PARENT TO COMPLETE

Parental Responsibilities:
• The parent or guardian is to furnish the asthma medication and bring to the school in the current original pharmacy container and pharmacy label with the child's name, medication name, administration time, medication dosage, and healthcare provider's name.
• The parent or guardian, or other designated adult will deliver to the school and replace the asthma medication when empty.
• If a student has a change in their prescription, the parent or guardian is responsible for providing the newly prescribed information and dose information as described above to the school. The parent or guardian will complete an updated Asthma Action Plan before designated staff can administer the updated asthma medication prescription.

Parent/Guardian Authorization
☐ **I authorize** my child to carry and self-administer the prescribed medication described above. My student is responsible for, and capable of, possessing or possessing and self-administering an asthma inhaler per UCA 53G-9-503. My child and I understand there are serious consequences for sharing any medication with others.
☐ **I do not authorize** my child to carry and self-administer this medication. Please have the appropriate/designated school personnel maintain my child's medication for use in an emergency.
☐ **I authorize** the appropriate/designated school personnel maintain my child's medication for use in emergency.

Parent Signature:	Date:

As parent/guardian of the above named student, I give my permission to the school nurse and other designated staff to administer medication and follow protocol as identified in the asthma action plan. I agree to release, indemnify, and hold harmless the above from lawsuits, claim expense, demand or action, etc., against them for helping this student with asthma treatment, provided the personnel are following prescriber instruction as written in the asthma action plan above. Parent/Guardians and students are responsible for maintaining necessary supplies, medication and equipment. I give permission for communication between the prescribing health care provider, the school nurse, the school medical advisor and school-based clinic providers necessary for asthma management and administration of medication. I understand that the information contained in this plan will be shared with school staff on a need-to-know basis and that it is the responsibility of the parent/guardian to notify school staff whenever there is any change in the student's health status or care.
