- FAFSA Bill - The Senate Education Committee will take up the FAFSA bill (SB 463). Mike Latvis and Dr. Colbert have shared concerns with legislators regarding the completion of the Federal document as a graduation requirement.
- Dyslexia Bills – RESA will continue to work with the bill sponsor regarding additional thoughts, proposed changes, and concerns surrounding the number of times children are screened and restrictions of interventions.

Deputy Superintendent of Educational Services, Beth Gonzalez

Ms. Gonzalez shared the following updates:

- Beth Gonzalez lifted the intense work of Dr. Jennifer Taiariol, Assistant Superintendent of Special Education and Early Intervention Services (SEEIS); Vita Lusk, Director; and Melissa Caswell, Special Education Consultant as they

have been supporting a set of public school academies that have corrective action plans from the state. Dr. Taiariol's navigation in the new role at Wayne RESA is impressive and her leadership should be celebrated.

- RESA has partnered with the University of Florida Literacy Institute (UFLI) to support a pilot of UFLI Foundations. UFLI Foundations is an explicit and systematic program created by the team at the University of Florida Literacy Institute (UFLI—pronounced “you fly”). The program introduces students to the foundational reading skills necessary for proficient reading. The program is designed to be used for core instruction in the primary grades or for intervention with struggling students in any grade. RESA is excited to have 15 Districts participate and pilot the program. An additional cohort of teachers will be introduced to UFLI Foundations in December.

Deputy Superintendent of Administrative Services, Kelly Bohl

Ms. Bohl shared a summary of the action item being presented to the Board for approval:

- Approval of the Talent Together Consortium Agreement for the provision of Teacher Apprenticeships – Forty-eight Intermediate School Districts (ISDs) participate in Talent Together, which was established to provide programs designed to create pathways for individuals who aspire to enter the teaching profession. Currently in Michigan, 900 participants have started the program this year and 298 school districts have at least one participant. There are 95 participants doing apprentice teaching and because Talent Together is fully registered with the U.S. Department of Labor, apprentice teachers can get paid while doing their apprentice teaching.
