WELCOME MESSAGE

Welcome to Crossroads Elementary School. Our student success- academically, emotionally and physically is at the forefront of all our decisions. We have a diverse student population and providing them with rigorous, standards-based instruction encompassed in a comprehensive educational program is our intent. Our community of learners is made up of outstanding students, an expert and educated faculty and staff of caring professionals, active and involved parents and guardians and a supportive community. We are committed to working together toward the success of all of our children here at Crossroads Elementary School.

We are extremely proud to be part of the Bath County School District. Everyone involved in the education of our children wants our students to become proficient and enthusiastic lifelong learners. We seek to provide exemplary instruction each and every day and desire our students to develop the skills, motivation and spirit needed to succeed in their choice of college and career. This educational process is needed so that they might lead and participate in America's future success. The required rigor needed for our students to succeed in today's ever-changing world demands active, engaging inquiry teaching with problem solving, critical thinking, fluent reading with comprehension, and the ability to communicate this learning in a wide variety of methods.

PRINCIPAL'S MESSAGE

Our mission at Crossroads is to create a warm and caring educational atmosphere where every child is valued and will experience continuous improvement in learning. It takes a team effort, all of us working together to provide the best educational opportunities for our children. Please realize that the Crossroads School faculty and staff will not be able to accomplish this task alone. We need your support.

Parents/Guardians are always welcome at our school. We view parents/guardians as equal partners in providing our children with meaningful educational experiences. Further, we encourage you to become active participants in our school programs and classroom activities. There are many ways to support your child, such as volunteering to help in the classroom, lunchroom, library, or in one or more of our many school programs. We encourage everyone to be a member of our PTO.

Among the most significant contributions parents/guardians can make to the educational progress of their children is to read to them at home, make sure there is an appropriate and quiet study space for them with sufficient time to do homework, as well as to be available to assist them with more difficult homework assignments when necessary. As a result of your involvement, your child will see you as a significant other who truly values the educational process. Subsequently, he or she will more than likely demonstrate positive attitudes and behaviors toward school and learning.

By working together, students, parents/guardians, and staff can make Crossroads School an exciting and enjoyable place to learn.

The staff at Crossroads Elementary School continues to encourage your active involvement in your child's education. A strong partnership between home and school can greatly benefit your child as he/she grows and matures.

SCHOOL PLEDGE

We believe that each child can learn and it is our mission to create a learning environment that will ensure success and high achievement for all students. We will strive to develop unique, productive, highly literate individuals who can think and communicate effectively, show respect for one another, and feel good about themselves. We are dedicated to ensuring your child receives the best possible education.

PARENT PLEDGE

As a parent/guardian I believe my child can learn and I will participate in decisions relating to my child's education. I will strive to show respect and support for my child, the staff, and the school. I will support the school in developing positive behaviors in my child. I will talk with my child about his or her school activities each day. I will encourage my child to read at home. I will encourage my child to attain the academic and social skills to be successful throughout life.

STUDENT PLEDGE

As a student, I believe that I can learn. I promise to accept responsibility for my actions and learning. I promise to respect and take care of myself, others, and my school. I will strive to achieve all of my goals. I am truly a wonderful person, because I am me.

SCHOOL SAFETY

Safety is our number one priority. For the safety of all students, parents, visitors, and staff, we at CES will take appropriate measures to maintain a safe and secure facility. All doors, except the front doors, at Crossroads Elementary will remain locked the entire day. When you enter the building, the receptionist will allow you access through the office door and will screen all visitors. Please help us maintain the balance between a friendly, welcoming environment and a safe, secure facility for our CES Family by being patient and following our rules, procedures and policies. Our students deserve the safest school possible!

SCHOOL HOURS

School is in session from 8:05 a.m. until 3:15 p.m. daily – Monday through Friday. School doors will open at 7:30 a.m. Prior to 7:30 a.m. there is no supervision available – do not drop children off before 7:30 a.m. Do not allow students to get out of a vehicle and stand unsupervised on the sidewalk before the school is unlocked. Bus transportation is provided for all students. Crossroads Elementary School encourages parents to take advantage of this service provided by the district to get your children to and from school. Using bus transportation assures punctuality and reduces traffic problems.

PARKING

Please use the parking lot or spaces provided to the left or right of the building entry. DO NOT park directly in front of the building in the drop off/pick-up lanes as this blocks through traffic.

OFFICE HOURS

The school office opens at 8:00 a.m. and closes at 4:30 p.m. The phone number for the office is 606 – 674 – 2101.

MORNING DROP-OFF

You may drop your child off at the front of the building beside the sidewalk each morning beginning at 7:30 a.m. – 7:50 a.m. **PLEASE DO NOT DROP OFF STUDENTS IN THE PARKING LOT AND LET THEM CROSS DROP OFF LANES UNSUPERVISED.** Staff will be outside or at the front door of the school to assist and supervise your child. A student who arrives at school after 8:05 a.m. must be signed-in at the office by a parent or guardian. If you would like to walk your child to the front of the building doors each morning, you will need to park your vehicle in a parking space provided in the parking lot. To ensure the safety of all students, there is no parking in front of the school beside the sidewalk. Students are not permitted to go to their classrooms until they are escorted by their teacher. Students planning to eat breakfast in the cafeteria need to be at school by 7:50 AM each morning in order to have adequate time to eat.

AFTERNOON PICK-UP/WITH TAGS

Our Student Pick-Up Permit Program allows parents to pull up outside in the front of the school beside the sidewalk and have their child brought to them on second bell in the afternoon, directly after the 3:15 bus bell students are loaded onto the buses. In an effort to keep your child safe and to streamline the afternoon pick-up process, all students must be picked up using our pick-up permit system. Any student picked up in the office, not participating in the pick -up line, prior to pick-up dismissal - will be counted tardy. We will assign your family a number and give you a tag to hang from your rear view mirror. Your child (ren) will be given a matching number tag for his/her backpack. As cars pull up to the sidewalk – staff will check the number tag, then bring out the students with the corresponding number. Report lost or stolen pick-up permits to the office immediately. We recommend the vehicle lineup out front begin at 3:00pm.. If you arrive prior to 3:00pm you will need to park in the lane closest to the parking lot. Parents should remain in their vehicle. For the safety of all students – school personnel will be directing traffic. Always follow their instructions. In order to enhance school safety – all district

elementary schools and most surrounding districts are using a similar method to dismiss students that are being picked up.

EVERYDAY PICK-UP

If you pick-up your child everyday, all you need is the permit to hang in your car. Two permits will be issued per family. **Replacement permits will be issued at a cost of \$5.00.**

OCCASIONAL PICK-UP –

If you pick your child up on specific days or on occasions – you will need to call the school by 2:30 p.m. each day to let us know that you are planning to pick up your child. Always call prior to 2:30 p.m. so we have adequate time to notify your child's teacher. If you call after 2:30 p.m. it becomes extremely difficult to ensure that your child will be aware of your desired change in transportation. Do not leave voice messages with transportation changes.

NO PICK-UP PERMIT

If you do not have a permit then you must park in the lower parking lot and come and pick-up your child (ren) after all pick-up traffic has cleared the front of the building. You must present ID and be on the students' pick-up list.

AFTERNOON BUS DISMISSAL

Students riding the bus will be brought to the gym according to the bus schedule.

ARRIVING LATE /LEAVING EARLY

A STUDENT WHO ARRIVES AT SCHOOL AFTER 8:05 MUST BE SIGNED-IN AT THE OFFICE BY A PARENT OR GUARDIAN. HE/SHE WILL NOT BE ADMITTED TO CLASS WITHOUT AN ATTENDANCE SLIP SIGNED BY THE RECEPTIONIST OR ATTENDANCE CLERK. BREAKFAST WILL NOT BE SERVED AFTER 8:30 A.M. Students planning to eat breakfast in the cafeteria need to be at school by 7:50 a.m each morning in order to have adequate time to eat.

When a student needs to leave early, a parent or guardian must come to the office and be identified with a valid driver's license and/or social security number. In order to minimize classroom interruptions – your child will be called to the office to meet you. The only individuals who will be allowed to pick a student up, with prior guardian permission, are those who are identified by the parents or guardians as authorized persons on the pick-up card list. Always have identification ready. This is for the protection of students and is strictly enforced.

We will not dismiss students early after 3:10 p.m.. The office is a very busy place and signing students out early at the end of the day creates confusion and a safety issue. Please do not call and ask for your child to be in the office prior to your arrival. Due to confidentiality and safety reasons, parents/guardians cannot wait in the office or airlock as we are bringing pick-up students out the front doors. You will be asked to wait in your vehicle in the parking lot. This procedure is for the safety of all students.

We ask that you make appointments at times that allow your child to remain at school for the entire day. Coming in late or leaving early is disruptive to your child – as well as – to the entire class – resulting in valuable learning opportunities being missed.

TRANSPORTATION CHANGES

For the safety of our students – **signed bus notes are required** if your child is going to any place other than his/her regular destination. Parents must send a signed note that states the date, the child's name, and the name and address of the alternative location. The request must be turned in to the classroom teacher in the morning. The note will be signed and copied by office personnel. **Parents will not be allowed to phone the school to inform school personnel of transportation arrangements for their children without principal approval.** If you call you will be asked by a principal to verify personal information we have on file, this makes completing your emergency pickup form very important. School personnel have no way of knowing if the person phoning is actually the parent or guardian if you are unable to verify your personal information. Bus drivers are not permitted to make transportation changes without a written note from the parent and signed by the principal or secretary.

PARENT PERMISSION FOR STUDENT RELEASE

Parents and guardians are the only persons that can give permission for students to be picked up by anyone other than a parent. Emergency contacts listed on the school forms cannot pick up your child without **YOU** – the guardian, contacting the school through a letter or phone call. Letters must have the NAME of the person, not just grandma, uncle, aunt, etc. This includes siblings, grandparents, aunts, uncles, babysitters, etc. You must give permission prior to release. All persons signing a student out must be ready to present ID verification. This also applies to special school day events such as parties, plays, etc.. This is to ensure your child's safety and out of respect/consideration for you, the guardian.

NTI DAY EXPECTATIONS

Bath County schools are approved for 10 NTI (non-traditional instruction) days per year. Students will receive packets from the school to help supplement instruction from home for these days. Teachers will communicate individual classroom expectations and supplementary resources via ClassDojo. Work completed must be returned in order to be able to credit the students with school day completion. If appropriate levels of work completion are not maintained the district could lose NTI day availability.

PARENT & SCHOOL COMMUNICATION

It is important that we maintain open communication between the school and parents. Your child's teacher will notify you at the beginning of the school year of all the avenues of communication they use.

Each classroom teacher will have its own ClassDojo account with access to see classroom updates/photos and message teachers and office staff. **Teachers are encouraged to set their ClassDojo hours from 7:30am-4:00pm,** messages to teachers can still be sent at a time that is convenient to you and the program will alert them when their quiet hours go off at 7:30am.

If you want to meet with a particular school personnel, an advance phone call will help assure their availability. Teachers are not able to meet on a drop-in basis as they are working with the children. Please call the office or send a note to the teacher requesting an appointment.

Teachers may receive phone calls during their planning time. If you call outside of planning time a message will be taken for the teacher and given to them by the front office.

A daily e-mail will be sent from the school office to update you on events, dates, and special celebrations.

Monthly calendars are sent home at the beginning of each month with important dates and upcoming events.

You may want to visit the district website to find out about things going on all around the district
–www.bath.kyschools.us.

Report cards are sent home each nine weeks.

CHILD CUSTODY

Crossroads Elementary School recognizes that issues related to the legal and physical custody of students are complicated and can impact the student's educational experience. Parents and legal guardians of students are strongly encouraged to stay involved with their student's academic progress. Unless a court order decrees otherwise, either parent or a legal guardian may view education records and attend school functions or school meetings regarding the student. Official notices and report cards will be sent to the parent or legal guardian with primary physical custody of the student during the school year.

It is the responsibility of the parent or legal custodian with primary physical custody to provide current copies of court orders to the school. Child visitation and exchange of custody should not take place during school hours or on school property. Crossroads Elementary School will assume no responsibility for enforcing visitation or custody orders and reserves the right to prohibit parents or legal guardians from entering school property if their conduct becomes disruptive to the school environment. Concerns regarding custody and visitation should be directed to the school principal.

LOST AND FOUND

Found items are kept in the family resource center. Found items that are identified with the child's name will be returned. With this in mind, please remember to label your child's clothing. Parents are encouraged to check the Lost and Found for missing items. Items not claimed will be given to a charitable organization.

Rewarding Positive Behavior

Students at CES are consistently very well behaved! This is one of the many reasons why Crossroads Elementary School stands out as one of the most pleasant and enjoyable schools around! Therefore, we strive to reinforce this great behavior at all levels.

Classroom-Level Reinforcement

CES teachers strive to be their students' #1 fans and provide continual praise for expected behaviors. Classroom-based rewards are determined by each teacher and are predominantly intangible (words of praise, student recognition, classroom point system, etc) while tangible rewards supplement may be less occasional (treasure box, extended recess, etc.).

Grade-Level Reinforcement

In addition to classroom-based reinforcement, each grade-level will determine a regular incentive system to reinforce consistent great behavior.

For example, students with the correct points totals will be rewarded on a regular basis with grade-level designated rewards (ie. "good behavior party", nature walk, extended recess, movie event, water party, etc.).

Each teacher/grade-level will communicate their "Good Behavior" policy with student/parents at the beginning of the school-year or following modifications made.

School-Wide Reinforcement

We love to celebrate students at CES!

We regularly celebrate students and recognize them in front of all of their peers during our school-wide Friday Assemblies. Even more, we love to share their fantastic behavior and achievements with all of the community through social outlets! They deserve it!

Crossroads Elementary School Discipline Plan

At CES, students are expected to conduct themselves in a manner which will promote a proper learning atmosphere within the classroom. While most students consistently observe these standards and behave safely and appropriately, there are times when misbehavior warrants intervention and consequences.

Students are reminded that proper behavior extends to all school property including school buses and while on field trips. The following policies are implemented to ensure a safe and caring school culture.

Each class/grade will provide further detailed rules and expectations to address the needs of their unique classroom within the ClassDojo points system to address Level I misconduct. These measures shall be developmentally appropriate and will be approved by administration. Teachers shall contact parents through means of phone call, note home, or email when behavior is excessive or recurring).

* CES teachers and support staff help our students learn to get along, follow rules and take responsibility for their own decisions. Most of the time this is done as a normal course of our work on playgrounds, in classrooms, in the lunchroom and hallways. At times, CES staff may decide to refer a student to the principal because of the seriousness of the behavior or to simply help the student make better decisions in the future. When a student is referred to the principal, you can expect that the principal will start by talking with the student about the importance of telling the truth and taking responsibility. Then the principal will investigate the situation thoroughly and will aim to turn the concern into a learning opportunity. Most often, the student will be given an opportunity to reflect and will be challenged to take responsibility for choices and come up with a plan to apologize or make restitution. The principal will communicate actions taken with the teacher and will communicate with parents when it is appropriate.

CHEWING GUM

Gum is not allowed at CES at any time.

PERSONAL PROPERTY

Toys, electronics (i.e. Cell phones, Ipods, mp3 players, electronic game devices, etc.) or high dollar items are not permitted in school. The use of such devices is potentially disruptive to the educational process. Property of this nature will be confiscated and must be picked up by an adult before the end of the school year. If a school activity (show and tell, rewards) requires or allows a student to bring items to school that are not permitted by the rules of this handbook, a written notice from the teacher will be sent to parents and turned in to the office prior to the activity. The school is not responsible for lost or stolen property brought by students

FACILITIES

After School Activities:

School facilities will not be available during holidays or anytime that school is not in session. Facility requests for weekend use will require compensation for custodial and cafeteria staff if kitchen facilities are requested. Any school and or district activity will receive preference on facility use.

SCHOOL PARTY INVITATION PLAN & INDIVIDUAL CLASSROOM CELEBRATIONS

Students may pass out party invitations – if they have enough invitations for every student in the classroom. Invitations may not be passed out during morning drop – off or afternoon pick –up. There are no exceptions to this procedure. Younger students often have hurt feelings when they are left out by not receiving an invitation. Individual birthdays will not be celebrated at Crossroads Elementary School.

CES does not accept individual cupcakes, treats, etc to be handed out for individual student birthday celebrations during the school day. While we appreciate the thoughts and offers. This too can also create hurt feelings for students whose families are unable to provide for this as well.

FLOWERS OR STUDENT DELIVERIES

Students are not allowed to have celebratory gifts such as gift baskets, florist flowers, glass vases, bottles or balloons delivered to the school. The delivery interrupts instruction and not all parents/guardians are able to provide these items. Balloons, glass vases, ale 8's are not permitted on bus transportation. To provide equality to the overall student population we discourage the delivery of holiday commemorative arrangements to the school.

COUNSELING SERVICES

A school guidance counselor is available at Crossroads Elementary School to guide students toward success in the areas of academic achievement, personal and social development, and college and career awareness. The school counselor works to develop school-based guidance and counseling programs that best meet the needs of students. Guidance and counseling services are generally provided through classroom guidance, individual counseling, and small group lessons emphasizing academic excellence, relationships, peer pressure, bully prevention, and virtues. The school counselor coordinates services with other professionals, elementary crisis counselors, and community resource personnel to meet the needs of students at risk.

HEALTH SERVICES

The First Aid Center is composed of health and wellness services. Staffing in the first aid center will work to provide the fullest possible educational opportunity for each student by minimizing absences due to illness while creating a climate of health and well-being at Crossroads Elementary School.

MEDICAL CONCERNS – ALLERGIES

It is imperative that all school personnel know of any type of allergy your child has, such as bee stings or foods. This information should be provided to the school personnel, who will see to it that the appropriate supervisors are notified. If your student is transported to and/or from school by bus, the bus drivers should also be provided with this information.

Food Service must have a statement from your physician documenting the specific food allergy and acceptable substitutes in order to make accommodations within the breakfast and/or lunch program.

MEDICAL FORMS

Medical forms (Emergency Treatment Release Form and Consent Form for Bath County School Health Units) are kept on file in the front office and used in emergency situations. This form will be sent home with your child the first week of school. It is very important that you fill it out completely, noting any health conditions, medical concerns, or current medications and return it the next day. All information on this form will be used to guide our intervention in the case of an illness, injury, and/or emergency at school. Parents are responsible for notifying the school, in writing, of any changes to the information on the medical forms.

HEALTH SCREENINGS

From time to time, students will be screened for serious health concerns, including but not limited to hearing, vision, height, weight, and head checks.

MEDICATION AT SCHOOL

- If your child has medications at school, it is the parent/guardian's responsibility to pick up the medications when you need them back home. The medication will NOT be sent home on the bus with the child.
- When bringing prescription medications to the school personnel, please bring them in the original container with the child's name clearly labeled. Remember an **adult** needs to bring them to the school first aid unit.
- If your child is taking medications three times a day or less, they should be administered at home unless otherwise specified by a doctor. (**Example:** Antibiotic given three times a day can be given at home: 1) in the morning before school; 2) right after school; 3) at bedtime.)
- Many over the counter (OTC) medications are kept in the school first aid unit such as Tylenol and Ibuprofen. A parent or guardian must sign a form giving the school personnel permission to dispense these medications to students.

If you have any questions regarding medications at school, please call @ 674-2101 Children are NOT allowed to bring any medications to school. Also, children are not allowed to transport medications on the bus. This is a legal and safety issue. Please do NOT allow your child to bring medications to school themselves.

SCHOOLWIDE TITLE I PROGRAM

Each year the Bath County School District and Crossroads Elementary School receives federal funding through the Title I Program. Crossroads Elementary has a School wide Title I program. This means that all students are part of the Title I program and benefit from Title I staffing, materials, and equipment. Title I funds may be used to employ certified teachers and instructional assistants. Title I funds are also used to maintain, upgrade, and purchase computers, software, and other educational materials. Several e-books, reading supplements and assessment tools have been purchased with Title I funds. Important parts of the Title I program are the Parent Involvement and the Parent School Learning Compact. Each year we have a Title I parent meeting to review our policy and the compact. We hope each of you will attend this meeting. If you have any questions or comments about Title I, ways we can help your child, or ways we can improve parent involvement please contact us at the school, (606) 674-2101.

CES TITLE I PARENT INVOLVEMENT POLICY

Crossroads Elementary School and the Bath County Board of Education recognize that the parent is the child's first and most important teacher. Parent involvement is essential for the success of the child's educational program. We are committed to building a strong parent-school partnership and the following Title I policy was created to support this partnership. Crossroads Elementary School pledges that a broad, on-going parent involvement program will be provided through the Title I project and all programs of the school.

This parent involvement policy is made available to parents and will be made available to any stakeholder at any time upon request. Parents are made aware of this parent involvement policy during parent meetings and may receive a copy at that time. This parent involvement policy will be published in the student handbook and sent home to all parents at the beginning of the school year.

An annual meeting will be held at a convenient time to inform parents of the school's participation in Title I and to discuss the services provided. A summary of the Title I program and services provided will also be included in the Student Handbook at the beginning of each year.

Parent consultations are ongoing and / or as needed. Parents will have an opportunity for regular meetings to give suggestions, share experiences and participate in appropriate decision-making concerning the education of their children. Parents are encouraged to participate in the Site-Based Decision-Making process including serving on Council, serving on committees, and attending SBDM meetings.

Parents are encouraged to attend open house nights, parent/teacher conferences, PTO meetings, Preschool Family night, Family Resource Center parent classes and all school and district Title I meetings. Parents are encouraged to attend all parent meetings, and to share concerns with Title I and other CES staff.

Parents will be given information concerning Title I programs and school performance reports that show CES's progress toward meeting state-mandated learning goals and academic expectations. K-Prep (Kentucky Performance Rating for Educational Progress) results will also be reported in a timely fashion. Explanation of individual student assessment results and the level of proficiency the students are expected to meet will be

discussed with parents. A description of the school curriculum and the assessments used to measure student progress will also be made available to parents.

THE PARENT SCHOOL LEARNING COMPACT

The **Parent School Learning Compact** was developed with the input of the parents, teachers, and students of the school. All CES parents were encouraged to help develop and/or revise this agreement. The compact will be included in the student handbook and a copy will be sent home at the beginning of each school year.

Through a coordination of parents, school staff, and students, efforts are made to achieve district goals, state standards, and to improve assessment scores.

The school will provide a high-quality curriculum and instruction in a supportive and effective learning environment that will enable students to meet performance standards. Parents are encouraged to be responsible for supporting their children's learning by monitoring attendance, television watching, homework, completion of project(s), and also by participating in decisions relating to their children's education. Two parent/teacher conferences will be held each school year. Educational and parenting materials are made available to parents through the school library and the Family Resource Center.

Support partnerships among the school, parents, and the community will be encouraged and coordinated through the efforts of the Family Resource Center, the PTO, the Migrant Program, Extended School Services, School Age Child Care, and the School Council.

Parents are encouraged to attend the District Title I meeting where the district Title Coordinator will assist parents in their understanding of State Content Standards, student performances standards, the state and local assessments. He will discuss how parents can use this information to monitor and improve the performance of their child and participate in the decision-making related to the education of their child. Materials will be provided to assist parents in helping their child be successful. Parents will be encouraged to participate in their child's education. Information related to school and parent programs, meetings and other activities will be sent to the parents in the language used at home.
