Little Falls Community Schools --- 2023-24 District Goals

Goal Area	Goal	Data Resource	Strategies
All children are ready for school	Eighty percent of school-readiness children will demonstrate proficiency in the Early Childhood Indicators of Progress for Emergent Reading, based on end-of-year assessment for students enrolling in Kindergarten by the 2024-25 school year. 100% of school readiness students enrolling in Kindergarten by 2024-2025 will demonstrate growth as measured by the Early Childhood Indicators of Progress for Emergent Reading.	End-of-Year Assessment (ECIPs) Emergent Reading	**- Continuous observational assessment - Phonemic awareness (Heggerty) - FrogStreet Curriculum - Early Literacy Leaders Academy Training - Science of Reading (LETRS)**
All racial and economic achievement gaps between students are closed	The achievement gap in Reading between Special Education students and their local counterparts will decrease to 15% by the school year ending 2023-24. Both the identified group and their counterparts will increase their proficiency, with the identified group growing at a higher rate than their counterparts.	MCA MN Report Card	**- Review cycle on Tier 1 resources aligned to state standards - District Strategic Plan - More Special Education staff - Focused intervention for Tier 2 & 3 in Literacy and Math**
All students are ready for career and college	In 2023-24, 100% of high school students will explore post-secondary opportunities through our College and Career Readiness Program while using Schoolinks. In 2023-24, 100% of our juniors and seniors will participate in a college & career exploration opportunity. By May of 2024, 100% of LFCMS students will complete a digital notebook that catalogs their learning about career and college readiness.	Course Data Schoolinks Data Digital Notebooks	**- Schoolinks - Internships, Pathways, OJT - Camp Ripley Job Shadow Program - Identify community/industry areas of need - Align pathways to community/industry needs and student interests - Attend Bridges Career Fair at Central Lakes College - College and Career week at LFCMS**
All students graduate from high school	By the end of the 2023-24 school year, Little Falls Community School District's (LFCHS and CEC combined) 4-year graduation rate will increase to 90%.	MN Report Card	**- District Strategic Plan - Review cycle on Tier 1 resources aligned to state standards - Academic boosters - Flyer Time - Review grading practices - Relevant Career Pathways Programming - Extracurricular opportunities**
