# **EAGLE NEWS**

November 9, 2023

**Good afternoon, Eagles!**

**I hope everyone is excited for a three-day weekend.**

**We are finishing our Thursday off by celebrating all of our Veterans at the Veterans Tea. Our students have worked hard preparing for this celebration, and I know they are all excited to show their gratitude for all of our Veterans who have served our country. I, too, would like to thank all of them for their sacrifice and dedication. Thank you.**

**We have a week and a half until Thanksgiving. If you are going to visit family and will not be here any of the days leading up to or just after Thanksgiving weekend, please make sure you are communicating those absences to us before then. We appreciate our families that have had planned absences and let us know in advance. It is very helpful for our teachers to help keep the students on pace.**

**As you have seen in the past couple of messages, attendance is a big focus for us this year. I will be reaching out to families this month to see if there is any support we can provide to help keep our attendance consistent. Attendance is about as important a predictor as we get relating to student performance. We need all of our kiddos here to help them succeed. We have awesome teachers, and we need to have all our Eagles present to learn from the best!**

**I hope you all have a great weekend. Try to get outside, get some rest, and read a good book.**

**Until next week, take care.**

## Volunteer Update

So far this school year, we have recorded 217 volunteer hours and have had 28 individuals give their time and support to the 23 students of AIE! We'd love to have all families join our volunteer team to help with Fitness Club, as a classroom helper, chaperone a field trip, or share a unique story or skill.
