## A Little History...

Mr. Herrington has been with RCSD for 21 years and served as transportation supervisor for the last 2 years.

Mr. Herrington supervises 76 drivers and has 54 buses in Brandon's fleet.

## What his drivers are saying...

This letter is being written in support of Coach Marc Herrington. He is currently the transportation supervisor in the Brandon school zone. On behalf of all bus drivers in the Brandon school zone, I'd like to say a few things about Coach Herrington. Naturally, I can't speak for all the drivers in the Brandon zone so I will approach this from my viewpoint. In thirty-two years of driving in Rankin County, I've been blessed to have worked with some great transportation supervisor. Coach Herrington is no exception. I've only known him for two years, though it seems a lot longer. His leadership is top-of-the-line. I understand that a lot of his duties are done behind the scenes, however, I do get an opportunity to watch him in action daily. I know that it can be difficult to keep up the good work when things get tough, but his commitment has been invaluable to us.

Watching Coach Herrington as we shuttle students from the middle to the high school and how he multi-tasks his job of "putting out fires" that constantly occur. His support for other drivers and his dedication to the children and bus drivers is why I thought he needed recognition of his job.

I admire his commitment, leadership, and his great supervision. He has my total support whenever he needs me. I pray that the Lord keeps him safe and healthy so he can continue to lead by example. Thank you for always putting the team first and doing whatever is necessary to get the job done.
