

It's for staff, too!

SchoolMed by Goodside Health is your school-based healthcare partner.

Staff members in participating districts have direct access to on-demand telehealth and on-site point-of-care testing right in the school nurse's office.

How expensive is SchoolMed for Staff?

The cost of a SchoolMed visit varies by health plan. Staff with commercial, private, or marketplace health plans may be responsible for a copay, deductible, or coinsurance. SchoolMed visits for staff with Medicaid or Tricare plans may be as little as no out-of-pocket cost.

Contact the Member Services phone number for your health plan to learn more about the cost of a SchoolMed visit.

No health insurance? No problem! Staff without health insurance can experience a SchoolMed visit for a standard \$50 fee.

Staff must be registered with SchoolMed to take part in a telehealth visit on campus. Staff are not eligible for mental health and Whole Child Physical services.
