Dear Parents/Carers,

Choir Performance South Christmas Lights

We are fortunate to have been invited to perform at the Southam Christmas Light switch on on Sunday 26th November. Our school will be performing at 4pm. Please can the children arrive at 3.45pm near the Bowling Green Pub. We will be greeted at 3.50pm by the organisers so it is important we are there on time. Please ensure your child is wrapped up appropriately for the weather. It is often very cold e.g. hat, gloves, coat. There is no expectation to wear school uniform for this event so feel free to wear something Christmassy!

You can leave your child in the care of myself and school helper and go to watch the show. After the performance please can you collect your child from myself. This is likely to be from somewhere in the vicinity of the Bowling Green as this is where the stage will be. Please ensure your child does not return to you until I have ticked them off so that I know all children are collected safely as the choir is very large this year.

As you are aware we are also putting on a special joint Christmas Concert with the Southam Melody Makers on Wednesday 13th December. This event is being run in conjunction with FOSPS. Tickets will be available nearer the time and as family of participants you will get early access to tickets before they go on sale generally. More details will be announced by FOSPS in the coming weeks. The doors will most likely open for this event at 5.30pm when choir will warm up and you will have the opportunity to purchase refreshments if you wish. The performance will start at 6pm and finish no later than 7.30pm.

Please complete the slips below to give consent for your child to attend these events by Monday 20th November.

Many thanks

Mrs Mccubbin

_____(Name of child) will / will not be attending the Christmas Light Switch on on Sunday 26th November at 3.45pm.

_____(Name of child) will / will not be attending the joint concert with Melody Makers on Wednesday 13th December at 5.30pm.
