Millard and Lois Hodges purchased the High School Store in 1949 and from that time on, it was known as Hodges Hi-School Store or just "Hodges". Students gathered at Hodges before school, at break, at lunch time and after school for popular menu items that included "Pronto Pups", "Taco Space Burgers", "Gravy Boats" and 30 cent milkshakes. They also went to Hodges to purchase athletic shoes and other athletic gear. In 1971 when the store was destroyed by an arson fire, Millard and Lois rebuilt the store bigger and better than ever, and "Hodges" continued to cater to the students of GPHS for many more years. Lois worked behind the scenes to run the business and Millard - "Hodge" as he was known - worked the store. Many remember Hodge for lending a helping hand to kids in need. "Hodges"- 44 years of great food, Caveman gear, and fond memories!
