

November 2023

Dear Colleague,

On November 21, *School-Related Professionals Recognition Day*, we applaud **you** for all you do! It is a well-deserved honor for you diligent women and men who help educate, feed and transport students, monitor their health, administer school offices, and maintain the school facilities of our learning community.

We are happy to join our elected officials in recognizing your commitment to our District and we appreciate the many contributions our secretaries, paraprofessionals, custodians, monitors, bus drivers, food service workers, school nurses and security staff make as they work alongside each other as partners in the education of all Half Hollow Hills students.

On behalf of the Board of Education, the Assistant Superintendents, and the families we serve, **thank you** for your commitment to equity, excellence and the overall well-being of the students in the Half Hollow Hills Central School District.

Sincerely,
