

## Meet Celia Mullins ...

Mrs. Mullin wears many hats at the Learning Center. She arrives to work early and is one of the last employees to leave the building each day. If there is something that needs to be done at the Learning Center, she jumps right in to assist without hesitation. It is often said that we wouldn't know what to do without Mrs. Celia because she truly contains the glue that holds our school together. SHE IS THE ABSOLUTE BEST!

Mrs. Mullin is a native of Rankin County, where she and her husband Bill reside. Celia's daughter graduated from a Rankin County School District School and her two grandchildren attend schools in the district.

## A Little History...

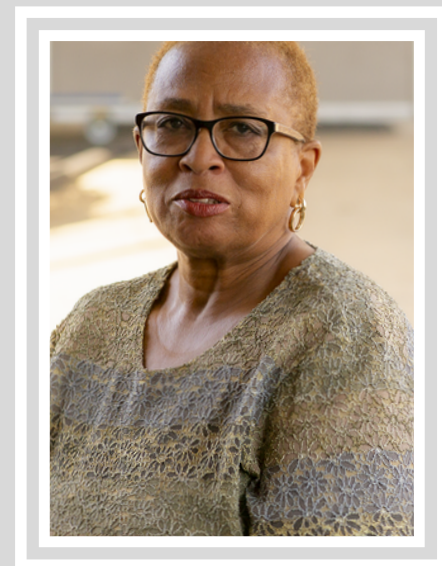

Ms. Mullin has been with RCSD for 17 years and served with transportation for the last 9 years.

There are 13 drivers and has 10 buses in The Learning Center's fleet.

## What her drivers are saying...

Celia is a great, hard working, multi-talented person. She cares about her drivers. Plus she goes over and beyond the call of duty when we need anything or answers. We are proud to have her as our supervisor.
