Spanish Language

Cooperative Collection

<http://bcc.xaaa.scoolaid.net/>

ESB SLS has a collection of Spanish Language books for you to borrow. This collection of 52 titles will circulate in plastic bins with roughly 25 copies (some have more, some less) per bin. Go to the link above to peruse the titles available. If you see something you would be interested in borrowing, let Melanie Keller (mkeller@esboces.org) know and she can interloan it to you. The bin will be delivered to your district's administrative office via the BOCES courier. Someone from your district will need to pick the bin up and deliver it back to the administrative office once it is due.

If you have any questions, contact Carl Vitevitch
