after-school detention due to any reason, including medical appointments, must provide a valid written excuse to the principal or assistant principal at least one day before the assigned detention. Students who skip ASD will be assigned to one day ACP on the next school day. Finally, excuses for missing an assigned ASD will not be accepted the day after a detention is missed.

Students who fail to complete the full out-of-school suspension assigned by the school and thus return to school early will receive three (3) additional days of out-of-school suspension. This especially applies when school is closed due to inclement weather. When the school is closed due to inclement weather, the snow day does not count as a suspension day.

School Cancellations and Suspension:

When a student is suspended from school and school is canceled for any reason (including weather related closures), the canceled dates do not count as suspension dates. When a student is suspended they are ineligible to attend school for the number of days assigned by the administration as a consequence for misconduct.

Due Process:

The United States Supreme Court has held that a student may not be deprived of the opportunity to a public education without good cause in which procedural due process is observed. Due process requires that all students be given an oral or written notice of the charges against him or her, that they receive an explanation of the evidence, and that they have an opportunity to present their explanation. Due process should occur before any consequences are imposed, but does not necessarily have to in all situations.

Due process does not have to happen immediately, it may happen sometime after the incident.

Grievance and Appeal Process:

A student or parent/guardian may request, in writing, that a hearing be held before a Faculty Grievance Committee to express and resolve any grievances resulting from disciplinary actions taken by school personnel. The Faculty Grievance Committee will be an ad hoc committee composed of the principal, guidance counselor, the student's teachers, and the superintendent or his/her appointed designee. Only after the committee has heard the

grievance and attempted to resolve the issue will it be eligible for consideration by the Bath County Board of Education. Please note that the administration does have the right to alter consequences for special education students with behavioral disabilities especially when outlined in the student's I.E.P. that alternatives must be used.

School Bus Safety: Conduct on a School Bus:

All students are expected to obey the driver at all times and follow all bus safety rules to ensure safety for all students and the driver. Riding a bus is a privilege and not a guaranteed right. Students are to remain seated on all buses at all times until they reach their drop off point, buses will not leave in the afternoon until all riders are seated, no loud talking or laughing, radios or other musical devices are strictly prohibited, no tobacco related products are allowed (use or possession), no eating or drinking, all students are to keep all extremities inside the bus at all times (hands, feet, and arms are to stay inside the bus), no helium balloons, no floral arrangements, no glass objects or containers, no animals, and furthermore all rules for school apply to riding a school bus as well.

Bus Misconducts:

All school rules apply to students while they are riding any school bus. Violations of school rules that occur on the bus will be dealt with according to the consequences outlined below. However, there are some specific rules that apply to riding a school bus. Bus misconducts such as standing up while the bus is moving, changing seats during motion, excessively loud talking or laughing, eating or drinking on the bus, possession of tobacco, bringing a musical device (boombox, playing music from your phone, wireless speaker, etc.) on the bus, or any other minor misconduct that does not endanger other students or the driver will be dealt with as follows:

First Violation	Warning from Principal or Assistant Principal and Parent Notification (telephone, email, or letter)
Second Violation	One (1) to three (3) days suspension from bus and Notification of Parents (Student must attend school for the three to five days without bus transportation, an absence will result in another suspension)
Third Violation	Three (3) to five (5) days suspension from bus and Notification of Parents (Student must attend school for all days without bus transportation, an absence from school will result in more suspension)
Subsequent Violations	Five (5) to ten (10) days suspension from bus (Students must attend school for those days without bus transportation, an absence from school will result in additional days of suspension from bus) and a mandatory parent, driver, and administration conference. Other misconducts such as disrespect to the driver, use of tobacco, and other misconducts that could possibly endanger the student, other students, and/or the driver will be dealt with as follows:
First Violation	One (1) week Bus Suspension (student must attend school for five days without bus transportation being provided, school absences do not count as a bus suspension day) and Parent Notification (telephone, email, or letter)
Second Violation	Two (2) weeks Bus Suspension (student must attend school for ten school days without bus transportation being provided, school absences do not count as a bus suspension day) and mandatory Parent Conference
Third Violation	Three (3) weeks suspension from bus and Notification of Parents (Student must attend school for fifteen days without bus transportation, an absence from school will result in another day of suspension from bus)
Subsequent Violations	Suspension from bus for the remainder of the school year and Parent Notification (telephone, email, or letter)

Extreme Bus Misconducts: **NEW**

The administration reserves the right to invoke harsher consequences for student misconducts that blatantly endanger the lives of other students or the driver. Examples may include assault, vandalism, etc. Fighting on the bus will result in the same punishment as a fight in school, in addition to a bus suspension for the days during the ACP assigned days.

Alternative Consequences for Bus Misconduct: **NEW**

Parents who are unable to provide transportation for a student who has received a bus suspension may choose to have their child suspended from school. A one- week bus suspension will be replaced by three days ACP. A two-week bus suspension will be replaced by five (5) days of ACP. A three-week bus suspension will be replaced by seven (7) days of ACP. Finally, a five-week bus suspension will be replaced by ten (10) days of ACP. The parent of a student who is suspended from the bus for the remainder of a school year cannot request an alternative consequence. When a student is taken off a bus for the remainder of a school year, they cannot ride a Bath County School bus for any reason.

Level I Misconduct:	Alternate ACP Consequence:
First Bus Misconduct	Warning
Second Bus Misconduct	3 (three) Day of ACP and Saturday School
Third Bus Misconduct	5 (five) Days of ACP and Saturday School
Subsequent Bus Misconducts	7 (seven) Days of ACP and Saturday School
Level II Misconduct:	Alternate ACP Consequence:
First Bus Misconduct	5 (five) Days of ACP and Saturday School
Second Bus Misconduct	7 (seven) Days of ACP and Saturday School
Third Bus Misconduct	10 (ten) Days of ACP and Saturday School
Subsequent Bus Misconducts	None

Extra-Curricular Activities:

Extracurricular Eligibility:

Bath County High School makes every effort to offer our students a variety of extra-curricular activities in which our students can participate. Our school offers the following extra-curricular activities: academic team, baseball, basketball, cheerleading, cross country, football, golf, soccer, softball, volleyball, bass fishing, and track and field. Additionally, student privileges which include but are not limited to – driving/parking on school property and club membership. In order for any student at Bath County High School to participate in any extracurricular activities, the student must meet the following requirements:

1. All students must meet proper credit requirements for each grade level based on the graduation requirements of the school. The KHSAA (Kentucky High School Athletic Association, telephone 1-859-299-5472) policy on this reads as follows: "On the first day of school, guidance counselors or other personnel [Athletic Director] should use the following chart to determine eligibility based on the local school districts [and SBDM council] requirements for graduation.

Graduation Requirements	First Year Normally Grade 9	Second Year Normally Grade 10	Third Year Normally Grade 11	Fourth Year Normally Grade 12	Required to Reinstate
27	Promoted from 8 th Grade	5.5	12.25	19	6.75
26	Promoted from 8 th Grade	5.25	11.75	18.25	6.5
25	Promoted from 8 th Grade	5	11.25	17.5	6.25

2. Students must be passing two-thirds (2/3) of their classes at all times to be eligible to participate in any extra-curricular activity. To verify eligibility, the athletic director will check Extra-Curricular Student Eligibility on every Friday of the season for each extra-curricular activity that a student is involved in. The eligibility will be checked using iCampus! The KHSAA policy on this reads as follows: "On a weekly basis, a student shall also be passing [cumulatively for the credit period] at least ... the equivalent of four hours of instruction acceptable to graduation in order to be eligible to participate in athletics during the next seven-day period (Monday through Sunday) and through the next opportunity to examine grades in this manner. No special tests or recitations are to be given for the purpose of making the student eligible."
3. Students must be in school AT LEAST ½ the school day in order to practice that afternoon or compete that afternoon. Students who are absent all day may only participate and compete if they provide the school, athletic director, or coach a valid excuse for missing so that the absence is an excused absence.
4. Students must maintain satisfactory attendance and be punctual to school and class. Any student who acquires more than six (6) unexcused absences during a school year is **ineligible** to participate in any extra-curricular activity or event until the next school year. Students who accumulate excessive tardies to school (more than twelve (12) unexcused tardies) will be **ineligible** to participate in extracurricular activities for that school year.
5. Students who are involved in extracurricular activities or programs who do not follow school rules may become temporarily or completely ineligible to participate in extracurricular activities. However, students can participate in practices, but are **ineligible** to play in any games or contests on the day of the assigned ACP or out of school suspension. See Code of Conduct in this handbook for further information.

Drug Testing Program:

Drug Testing Consent:

Prior to participation in any team or extracurricular activity or issuing parking permits EACH year, the Bath County School District shall provide all students choosing to participate with teams or extracurricular activities and/or choosing to drive or park on school property and their parent/guardian with a written copy of this policy and the accompanying "Student and Parent/Guardian Consent to Perform Urinalysis for Drug Testing" form which must be completed prior to participation in any of the above mentioned activities.

Pupils become eligible once they and the parent/guardian complete a "Consent to Drug Test Form". The "Consent to Drug Test Form" must be submitted to the appropriate coach, advisor, or person in charge of parking permits, or Drug Testing Coordinator. The following guidelines shall prevail:

1. Pupil athletes must submit the Consent to Drug Test Form on or before the first day they participate in practice. Failure to do so will result in ineligibility for participation in the athletic endeavor until the form is submitted and at the discretion of the Athletics Director.
 2. Pupils involved in co-curricular activities or school clubs must submit the Consent to Drug Test Form by no later than their attendance at the first meeting. Failure to do so will result in ineligibility for participation in said activity.
 3. Pupils applying for a parking permit for on campus parking must submit the Consent to Drug Test Form prior to the permit being issued.
 4. Pupils who have violated the District under the Influence in School Policy will be required to submit a Consent to Drug Test Form prior to their return to school following suspension unless they have a current Consent to Test Form already on file.
 5. Pupil volunteers for the Program shall be entered into the Testing Pool once they submit the Consent to Drug Test form.
 6. Pupils remain eligible for random drug testing from the date the Consent to Test Form is turned in through the ENTIRE current school year, whether or not they have been previously tested or are currently participating in athletics or co-curricular activities at the time they might be randomly selected for a drug test.
 7. The district will test NO less than 25% of the total number of pupils in the Testing Pool at some point during the current school year.
- This policy applies to all students, grades six (6) through twelve (12), who choose to participate in any extracurricular activity, including athletes at the varsity and/or junior varsity levels, and students who drive or park on school property.

Drug Testing Pool:

All pupils in the Bath County School District in grades six through twelve who participate in any athletics, co-curricular activities (school clubs), have been granted parking permits for on campus parking, or have violated the district substance abuse policy, and any additional students who volunteer to participate with parental consent will be eligible for the random drug testing pool (Testing Pool).

Testing will only occur on pupil attendance days during the academic year and will be conducted on campus. If at any time during the testing procedure the DTC or monitor has reason to believe the student is tampering with a specimen, the procedure will be stopped and the designated authority will be notified. Selection of eligible pupils for testing will be conducted in a purely and entirely random basis as

outlined in board policy 09.423.

Drug Testing Procedures:

Random drug testing conducted by an independent testing laboratory for all extracurricular activity participants, athletes, and student drivers will be conducted at least nine times during the school year.

Testing shall be accomplished by the analysis of urine specimens obtained from the student participants.

Collection and testing procedures shall be established, maintained, and administered under the auspices of the Drug Testing Coordinator through an independent drug testing laboratory to ensure:

1. Randomness of selection procedures;
2. Proper student identification;
3. Identification of each specimen with appropriate student participant;
4. Maintenance of the unadulterated integrity of the specimen;
5. Integrity of the collection and testing process; and
6. Protection of the confidentiality of the test results.

Specific Drug Testing Process:

The specific testing process shall be on file at the testing laboratory approved by the Board. Student participants' urine specimen shall be tested for the following, which include, but may not be limited to:

1. Amphetamines;
2. Marijuana (THC);
3. Cocaine and its derivatives;
4. Opiates;
5. Phencyclidine (PCP);
6. Benzodiazepine;
7. Methamphetamine;
8. Methadone;
9. Barbiturates; and
Blockers and/or other abused, illegal, or controlled substances

Overview of Drug Testing Schedule:

A confidential testing schedule will be created by the Drug Testing Coordinator (DTC) prior to the initiation of the program to ensure that the testing of eligible pupils is conducted in a manner that is truly random. Random tests will be performed in the fall, winter, and spring seasons at times to be determined by the DTC and the testing agency.

Confidentiality of Testing:

The Drug Testing Coordinator (DTC), appointed by the superintendent, shall arrange for laboratory services that are accurate and reliable. Appropriate measures shall be taken throughout the testing process and through the handling of all test results to protect the confidentiality of the student participant. Access to drug testing results shall be strictly limited to the student participant, the parent/guardian of said student, the School Drug Counselor, and the DTC. The head coach of the athletic team, the faculty sponsor of the extracurricular activity, or principal in charge of parking SHALL NOT know the specific results of any drug test; however, that individual shall be notified of a positive result only as it is necessary to implement the sanctions for the student's violations.

Consequences for Drug Violations:

First Violation:

1. Any student who violates the drug use policy, shall be suspended for the next three (3) consecutive weeks of the athletic season, suspended for the next three (3) consecutive events of the extracurricular or athletic activity, whichever is greater, or lose driving privileges for the next three (3) consecutive weeks. Students suspended for athletic activities shall follow the same procedures as those suspended for academic reasons. If the violation occurs at the end of a season, the student's suspension shall carry over to the next season of the school year.
2. Before reinstatement to the team or extracurricular activity or driving privileges, the student must submit to a new drug test administered in accordance with the same procedures utilized for random drug testing. A negative result will allow the student's reinstatement; however, a positive result will be treated as a SECOND VIOLATION.

Second Violation:

1. For a second violation, the student participant shall be suspended for the next nine (9) consecutive interscholastic events or nine (9) consecutive weeks, whichever is greater in time. Student drivers with a second violation shall be denied permission to drive and/or park on school property for the next nine (9) consecutive weeks of school. If necessary, the suspension shall carry over to the student's subsequent participation on another athletic team and/or the following season.
2. Before reinstatement to the activity after a second violation, the student participant must submit to a new drug test administered in accordance with the same procedures utilized for random drug testing. A positive result shall be treated as a THIRD VIOLATION.
3. If a student is reinstated to the activity following a second violation, the student's participation in another activity shall not be restricted solely because of the existence of the second violation, as long as the student has completed the period of suspension and the required chemical dependency program and was appropriately reinstated to the prior activity. If the student elects not to seek reinstatement to an activity after a second violation (either because of the student's own election or because the season concluded prior to the expiration of the student's period of suspension), the student is still required to serve the unexpired portion of the suspension before becoming eligible for any other athletic activity.
4. A student serving a suspension for one sport may try out for a second sport if the student provides a negative drug test result from the testing laboratory under contract. If the student makes the team, prior to participation, the student must serve the unexpired portion of the previous suspension. The student must submit to a new drug test administered in accordance with the same procedures utilized for random drug testing. A positive result shall be treated as a THIRD VIOLATION.

Third Violation:

1. For a third violation, the student participant shall be suspended for the next thirty-six (36) consecutive interscholastic events or thirty-six (36) consecutive weeks of scheduled school attendance, whichever is greater in time. Student drivers with a third violation shall be denied permission to drive and/or park on school property for the next thirty-six (36) consecutive weeks of scheduled school attendance.

Additional Violations:

1. Any additional violations shall disqualify the student's involvement in any extracurricular activities (varsity and junior varsity or from driving/parking on school property for the remainder of his/her enrollment in the school district.

Miscellaneous Information for Students and Parents

The following pages provide miscellaneous information that we are required to make our parents/guardians and standards aware of as we enter the beginning of a school year. If at any time you would have questions or need additional information regarding any information in this handbook, please feel free to contact the BCHS school administration.

athletics

Dear Student, Parent, and/or Guardian,

Our most important function in the Bath County Schools is to provide the safest learning environment possible for all of our students and school staff members.

Unfortunately, in recent years Kentucky's P-12 schools have experienced an escalation of terroristic threats being made by students with intent to do harm to either other students or school staff members. In many of those cases, school officials and law enforcement officials were forced to close schools to investigate the threats that have been made. IN other cases, school attendance plummeted for days after the threat was made. Many school leaders have said that the emotional, instructional, and financial impacts of these acts are incalculable.

Terroristic Threatening in the second degree is defined in the state law (KRS 508.078)

- (1) A person is guilty of terroristic threatening in the second degree when, other as provided in KRS 508.075, he or she intentionally,**
- (2) Makes false statements by any means, including by electronic communications, for the purpose of:**
 - 1. Causing evacuations of a school building, school property, or school-sanctioned activity;**
 - 2. Causing cancellation of school classes or school-sanctioned activity; or**
 - 3. Creating fear of serious bodily harm among students, parent, or school personnel (for the complete text for KRS 508.078 please see next page)**

Such threats to our students and school staff are totally unacceptable and will not be tolerated. As result, the purpose of this letter is to notify all students, parents, and/or guardians that school district official (in coordination with responding law enforcement agencies) will pursue immediate legal charges for felony terroristic threatening in the second degree, to the absolute fullest extent of the law, against ANYONE who makes such threats, including students.

Our approach to eliminating terrorist threats in our school and district is strong and unwavering, and as a result, it is imperative that you discuss this critically important matter with your child as soon as possible. School and law enforcement officials are determined to put a halt to these willful acts of terrorism being made toward our students. Please do your part to ensure that your child never becomes a party to such an offense by educating him/her on the seriousness of its consequences.

Together we can prevent this unnecessary, dangerous, and disruptive crime from victimizing our schools. We appreciate your partnership in keeping our school the safest place for your students to learn and grow.

If you have any questions or concerns, please contact me at your convenience.

**Sincerely,
Bath County Schools**

Regarding Kentucky State Law Provisions of Terroristic Threatening and Potential Penalties (KRS 508.078)

508.078 Terroristic threatening in the second degree

(1) A person is guilty of terroristic threatening in the second degree when, other than as provided in KRS 508.075, he or she intentionally:

(a) With respect to any scheduled, publicly advertised event open to the public, any place of worship, or any school function, threatens to commit any act likely to result in death or serious physical injury to any person at a scheduled, publicly advertised event open to the public, any person at a place of worship, or any student group, teacher, volunteer worker, or employee of a public or private elementary or secondary school, vocational school, or institution of postsecondary education, or to any other person reasonably expected to lawfully be on school property or at a school-sanctioned activity, if the threat is related to their employment by a school, or work or attendance at school, or a school function. A threat directed at a person or persons at a scheduled, publicly advertised event open to the public, place of worship, or school does not need to identify a specific person or persons or school in order for a violation of this section to occur;

(b) Makes false statements by any means, including by electronic communication, for the purpose of:

1. Causing evacuation of a school building, school property, or school sanctioned activity;
2. Causing cancellation of school classes or school-sanctioned activity;
- Or 3. Creating fear of serious bodily harm among students, parents, or school personnel;

(c) Makes false statements that he or she has placed a weapon of mass destruction at any location other than one specified in KRS 508.075; or

(d) Without lawful authority places a counterfeit weapon of mass destruction at any location other than one specified in KRS 508.075.

(2) A counterfeit weapon of mass destruction is placed with lawful authority if it is placed as part of an official training exercise by a public servant, as defined in KRS 522.010.

(3) A person is not guilty of commission of an offense under this section if he or she, innocently and believing the information to be true, communicates a threat made by another person to school personnel, a peace officer, a law enforcement agency, a public agency involved in emergency response, or a public safety answering point and identifies the person from whom the threat was communicated, if known.

(4) Except as provided in subsection of this section, terroristic threatening in the second degree is a Class D felony.

(5) Terroristic threatening in the second degree is a Class C felony when, in addition to violating subsection (1) of this section, the person intentionally engages in substantial conduct required to prepare for or carry out the threatened act, including but not

limited to gathering weapons, ammunition, body armor, vehicles, or materials required to manufacture a weapon of mass destruction.

Penalties:

Violating a Class D felony (adult), 1-5 years imprisonment (KRS 532.020) and/or \$1,000 - \$10,000 fine (KRS 532.020)

Violating a Class C Felony (adult), 5-10 years imprisonment (KRS 532.020) and/or \$1,000 - \$10,000 fine (KRS 532.020)

Violating a felony (juvenile) fine not to exceed \$500 (KRS 635.085), with fine assessed at the court's discretion in lieu of commitment to the Department of Juvenile Justice.

Social Media Information

How do you know what your children are doing on their phones and social media? Are you familiar with Snapchat, Kik, Whisper, Instagram, Twitter and Ask.fm? If you're a parent whose child has a smartphone, you should be. These apps are popular with children and teens, but each has risks which parents need to monitor closely.

Teens know how to hide their behavior on social media (sometimes in private messaging features, sometimes by hiding apps), they are constantly downloading new apps, and they learn new platforms incredibly quickly. However, no parental control app or tool is going to be better at protecting your child than you having a healthy relationship with your student. Do your research on apps and how they work.

Why is it important to monitor your children online?

- 43% of teens say they would change their online behavior if they knew that their parents were watching them.
- 54% of teens said they'd be a lot more worried about it if parents knew what actually happens on social media.
- 69% of teens regularly receive personal messages online from strangers and most of them don't tell a trusted adult.

Why is it important to create a family social media plan?

- 29% of teenagers have been stalked or contacted by a stranger or someone they don't know online.
- 55% of teens have given out personal information to someone they don't know, including photos and physical descriptions.
- 67% of teenagers say they know how to hide what they do online from their parents. 4

Why is it important for students to build a positive digital resume?

- 68% of college admissions officials say it's "fair game" for them to review applicant's social media profiles on sites like Facebook, Instagram and Twitter to help them decide who gets in.
- 47% of college admissions officers say that what they found online has a positive impact on prospective students.

7 Essential Steps to Prevent Teen Suicide

Every day, about 12 youth dies by suicide, and for everyone you hear about, 25 attempts are made. Families, schools, peer groups and communities are dramatically impacted when young people engage in suicidal behavior. Bath County High School and the Youth Services Center want to assist in preventing these tragedies.

You can help prevent suicide by recognizing **warning signs**, identifying **risk factors**, promoting **protective factors**, and knowing how to talk to children and seek mental health services. Empower yourself and your teen by following these 7 steps.

1. Know your facts: Information is POWER! Know the FACTS!

- Suicide is a major problem affecting youth; it is the 2nd leading cause of death among 10-24-year-olds.
- Addressing the topic of suicide in a caring, empathetic, and nonjudgmental way shows that you are taking your child seriously and responding to emotional pain.
- Parents and other caregivers often are the first to recognize warning signs and most able to intervene in a loving way.

2. Recognize the warning sign: Don't dismiss a threat as a cry for attention!

Studies show that 4 out of 5 teen suicide attempts are preceded by clear warning signs, so make sure to know them.

- Changes in personality: sadness, withdrawal, irritability, anxiety, exhaustion, indecision
- Changes in behavior: deterioration in social relationships and school and/or work performance, reduced involvement in positive activities
- Sleep disturbance: insomnia, oversleeping; nightmares
- Changes in eating habits: loss of appetite, weight loss or overeating
- Fear of losing control: erratic behavior, harming self or others

3. Know the risk factors: Recognize certain situations & conditions

- Previous suicide attempt (s)
- Mental health disorders (depression, anxiety)
- Alcohol & other substance abuse
- Feelings of hopelessness, helplessness, guilt, loneliness, worthlessness, low self esteem
- Loss of interest in friends, hobbies or activities previously enjoyed
- Aggressive behavior
- Bullying or being a bully at school or in social settings
- Disruptive behavior, including disciplinary problems at school or at home
- High risk behaviors (drinking and driving, poor decision-making)
- Recent/serious loss (death, divorce, separation, broken romantic relationship)
- Family history of suicide
- Family violence (domestic violence, child abuse or neglect)
- Sexual orientation and identity confusion (lack of support or bullying during the coming out process)
- Access to lethal means like firearms, pills, knives, or illegal drugs
- Stigma associated with seeking mental health services
- Barriers to accessing mental health services

4. Know the protective factors:

- Skills in problem solving, conflict resolution, and handling problems in a nonviolent way

- Strong connections to family, friends and community support
 - Restricted to lethal means of suicide
 - Cultural and religious beliefs that discourage suicide and support self-preservation
 - Easy access to services
 - Support through ongoing medical and mental health care relationships
- 5. Take Preventive measures:** You are not powerless: you can guard your teen
- Interact with your teen positively (give consistent feedback, compliments for good work)
 - Increase his/her involvement in positive activities (promote clubs/sports)
 - Appropriately monitor your teen's whereabouts and communication (texting, FB, Twitter) with the goal of promoting safety
 - Be aware of your teen's access to alcohol, prescription pills, illegal drugs, weapons
 - Communicate regularly with your teen's teachers to ensure safety at school
 - Be aware of your teen's social environment (friends, teammates, coaches) and communicate regularly with other parents in the community.
 - Talk with your teen about your concerns: ask directly about suicidal thoughts
 - Address your concerns with other adults in your child's life
- 6. Talk to your teen about suicide:** Talking about suicide can seem almost impossible
- Talk in a calm, non-accusatory manner
 - Express loving concern
 - Convey how important he/she is to you
 - Focus on your concern for your teen's well-being and health
 - Make "I" statements to convey you understand the stressors he/she may be experiencing
 - Encourage professional help-seeking behaviors (locate appropriate resources)
 - Reassure your adolescent that seeking services can change his/her outlook
- 7. Last but not least:** Seek mental health services
- Take appropriate action to protect your child if you
 - 1) Feel something is "just not right"
 - 2) Notice warning signs
 - 3) If you recognize your child has many of the risk factors and few protective factors listed above
 - Find a mental health provider who has experience with youth suicide
 - 1) Choose a mental health provider with whom your child and you are comfortable
 - 2) Participate actively in your child's therapy

If danger is imminent, call 911 or take your child to the nearest emergency room

Permission to Pick Up Form

Bath County High School will not release any student to leave school or allow anyone visiting the school to talk to a student unless that person has been authorized to do so by the parent/guardian of the student. This form will be used to identify people wishing to pick up a student. Driver's License or Social security numbers will only be used for identity purposes and must be included on this form! Persons not on this form will not be allowed to pick up a student or talk to that student. Also the bottom information will assist us in the event that an emergency occurs and we need to contact someone about a student.

Thank you,
Sabrina Brandenburg

I authorize the persons listed below to pick up my child and/or to talk to my child in the office at the school. I also understand that under no circumstances will any student be released early to leave school unless the person(s) are authorized by the parent/guardian and thus included on this permission form. Any changes that need to be made to this form during the school year must be made by the parent/guardian who signed this form and must be made in person at the school in the main office.
