Thank You Mrs. Bathurst And The Saltar's Point Choir

This last Wednesday, Mrs. Bathurst and the Saltar's Point Choir were recognized at our school board meeting for all of the amazing work they do. This year we have over 100 students that practice on Tuesdays and Thursdays at 7:45. We are so excited for our Winter Concert coming up as the sneak peak we saw at the board meeting was incredible. Thank you to Mrs. Bathurst and all of our families for getting to school early in the morning to rehearse.

Thank You Mr. Fannin

Our school counselor, Coley Fannin, initiated conversations with our transportation department asking how we could be partners in supporting appropriate behavior on the buses. This partnership led to an extraordinary transformation for Saltar's Point students this year, and promoting positive bus behavior has not only had an impact on the overall school atmosphere but has also significantly contributed to the well-being of our students during their bus commute. Coley meets the buses and students each morning and connects with drivers to address any concerns or successes. His work in promoting positive behaviors on the bus is a perfect example of how an idea can set change into motion quickly. He is otterly amazing!
