Covid-19 guidelines and procedures represent the current guidance from the Indiana Department of Health. Families can request a free at-home test kit by contacting their school building nurse.

1. Positive for COVID:

- * Isolate for at least 5 days from start of symptoms or date of test if asymptomatic
- * May Return to school on day 6 IF
 - a) Fever free for 24 hrs without medicine
 - b) Symptoms resolved
 - c) Students are recommended by CDC to wear a mask until day 11

2. Students who have symptoms:

- * Stay home until fever free for 24 hrs without medicine & symptoms resolve
- * If student with symptoms was tested for COVID - stay home until test result is received.

3. Students who have been around someone who tests positive:

- * Students without symptoms may continue to come to school
- * Students with symptoms need to stay home until symptoms are resolved. It is recommended they take a test.

4. COVID TESTS

- * We have limited quantities of at-home COVID tests to share with families at no cost
