Victory News

Our School Philosophy

Victory Charter School is grounded in the belief that when there is low threat and content is highly challenging, accelerated learning takes place.

Please **do not** send students to school in costumes including masks, face paint, dyed hair, etc. Student hair color must be within the natural hair color spectrum (brown, black, blonde, or auburn). Please keep this in mind as many temporary hair color products stay in longer than anticipated.

If your child needs a winter coat, the front office has new and gently used coats available. Please email the office at office@victorycharterschool.net for more information.

School Attire After Fall Break

Please review our policy for school attire after fall break.

Elementary and middle school students may not wear shorts or open toe shoes after fall break.

Our School Mission

Victory Charter School's mission is to develop students who are competent, confident, productive and responsible young adults who possess the habits, skills and attitudes to succeed in life.

The Harbor Method

The Harbor Method is a whole school approach designed to educate children to be capable and caring graduates ready for the next level of their education.

PARENT INVOLVEMENT

Victory recognized as a Top Performer & Goal Maker! Just before October break, we shared in the school's Friday newsletter our students' outstanding academic outcomes as shared at www.idahoschools.org. This site also reports on Idaho's public school designations, which includes State recognition for outstanding schools. Recognition by the State is given in two categories: Top Performers and Goal Makers. **Again, in this latest reporting, Victory has been named both a Top Performer and a Goal Maker!** Top Performers are schools that rank in the top 10th percentile or above among all Idaho schools on one or more key performance indicators (ISAT outcomes, graduation rates, etc.). Goal Makers are schools whose overall performance meets or exceeds the interim targets of progress toward the State's long-term academic goals. You can review our school's outcomes yourself at www.idahoschools.org, as well as compare Victory's outcomes to other Idaho schools and districts. As always, we thank you for your continued support of our school and for partnering with us to provide one of the very best educational programs in Idaho.

Please remember, if your address changes at any point in the school year, please notify the school's front office so we can keep our records up to date. Thank you.

FYI - the updated school calendars through school year 2026-2027 are posted on the school's website under the School Calendars tab.
