Victory News

Our School Philosophy

Victory Charter School is grounded in the belief that when there is low threat and content is highly challenging, accelerated learning takes place.

Fall Fundraiser

We met our goal and earned a grand total of $5,901.86! Yahoo! This money goes toward our school's long-term goal of new playground equipment as well as funding for several student reward programs! We greatly appreciate our Victory family for all they do to make these fundraisers successful!

Products will be shipped from the manufacturer on November 9th and delivered to students before Thanksgiving break.

Winter Coats

Please don't forget to send your children to school with their coats, hats, and gloves.
Students enjoy playing outside even in the cold!

Our School Mission

Victory Charter School's mission is to develop students who are competent, confident, productive and responsible young adults who possess the habits, skills and attitudes to succeed in life.

The Harbor Method

The Harbor Method is a whole school approach designed to educate children to be capable and caring graduates ready for the next level of their education.

PARENT INVOLVEMENT

Victory recognized as a Top Performer & Goal Maker! Just before October break, we shared in the school's Friday newsletter our students' outstanding academic outcomes as shared at www.idahoschools.org. This site also reports on Idaho's public school designations, which includes State recognition for outstanding schools. Recognition by the State is given in two categories: Top Performers and Goal Makers. **Again, in this latest reporting, Victory has been named *both* a Top Performer and a Goal Maker!** Top Performers are schools that rank in the top 10th percentile or above among all Idaho schools on one or more key performance indicators (ISAT outcomes, graduation rates, etc.). Goal Makers are schools whose overall performance meets or exceeds the interim targets of progress toward the State's long-term academic goals. You can review our school's outcomes yourself at www.idahoschools.org, as well as compare Victory's outcomes to other Idaho schools and districts. As always, we thank you for your continued support of our school and for partnering with us to provide one of the very best educational programs in Idaho.

Please remember, if your address changes at any point in the school year, please notify the school's front office so we can keep our records up to date. Thank you.
