

Interrelated Special Education Teacher

Davis Elementary School is now accepting applications for the 2023-2024 School Year for an Interrelated Special Education Teacher.

Minimum Requirements: Valid Georgia teaching certificate in Special Education, highly qualified to teach the subject and/or class assigned as defined by the Georgia Professional Standards Commission.

Primary Function: Possesses the skills to manage an interrelated classroom effectively in the social, emotional and academic areas. Ability to communicate effectively and gain the confidence of administrators, parents, students, and teachers individually and in groups. Initiative that will lead to continued program improvement and development. The willingness to work cooperatively as a team member with a variety of individuals and take directions from supervisors. Determine and write an appropriate individual educational plan for students.

Qualified candidates should complete the application on www.teachgeorgia.org and send a traditional resume with 3 references to charitybarton@dadecs.org.
