Students meeting state grade-level expectations.

School Goals

The main goal of Roseburg Virtual School for the 2022-2023 school year was to create a collaborative community in which students grow, learn, and succeed. In fact, that's our vision! As a community of learners, we need to celebrate the success of all of our families, students, and teachers that worked so hard together.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

RVS provides incredible support for students and families including daily live sessions with teachers, a rigorous curriculum, and lots of extra support including optional in-person opportunities. Students can regularly come on campus to receive in-person support, engage with other students to work on art, science, and other hands-on projects, as well as check out books to take home.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Staff teach social and behavioral skills, remediate negative behavior, and help students build success. We work diligently to recognize bullying, and quickly implement strategies to bring it to an end. We foster a culture that does not tolerate harassing behavior, and encourages students to speak up when they see bullying.

EXTRACURRICULAR ACTIVITIES

Students at RVS have the opportunity to participate in extracurricular activities and sports at their 'home school'.

PARENT ENGAGEMENT

Our teachers work very hard to collaborate with families to make teaching and learning a partnership. We look forward to working alongside our families over the coming years to make sure our students reach their full potential.

COMMUNITY ENGAGEMENT

We strive to partner with community groups to provide RVS students with enhanced learning opportunities.
