

Parent University

Session 4

May 16, 2023

from 6:00 pm-7:00 pm

*Supporting Children with Today's
Technology*

Join us in person at PVSEA EEC
MPR (on the right from the district
office parking lot entrance) and
learn how to operate some
parental controls on cell phones
and in social media apps.

Learning how to navigate
parental controls on cell
phones and within social
media apps is one way we
can support our children as
they grow and learn about
online safety.

Guest: PVSD Technology
Department
