

23-24 Double Springs Middle School Strategic Plan

Winston County Board of Education

Vision

Winston County Schools preparing learners for the 21st Century and beyond!

Mission

The Winston County School System will prepare students for the 21st Century by engaging all learners in meaningful learning experiences that meet the highest educational and ethical standards in a caring, collaborative learning community supported through partnerships with all stakeholders.

Beliefs

High standards and expectations are to be maintained through a system of accountability. Education enhances the quality of life and is the foundation of a strong and free society. Education resources must be managed transparently, efficiently and equitably.

Impact of Instruction

Objectives

- Students in grades 2-8 will demonstrate an increase in academic growth on the student growth percentile in Math & ELA by May of each school year.
- Increase awareness of the MTSS framework with all stakeholders.
- Maintain a 90% or higher daily average attendance rate as measured by ADA reports from PowerSchool.

Critical Initiatives

- To provide academic enrichment to meet challenging state academic standards.
- Provide comprehensive support (AL-MTSS) prevention-based framework that encompasses the academic, behavioral, and foundational wellness in physical and mental health for

Resource Management

Objectives

- Update and maintain facilities for current and future use.

Critical Initiatives

- Funds will be used to update and maintain current facilities. This includes physical appearance and technical capabilities and infrastructure.

Healthy Culture

Objectives

- Create a healthy, vibrant culture of collaboration within the Winston County School System.
- To strengthen our students' behavioral and social/emotional education and prevention programs.
- 25% of parents will participate in at least one parent event from the parental involvement calendar as measured by sign-in sheets.

Critical Initiatives

- District and local schools will create a healthy school culture to promote and foster teacher leaders across the district.
- We will increase stakeholders' awareness of mental health, social, and emotional learning and how the whole-child educational approach positively impacts a student's ability to perform.

Critical Initiatives

supporting the whole child.

- Foster a culture of consistent school day attendance, reducing chronic absenteeism, and subsequently improving overall student academic achievement and foundational wellbeing.

Critical Initiatives

Critical Initiatives

- We will strengthen relational and personal accountability connections, leading to positive results. Peer Helpers function to assist students in healthy decision-making processes.
- To strengthen authentic parental/family involvement by offering opportunities for active and meaningful engagement in their student's education.
