News

Mr. Jones held a meeting with advisors on Thursday, September 7. This officially begins the year for organizations. Some groups, such as the HS and MS Marching Bands have already begun.

We held an interest form for any student wishing to join a club or activity. The Interest Indicator received 956 responses. Coaches and advisors will use this document to reach out to potential members.

Clubs and Activities will begin meetings next week.

Erin Crew and the office of Communication helped create guidelines for advisors on communication and social media. We are thankful to her and her office to create better communication pathways for the community.

We have two new clubs for the 2023-2024 year:
Environmental Science Club and Future Teacher's Club

Thank you to the SFASD Board of Directors for their support.

Respectfully submitted, Seth Jones
